

POMONA GRANGE ELECTS OFFICERS

Alva Shumway Addresses Meeting At Irrigon; Umattilla, Gilliam Counties Represented.

(MRS. W. C. ISOM, Correspondent.)

The Morrow county quarterly Pomona Grange session was held at Irrigon Saturday, April 5, with a large crowd in attendance. The five subordinate granges were all represented as well as Gilliam and Umattilla county granges. A bounteous dinner was served at the noon hour. The afternoon program consisted of three numbers by the school band, reading by Floyd Oliver of Irrigon grange, reading by Josephine Buschke of Willows grange, reading by Walter Bristow, and an address by Alva R. Shumway of Milton on the federal agricultural marketing act which was appreciated by all. This was followed by a closed meeting for election of officers, as follows: master, Orrain Wright of Rhea Creek; overseer, Oscar Lundell of Willows; lecturer, Mrs. O. Lundell of Willows; chaplain, Mrs. W. C. Isom of Irrigon; steward, C. Peck of Willows; gatekeeper, Mr. Mitchell of Boardman; assistant steward, S. J. Devine of Lexington; Pomona, Mrs. Cool of Lexington; secretary, Mrs. Grace Tyler of Boardman. The degree work was put on by the Irrigon grange. This is a beautiful part of the order and was enjoyed by all. Luncheon was served at 6 o'clock by the Home Economics club ladies. The next meeting will be with Willows grange in July.

Mr. and Mrs. Fred Kelly and family of Portland visited several days this week with Mr. and Mrs. R. V. Jones. Mrs. Kelly is a sister of Mrs. Jones.

Mrs. Ed Bensen, Mrs. Fay Rogers and Mrs. Fred Barker of Hermiston were day guests Wednesday of Mrs. W. C. Isom and daughter Dorothy. Silas Barker has gone to his new home at Toledo for a two weeks stay.

Robert Smith has charge of the school janitor work during Mr. Barker's absence.

Fred Markham and Jess Oliver spent several days last week shearing sheep in the Ione country.

Mrs. Grieves and daughter Norma motored to Heppner Saturday for the spelling contest. Ruth Leicht and Rose Corey from the seventh grade were contestants from here. John Smith who is very ill with inflammatory rheumatism was taken to the Pendleton hospital Saturday.

A new Studebaker car was wrecked on the highway near the W. C. Isom home Tuesday evening. It was driven by a Pendleton man. No one was seriously injured.

Charles Smith of Heppner, county agent, called on a number of farmers Friday.

Mr. and Mrs. George Haskell enjoyed a short visit with their niece and nephew last week who were motoring through the country.

Mr. Suddarth received serious injuries Wednesday when the car he was driving was struck by a freight train on the crossing near the Tum-A-Lum building. He was taken to the Hermiston hospital at once where he is receiving treatment under Dr. Christopherson. Latest reports were not favorable.

The Sunday school is having a gradual increase in attendance and is planning a program for Easter. It is hoped everyone in the community will attend.

The people of the community are giving a program and luncheon at the church Friday evening after which a free will offering will be taken to help along in the improvements on the church. Everyone is invited to attend.

George J. Kender Sr. of Umattilla visited at the Isom home Sunday. Lawrence Markham was home for a short visit Saturday.

"He must be feeling the heat just now."
"Where is he living?"
"He's not."

GAVE UP HOPE OF EVER BEING WELL

"I had given up hope of ever seeing a well day again until I started Sargon and then everything changed for me."

JOHN R. LOWE

"I was terribly nervous, couldn't half sleep, suffered with bilious spells, headaches and indigestion and my appetite was so poor I'd often leave the table without eating a bite. I steadily lost weight and strength. Four bottles of Sargon restored my lost weight, my strength and energy are back and I walk for miles without getting tired. My appetite is so good I can hardly wait from one meal to the next and my digestion is perfect. Sargon Pills stimulated my liver and regulated me perfectly."—John R. Lowe, 1708 W. Vernon Ave., Los Angeles, or St. Regis Hotel, Spokane. Patterson & Son, druggists, local agents.—(Adv.)

Hints for the Home
by Nancy Hart

Goldfish as Pets

Have you a jar of goldfish? They are in the vogue just now. And the reason why isn't that the goldfish are any different from goldfish of a few years ago, but that the glass jars for holding them are different. They are more attractive than they ever were before. Therefore everybody wishes to have goldfish.

There was a time when all pet goldfish—they are never pet goldfish in one way, but all tame goldfish—lived in globes—just big or little or medium sized globes of glass.

But that was a long time ago and the methods of keeping goldfish have developed largely since then. For now one has a truly lovely thing wherein to keep one's goldfish. It may be any shape one desires, and one chooses the shape to suit one's taste and one's rooms.

One of the prettiest of the new holders for fishes is a bowl that swings from the ceiling or from a bracket high up on the wall. This globe looks like a big Japanese lantern, with a lacquered base of red or green or black, and a colorful tassel hanging from it, and cords at the top swinging it from its hook or bracket. This is a particularly decorative bit of furnishing.

There are also all the charming fish bowls or holders that stand on supports of metal. These are sometimes just little frameworks that are placed on the table. Sometimes they are high ones standing on the floor. The metal is finished usually

Tire Company Rewards Heppner Distributors

Award of a beautiful bronze plaque has been made to the Heppner garage, by the Goodyear Tire and Rubber company, of Akron, Ohio, in recognition of the local business firm's 10 years of friendly relations with the company.

The plaque was accompanied by a letter from P. W. Litchfield, president, expressing his appreciation of their loyal representation of his concern as one of its dealers.

The name of Heppner garage and the Goodyear company both appear in upraised letters upon the bottom of the plaque. Various vehicles of transportation, including the private automobile, bus, truck, railroad train, steamboat, airplane and Zeppelin, are portrayed in bas-relief. In the background looms the main

plant of Goodyear's home factory at Akron and the huge Zeppelin factory and dock which was completed recently on Akron's municipal airport.

In the center foreground appears a Goodyear All-Weather Tread auto tire which encircles the flag of the Goodyear company.

The picture symbolizes the advancement of transportation facilities being stimulated by the cooperative efforts of the vast Goodyear organization and Heppner garage, its local representative.

Heppner garage plans to hang the beautiful plaque in a conspicuous place in their store so that their many patrons and friends may inspect it. It is now on display in one of the show windows.

PLAY AT LEXINGTON.

"Watch Your Step, Wilton," a three-act comedy, will be presented by the senior class of Lexington high school, April 25. The cast of characters is as follows: Wilton Crossley, alias Thompson, the Creighton's hired man, Freeman Hill; Charlie Claxton, a young Southern real estate agent, Edward Burchell; Frank Creighton, scion of one of the best and oldest families of the South, Vernon Warner; Douglas Lane, a friend of the Creightons, Wayne McMillan; Virginia Creighton, Frank's autocratic sister, Helen Valentine; Bess Creighton, Virginia's Democratic 16-year-old sister, Mae Gentry; "Aunt Lou," Farness, aunt of the Creightons, Mary Slocum; Peggy, Ruth Dingus. Mistaken identity offers amusing complications which come to a climax when the wealthy Creighton family decide to act as servants for Crossley, their former hired man. As this play is being presented for the benefit of the senior class, it is hoped that a large crowd will be present.

Veal Ramakins

Little left-over pieces of veal and ham, one ounce of butter, one dessertspoon of flour, one teaspoon of beef extract, one small onion, little lemon juice, pepper and salt. Mince the scraps of veal and ham. Pour a cup of boiling water on the extract, put the butter in a small pan, and when melted mix into it the dessertspoon of flour, then stir in the cup of broth. Continue to stir until quite smooth. Remove from heat, and when a little cool, stir into it the minced meat, seasoning of pepper and salt, the very finely minced onion, and a squeeze of lemon juice. Now heat all thoroughly, and pile up in little ramakin cases, sprinkling finely chopped parsley over the top.

Jesse J. Wells, Morrow county assessor, went to Boardman Monday expecting to be there several days assessing property in that district.

Wanted—Man about 30 to call on Morrow county farmers. Make \$5-\$15 daily. Furst & Thomas, 426 3rd St. Oakland, Calif. 4p.

For Sale—Beardless rye, Baxter & Osborne, Spray, Ore. 52-3.

For Sale—Registered Clydesdale stallion, 5 years old. Will sell at a bargain. A. H. Nelson, Lexington. 4-7p.

NOTICE OF ESTABLISHMENT OF BOUNDARY.

To Frank Saling, B. P. Doherty, T. M. Keller of Portland, Oregon, Oregon-Dakota Land Co. of Oregon, W. F. Honey, agent, Gresham, Oregon: You and each of you will take notice that on May 1st, 1930, I will officially establish the south boundary of the north half of the south half of Section 15, Tp. 1 N. R. 28, E. W. M. H. TAMBLYN, County Surveyor. Dated at Heppner, Oregon, April 8, 1930. Date of first notice April 10, 1930. Date of third notice April 24, 1930.

A candidate for GOVERNOR who has won signal success by his own efforts

A Business man

A worthy leader for the new Oregon Spirit

CHARLES HALL. Republican for Governor. Started with nothing and carved his way to success with his own hands. He is the kind of man red-blooded Oregonians admire and respect, and whom they will be proud to see in the Governor's chair. He will be a worthy champion and leader for the new Oregon Spirit—the spirit that is going to spell Progress for Oregon. A vote for Hall is a vote for "Forward Oregon."

"Industrialize Oregon"

Paid adv., Hall for Governor Club
L. D. Felsheim, Manager
Portland, Ore.

Flowers everywhere...next to the hedge, under the windows, in flower boxes, in beds, in yard corners, along the back fence. Inexpensive, easy to grow, colorful, fragrant. There are no better seeds offered than those obtainable in Northrup, King & Co.'s Seed Box at your dealers. Make Selection Now.

Northrup, King & Co.'s Seeds

It's wise to choose a SIX!

It is wise to choose a six-cylinder motor—the only way to get six-cylinder smoothness. Six-cylinder smoothness takes out vibration and roughness. This saves motor, chassis, body, passengers, and driver.

The Chevrolet is a six. Yet it sells at a price that anyone can afford to pay. And it lasts longer, because of fine materials, oversize parts and a big, smooth, 50-horsepower six-cylinder engine that always "takes it easy."

With all its six-cylinder smoothness and power the New Chevrolet Six saves gasoline and oil, through modern efficiency—overhead valves—high compression power—latest carburetor—long-wearing pistons—crankcase ventilation—air cleaner. Thus Chevrolet brings truly modern transportation within reach of all who can afford any car. Chevrolet economy also means sincerity in manufacture. To illustrate:

Chevrolet valves are adjustable—to save replacing. Chevrolet molded brake lining greatly reduces brake upkeep. The rear axle inspection plate on the Chevrolet means accessibility. The whole car is full of such evidence that true economy comes from advancement and refinement. There are four extra-long, chrome-vanadium springs controlled

by hydraulic shock absorbers. They are mounted lengthwise, in the direction of car travel, with self-adjusting spring shackles to maintain quiet. Modern low suspension and extra wheelbase give the Chevrolet Six good proportions. The front view is distinguished by the honeycomb radiator. The gasoline tank is at the rear for safety and finer appearance. Chevrolet beauty instantly says "Body by Fisher"—style, quiet, safety—Fisher composite steel-and-wood construction—non-glare windshield—adjustable driver's seat—deeper cushions—greater leg room—clearer vision—finer fabrics and fitments.

There is just as much extra value throughout. BY ANY STANDARD the Chevrolet Six is the wisest choice in the low-price field... with its six-cylinder valve-in-head motor... with full scientific equipment... with Body by Fisher... with four long semi-elliptic springs, long wheelbase, low suspension, rear-mounted gasoline tank, honeycomb radiator and all the other features of this day and age.

See your nearest Chevrolet dealer today and drive this six. Ten minutes at the wheel will show you what a difference six cylinders make.
