

BOARDMAN

MRS. A. T. HERREIM, Correspondent.

Earl Cramer and John Brice have gone shearing. They have a small plant of their own.

John Koski is here visiting at the Hango and Olson homes.

Mr. and Mrs. Royal Rands entertained at a "500" party Thursday for the pleasure of the teachers.

A lovely luncheon was enjoyed at the close of an interesting game.

Miss Katharine Brown and Carroll Kennedy received high honors and Mrs. Dillabough and B. B. Lewis low.

Present were the Marshchats, Kennedys, Lewises, Fortiers, Dillaboughs, Miss Spike, Mrs. Titus, Miss Brown, Norma Gibbons, Mrs. Ray Brown, J. C. Ballenger, Ray Barlow, Rachel Johnson, Deibert Johnson, Euster Rands and Howard Packard.

Mr. and Mrs. Carl Springer and three sons came Friday from Kalama, Wash., for a visit with Mrs. Springer's uncle, Claude Myers, and family. Mr. and Mrs. Springer, Mrs. Myers and Wilma motored to Heppner on Saturday to attend the declamatory contest.

Mr. and Mrs. Harvey Huff and baby of Dufur were here Sunday visiting friends and on business.

They have rented their place at the edge of town to Mr. and Mrs. Claude Coates who will move shortly. Coates have been living at Mesner for the past year or so.

Friends of W. L. Suddarth of Irri-gon were sorry to learn of his injury Wednesday afternoon at Irri-gon when his car was struck by a train. He has been at the Hermiston hospital.

Jesse Eugene, the youngest son of Mr. and Mrs. Jay Cox, former Boardman residents, is seriously ill at Medford with pneumonia and had to have a drain tube inserted in his lung. He is not yet six years of age.

Mr. and Mrs. H. E. Waite returned Sunday from Portland and Troutdale where they have been for some time. Mr. Waite has been taking treatments for rheumatism from which he suffered after a siege of flu. He is much improved, friends are glad to know.

Macambers spent the week end in Pilot Rock.

Elmer Tyler has been ill with a bad siege of flu.

Jack Hale, who has lived on the Calkins place the past year, has traded the ranch for 132 acres at Tillamook and will move shortly.

Rev. Boudinot Seely is conducting services at Umatilla this week and a number of Boardman people have driven up to hear him again.

John L. Jenkins returned from California where he went to shear. He was forced to return because of the strike.

Lee Mead and family spent the week end at The Dalles. Clarence Berger took Mr. Mead's place during his absence.

Water was turned into the canal this week and the annual irrigation round has started.

Mrs. Lottie Attebury and Billy Price are in Portland. Billy is with his grandparents. He has whooping cough and Mrs. Attebury is with her daughter, Mrs. Clarence Nottingham.

Whooping cough is the prevalent popular malady here among the youngsters. Mrs. Marshchat's room has been almost depopulated. Some child had a light case of the disease and it was not recognized as such until everyone had been exposed. Children at I. Skobos, Herseims, Harjus, Myers, Tylers, Coats, Meads are afflicted.

Dr. Gray, county physician, was over Sunday and he was piloted about the project by Mr. Marshchat. The cases were diagnosed as whooping cough.

Andy Anderson of the Columbia creamery of Portland, who was the fortunate recipient of the fine cedar chest raffled off by the Home Economics club, very graciously presented the club with the chest and it will be raffled again, locally.

Mrs. Chas. Nickerson left Sunday for La Grande and thence to American Falls, Idaho, to visit her son and family.

Janet Gorham is ill with flu. Mrs. Raymond Shane is assisting at the

Gorham home for a time. Mrs. Gorham, who has been ill for the past two months with heart trouble, is much improved.

A pleasant afternoon was enjoyed last Wednesday at the home of Mrs. Nate Macomber when the April Silver Tea was held.

Mrs. Macomber and Meslames Messenger, Ayers, I. Skobos, Dillon and Warner served a dainty and unusual luncheon. A short business meeting was held followed by a social hour.

Mrs. W. O. King and her committee plan to have the May tea at the King home.

One of the loveliest of the many card parties that have been given this spring was that given Thursday evening by Mrs. B. B. Lewis for her husband's birthday.

There were four tables of "500." When scores were counted Mrs. Rands and Carol Kennedy received the honors with Mrs. Titus and Deibert Johnson low score. Dainty refreshments followed the game.

Attending were the Packards, Kennedys, Rands, Coates, Rainvillies, Ray Barlow, Deibert Johnson, Rachel Johnson, and Mrs. Titus. Mr. and Mrs. Logan, a sister of Mrs. Lewis, came in later in the evening.

Tillie Harju and Margaret Smith represented the local school at the first county spelling contest Saturday at Heppner. The contest was won by Doris Klingler, a little girl from Strawberry, with Cleo Duncan of Heppner second, and Clifford Yarnell of Ione third.

A beautiful loving cup was presented by the Lions club of Heppner as the first prize, and banners to the other two. The cup must be won three years to become the property of the school.

That Heppner must be fed up on declamatory contests was shown by the small attendance which consisted mostly of relatives, friends and teachers of the contestants, with many vacant seats. Possibly if Lexington, Ione or some of the other towns would have the contest, greater interest would be shown.

There was much confusion Saturday with children going out and in, small folk pattering about, doors slamming and an audience that was absolutely unresponsive, all of which handicaps a speaker, large or small. Another thing, persons are tiring of hearing many of the

same youngsters year after year and many of the recitations have been used until they have become hackneyed.

Boardman did not fare well in the declamatory contest. She sent four contestants but brought home only one second prize. Norma Gibbons in the high school section. We played in hard luck in the other divisions.

Catherine Mead, in division three, was unable to compete as the physician found she had whooping cough. Through an error in timing, Mary Chaffee, who was the first speaker in her division, was stopped at the end of six minutes instead of the allotted eight, making her piece fall flat.

Wilma Myers, Boardman's third speaker, did very well but did not place.

A number of Boardman grange members attended the meeting of Pomona Saturday at Irri-gon. A good program was given and a fine feast enjoyed.

Adna Chaffee, the second son of Mr. and Mrs. A. B. Chaffee and Edna Broyles, eldest daughter of Mr. and Mrs. T. E. Broyles, were united in marriage in Portland Sunday evening, April 6. Both are employed in Eugene where they will make their home.

John Koski and Mae Hango left Monday for Kelso, Wash., after a week's visit with relatives.

Mrs. W. O. King is expecting her mother this week for a fortnight visit.

Bert Bowker reports the Heppner Flat country receiving a good soaking Monday afternoon, but the rain did not reach far beyond Rhea creek. It is a mighty boost to the growing grain.

Men and women in all walks of life are now seeking positive value. They are demanding the most and best for their dollars. And so today more than ever the trend is to Buick.

Not only are motorists driving 700,000 more Buicks than any other of the 15 makes of cars in its price class—not only are they awarding Buick from 35 to 50 per cent of

the combined sales of these fifteen makes—but they are giving Buick a greater proportion of the total sales in its field than at any previous period in Buick history.

See Buick with Body by Fisher—compare it—consider the tremendous buyer preference revealed in the above figures—and you'll agree that Buick does provide greater value in all elements of motor car appeal.

Art of Old-Time Housewives

What is more natural than that the early American housewife, after a winter of quilt-making, should name the design shown above the "Easter Lily?" This is one of many old quilt designs shown in "Old Patchwork Quilts" by Ruth E. Finley (inset).
