EPISCOPAL CHURCH.

Rev. Stanley Moore, missionary in-charge.

Morning prayer and sermon at 11. Church school at 9:45 o'clock. Young People's Fellowship at 6 at the rectory.

Let us remember that this is Palm Sunday, the day of our Lord's triumphal entry into the Holy City. Jerusalem. Many and sore were the trials of the week following, which culminated in a sinister cross on storm-ridden Calvery. Then a glorious Easter morn dispells the gloom and sorrow. Christ is victor over death. He is the resurrection and the life, for in Him as in the Father we live and move and have our being.

Do not forget the Lenten service on Wednesday of the coming week. On Good Friday there will be the usual three-hour service from 12 noon until three o'clock in the afternoon. During these hours our Lord hung upon the cross and suffered because of the sin that was in man Today we still crucify Him in our evil thoughts and words and deeds. During those hours we ought to come to the church and examine our souls in the shadow of the sufferings of Jesus.

THE EASTER CANTATA.

Much fine progress has been made be given in the Episcopal church this year. About thirty-five voices are taking part in the choruses. Traffic Survey Here Nation-Wide in Scope

W. G. Bennett of Salem, state officer, was stationed a mile orth of Lexington on the Oregon-Washington highway Monday, stoping automobiles to gain information for a traffic survey being made, operatively, by the U. S. bureau of with a view of spending appropriations where most needed as indicatby results of the survey.

When a car is stopped by an of-cer the driver is handed a card, which he is asked to fill out and to mail to the U.S. bureau of public Questions asked on the card are: What was your mileage today? If, today you started from or are oing to a point outside this state, from what state do you come? To what state are you going? nany passengers, including driver? For trucks give capacity in tons. Do you live, 1, on a farm; 2, in a town of 2500 or under; 3, in a city of more than 2500 (check one). In what state is your car registered? The card bears the government rank so costs the motorist nothing or mailing. Officers making the survey also observe weather conditions and inspect the roads to determine how well they are standing ip under traffic

Emergency Funds Given O. S. C. by State Board

Oregon State college has been ranted an emergency apropriation of \$25,000 by the state emergency board to permit it to meet unfor-seen needs for immediate assistance through the state in fields of cooperative marketing, pest control and ground water surveys

Of the total, \$14,000 will be used to place two additional cooperative marketing specialists on the staff, as the one man now employed is otally unable to meet the demands arising from the new farm marketing act. Most of the remainder will be used in working out control of three new crop pests, the cherry fruit fly, the filbert weevil, and a strange strawberry and iris pest while some funds are allotted to a ground water survey of portions of Wasco and Harney counties needed at once to permit successful well irrigation development.
