## SAYS HE COULDN'T WALK FOR MONTHS

"I wasn't able to walk for months after the first attack of rheumatism I had, and I'd have attacks at intervals that would cripple me up and

have me limping about for weeks. My appetite left me, nearly everything I ate brought on indigestion, I lost weight and was in bad shape every way. I didn't get any lasting relief until I started Sargon, but my pains are all over now. I get about the same as if I never had rheumatism. I've gained 5 pounds, have a good appetite, am strong and vigorous and feel good all the time. Sargon Pills are the best laxative I ever used."—Dell Davis, 3222 N. 19th St., Tacoma.

A COLUMN OF FEN AND FACTS (Edited by Dean T. Goodman from his private sanctum down at the Heppner Garage.)

Well folks, clean-up week is over so you can dump the garbage on the front lawn once more.

DAFFY DEFINITION Husband: A man who thinks he is a great help around the house if he wipes out the tub when he gets through.

WE CAN BE A GREAT HELP TO YOU IN YOUR TIRE BUYING. YOU WILL FIND THAT OUR EXPERIENCE IN THIS LINE WILL BE A VALUABLE HELP TO YOU.

And then Earl Gordon opines that no man, no matter how insignificant he looks, questions your judgment if you tell him he looks distinguished.

STOCK MARKET REPORT General Motors, Bank of Italy, and U. S. Steel are reported up last week.

The price of GOODYEAR TIRES is still down, which proves that you can buy stock on margin and lose your pants, while you can buy GOODYEARS from us at a saving and put the savings in your pants.

FACTS A Los Angeles firm is now manufacturing an auto trailer entirely of duralumin—the material of which the interior structure of the two super Zeppelins. GOODYEAR is building for the U. S. Navy, is being made. The trailer has a carrying capacity of four tons and weighs but 83 pounds.

In a recent edition of Farm & Orchard Magazine is an illustration of a baby turkey getting a drink from a watering trough for young birds, made by cutting an old Goodyear tire longitudinally around the circumference. The tread is very plain and unmistakable. We conclude from this that more young turkeys drink from Goodyear tires than from any other kind.

This is a photograph of Mr. All W. Tread, who insists that parents, after all are not always a nuisance. There must be somebody to change the dance records and wind the machine.

How to preserve the teeth: 1. Brush them regularly. 2. Don't speak out of turn in hard-boiled places.

And then, as Emil Groshens says, "The trouble with these modern hotels is that it is so easy to mistake your room for a telephone booth."

Don't forget the manufacturer of your car advocates greasing it thoroughly every 500 miles and changing the oil each 1000 miles. We have the most up-to-date equipment in the city for this service.

Nearly all of the young folks in this community attended the dance after the contest in Heppner Saturday.

The shearing crew moved from Butter creek over to the Dan C. Doherty ranch in Juniper Monday. Mae Doherty and Nora McDaid, local 4-H club leaders, motored to lone Monday evening to attend the lecture given by Miss Helen Cowgill, state club leader from Corvallis, at the lone school house. Quite a number attended and enjoyed the interesting talk given by Miss Cowgill. Work of club members from other parts of the state was displayed. A social hour for questions and suggestions followed the speaking.

Willard Hawley and Irl Clary and son Irl motored to Pendleton on business Wednesday.

Willard Hawley and Bert Mitchell attended the contest in Heppner Saturday.

Quite a crowd is expected at the Farm Bureau on May 3. Due to the

fact that the whole community went to Heppner to support our six contestants, we had no meeting on the first Saturday in April. The program next time will consist of numbers by the Strawberry, Lone Tree, Social Ridge, Butter Creek and Alpine schools, and in addition the county superintendent of schools, the county nurse and the county agent all plan to be present. Therefore we hope all in the community will come and make up for the last time.

Irl Clary was a Heppner visitor Monday.

Morrow county did very well at the declamatory contest on April 19, and for once in the history of these contests took the majority of the prizes, consisting of three firsts and four seconds, and in addition the one representative to Corvallis next week. Umatilla county had three firsts and three seconds and Gilliam county one first. Lester Lambirth in the non-humorous lower grades and Lawrence Doherty in the high school humorous received gold medals and Juanita Nirschl, Celatha Lambirth, and Alex Lindsay silver medals. These contestants are all from Alpine. The other winners of Morrow county were Winnie Brown, first, and Donald Heliker, second, both of lone.

Lawrence Doherty will have the additional honor of being the representative of these three counties at the state contest to be held in Corvallis April 26. He received the

highest grade in the dramatic, humorous and interpretative divisions of the high school.

## JUST TRY IT

Ask your Oldsmobile-Viking dealer to give you the famous "11-Test" demonstration that proves Oldsmobile's Balanced Design.

The surest way to learn all the facts about a motor car is to drive it yourself. Then you can tell exactly how it suits you. Then you are in a position to compare it with other cars on a price and performance basis.

For this reason, we urge you to come in—to inspect Oldsmobile's many fine features—to drive the car and put it through your own performance tests.

Without changing the tried and proved fundamentals which have made this car so dependable and so popular, Oldsmobile offers important improvements which add materially to style, comfort, performance, and value.

These advancements include smarter Fisher Body lines, resulting in longer, lower appearance—increased roominess in body interiors—more comfortable seats—greater engine efficiency—more responsive steering—more improved, fully-enclosed four-wheel brakes. Just try Oldsmobile and you'll know why it is gaining in public favor everywhere.
