THE TARIFF AND POLITICS.

Commission is the proper way to handle the tariff question... Commission is the proper way to handle the tariff question which will accept the bill, whatever its defects...

THE DEADLY AUTOMOBILE.

The cost to the people of the United States of automobile accidents in 1929 was more than \$850,000,000, according to the chairman of the traffic accident statistics...

These fatal motor accidents are not a peculiarity of any particular section or of any class or size of community. On the whole, there are fewer of them in the large cities than in the country districts...

Statistics compiled by the Nebraska State Press Association for 1929 show that in that state, where population is less concentrated than in almost all of the rest of the states...

Every victim of a motor accident is a victim of somebody's carelessness. Out of the total number of accidents in Nebraska last year by far the most were collisions between two cars...

The remedy for this increasing toll of death on the highway is partly in improving the roads, eliminating blind curves and dangerous crossings...

HEPPNER TEACHERS HURT.

Sunday School Lesson

International Sunday School Lesson for June 8. JESUS IN THE SHADOW OF THE CROSS. Matthew 26:31-46. Rev. Samuel D. Price, D. D. Three things are to be in mind in preparing the lesson study for this week. Two days are being observed. One is Childrens Day and the lesson will probably be omitted in the Schools but will be followed as usual by the members of the Home Department, and to them special greetings are extended. Second, the entire series of incidents covering all day Thursday should be followed. Begin with the journey from Bethany for the last time. The Passover was observed in the upper room in Jerusalem, and there are numerous incidents there for meditation. The room used probably belonged to Mary, and her son John Mark was the man bearing the pitcher of water who became the guide of those who went in advance to prepare the feast. Note how the disciples avoided the washing of feet and this was attended to by Jesus. Judas was given a last opportunity of repenting but he left before the Lord's Supper was instituted. Then there is the wondrous table talk as recorded in John 14:15-16, and followed by the truly called Lord's Prayer in chapter 17. Thirdly, this very day marks the 1900th anniversary of the Descent of the Holy Spirit on the Day of Pentecost, and the whole Christian Church has been teaching and preaching with reference to this day for months past. Every experience of the Holy Spirit can be repeated and renewed. The statement is as true as ever, "Not by might, nor by power, but by my Spirit, saith the Lord of hosts," Zechariah 4:6. The disciples waited in prayer for ten days in that upper room in Jerusalem. Then Peter preached with spiritual power and the record of 3,000 conversions is found in Acts 2. On the way from the Upper Room in Jerusalem, on that moonlight
