

FOSSIL WINS FRAY FROM HEPPNER, 9-1

Errors by Locals Result In Defeat at Hands of Visiting Nine.

Fossil trounced the Heppner nine, 9-1, in a game played in a drizzly rain on Rodeo field on the afternoon of Memorial day. Many errors in the field, coupled with an inability to bunt hits by the locals contributed largely towards the score amassed by the visiting team.

First inning—H. Van Horn of Fossil was out on an infield bingle, pitcher to first, Smith fled out to Robertson who made a difficult catch after a long run. Luther was on through error by short. Kuss went to first when hit by a pitched ball. Johnson went to first when catcher missed a third strike, meanwhile Luther scored. Hill reached his side, being out pitcher to first. Sprouts was tossed out at the first sack, as was Robertson who followed. B. Bleakman fanned.

Second inning—Error by short put G. Van Horn on the initial sack, with Schomp following to first on an error by second. Putnum's fly to center was snared by Turner for an out. H. Van Horn struck out. Smith was tossed out at the first sack. Heppner was retired in short order, Aune flying out to left. Hake fanning and Neel being thrown out at first.

Third inning—Luther singled to right and was thrown out at third, when he tried to gain two bases on Kuss' single to left. Johnson fanned, and Hill was tossed out at first. Turner of Heppner fanned, with both D. Bleakman and Thomson being tossed out at the first sack.

Fourth inning—G. Van Horn's infield fly was caught near pitcher's box by B. Bleakman. Schomp's bunt was picked up by Hake and thrown to first for an out. Putnum fanned. The first hit for Heppner was made by Sprouts who pounded out a single to left. Robertson and B. Bleakman fanned. Aune rapped one through pitcher's box for a single. Hake was pegged out at first base.

Fifth inning—Every Fossil player came to bat during the frame, with the rally being started by H. Van Horn who reached first on pitcher's error. Smith advanced him to second on a sacrifice hit. Luther singled to right and Kuss to left. The former's hit scored Van Horn, and the latter's, Luther. Johnson was thrown out at first. Hill rapped a single to right. G. Van Horn reached first on an error by short, which allowed Kuss, Hill and Van Horn to score. Hake, Heppner catcher, was injured by a pitched ball. He was replaced by Robertson. Schomp connected for a single. Ferguson made a long hard run to catch Putnum's fly to right, for the out that retired the side. Neel fanned and Turner walked. An error by the first sacker allowed D. Bleakman to start the loop. Thomson reached first when short threw to third to retire Turner. Sprouts was out on a throw to first.

Fossil Scores Again.

Sixth inning—H. Van Horn's high fly in front of the plate was caught by catcher, Smith was out at first and Luther walked. Kuss reached first on an error which allowed Luther to score. A peg by short put Johnson out at first. Three men came to bat for Heppner in the inning. Robertson being put out by Thomson at first, unassisted, and B. Bleakman and Aune fanning.

Seventh inning—Hill's fly was caught by second baseman. G. Van Horn singled to the left of second, and was advanced to the keystone position by Schomp's sacrifice. Putnum's foul fly caught by Robertson, retired the side. Pitcher pegged Ferguson out at the first sack. Shearer was out on a foul fly to catcher. Turner was put out when his fly to right was caught by Luther.

Eighth inning—H. Van Horn was out on a fly to third. Smith grounded one out to second, which was thrown to first to put him out. Luther connected with a hot drive that hit the ground a few feet ahead of second baseman Sprouts, taking a peculiar hop which sent it several feet over his head, to net Luther a three-bagger. Kuss was out on a fly to center. D. Bleakman of Heppner singled to left. Thomson reached first on a belder's choice with Bleakman going out on a peg to second by third baseman. Sprouts sacrificed to advance and score

Thomson for Heppner's lone tally. Robertson walked and B. Bleakman fanned. Ninth inning—Johnson's drive was thrown to first by second for an out. Hill pounded out a three-bagger to left field. G. Van Horn was on when right muffed his clout. Schomp reached first and G. Van Horn and Hill came home on a fielder's choice. Putnum was pegged out at first by short. H. Van Horn reached first on an error by third. A poor throw by first to third allowed Schomp to score. An error by pitcher put Smith on first. Luther fanned to end the final frame for Fossil. Aune hit a single to left. He was retired shortly when trying to steal second. Ferguson was thrown out at first. Shearer reached first on an error by third. Turner knocked a foul fly just outside of the first base line, which was caught by Schomp to end the fray.

IS CONVINCED THAT IT SAVED HER LIFE

"I had suffered with indigestion for years, my circulation was poor, there were nearly always severe pains in the region of my gall bladder."

MRS. MAE E. RENLAND

der. Sick headaches nearly ran me distracted. A slow-acting liver kept me constantly constipated and I became nervous and almost a physical wreck. By the time I finished the fourth bottle of Sargon I felt like a well woman. Every sign of indigestion is gone. I eat anything I want, my circulation is good and my nerves are in fine shape. I sleep wonderfully and am fast gaining weight, strength and vitality. I am convinced that Sargon saved my life.

"Sargon Pills stimulated my liver and relieved me entirely of biliousness and constipation."—Mrs. May E. Renland, N. 2811 Lindeka St., Spokane.

Of Interest to Newly Weds

BECAUSE this house is comfortably close to the ground, it promises a fine architectural appearance. The overhang of the eaves casts an attractive and welcome band of shadow across the window tops. The roof is ventilated by a half-moon window in the gable.

The house is Colonial in style, and should be of special interest to young folks getting started in life, or older people, who have given up the larger house, and want less room. It offers every comfort and convenience demanded by the modern housewife. Among its many advantages, are those of reasonable building costs, and adaptability to a narrow lot.

At the side is an open porch of generous dimensions, restful and inviting. Its convenience to the kitchen permits it to be used as an outdoor dining room.

The house is frame construction, siding exterior, shingle roof.
