Miss Clara Noerenberg of Spokane is visiting at the home of her sister, Mrs. C. W. Smith.

Mr. and Mrs. W. T. Craig of the Lexington vicinity were transacting business in the city Tuesday morning. Mr. Craig has a phenomenal stand of Turkey wheat on his farm, the straw being three feet and more in length. He expects it will yield well.

Miss Lillian Knepper of Buffalo, S. D., is visiting for the summer at the Alex Green home in Eight Mile. At present she and Miss Mildred Green are in the Willamette valley for a few days sightseeing. Miss Knepper is a niece of Mrs. Green.

Mr. and Mrs. Gene Ferguson returned home Sunday evening from a pleasant over-Fourth fishing jaunt to Clear lake, Deschutes county. They enjoyed the company of Mr. and Mrs. Andrew Olson of Portland, former Heppnerites.

Mrs. Ray Shurte and children and Kenneth Merritt arrived in the city Saturday from Wapato, Wash. Kenneth returned home Tuesday, while Mrs. Shurte and children remained for a more extended visit with relatives and friends.

T. J. Humphreys is home from his vacation trip to California and now in charge of the drug store, while Mrs. Humphreys and Miss Leta Humphreys went to Seaside to attend the state pharmaceutical convention.

J. H. Cunningham, district freight and traffic agent, Walla Walla, and J. I. Purdy, traveling freight and passenger agent, Pendleton, officials of the Union Pacific system, were Heppner visitors Monday.

J. Kenneth Ackley, erstwhile reporter with the Gazette Times, departed Sunday for Portland, expecting to go south into California where he has a prospective position at Carmel-by-the-Sea.

Miss Velma Huston, who is attending the six weeks' summer session at Oregon Normal school, Monmouth, was home over the Fourth visiting her parents, Mr. and Mrs. Clive Huston.

Mr. and Mrs. Fred Howard of Pomeroy, Wash., visited over the 4th at the home of their son, George Howard. They journeyed up the creek to spend the nation's birthday.

A. C. Ruby, raiser of fine horses, was in Heppner Tuesday from his home on the Base Line road near Portland, on business in connection with the Harry Rood estate.

Harry Janes is back in the old home town after being away for about a year, during part of which time he was sojourning in Mexico.

R. E. Alistott, Jr., and family were calling in the city from their Eight Mile farm Saturday.

Mr. and Mrs. R. B. Ferguson and children left Monday morning for a vacation trip that will take them to Crater lake and Klamath Falls before their return.

Mrs. Frank Turner returned to La Grande Sunday to resume her studies at the Eastern Oregon Normal school, after spending the 4th with home folks.

Mrs. Harold Cohn returned the end of the week from Portland where she has been taking special instruction in aesthetic dancing for several weeks.

Mr. and Mrs. Henry Smouse of Rhea creek were in Heppner Monday on business. Mr. Smouse is president of the Morrow County Grain growers.

Ed Miller, Lexington wheat grower, in town Tuesday, reported preparations well under way to begin harvest in his vicinity the first of the week.

Miss Mae Doherty, who is attending the Eastern Oregon Normal school, La Grande, for the summer session, was home over the week end.

Mr. and Mrs. Mark Merrill of the Merrill lunch, enjoyed an automobile trip to Seattle over the Fourth.

H. D. McCurdy of Ione was in Heppner Monday on business in

connection with the L. P. Davidson estate of which he is executor.

Mrs. Phil Cohn and daughter Miss Eleanor of Portland arrived the last of the week for a visit with relatives and friends in Heppner.

J. E. Musgrave, Rhea creek farmer, reports that watermelons on his place are coming along well. He was in the city Saturday.

J. H. McDaniel, upper Rhea creek ranchman in town Tuesday morning, reported hay harvest in full swing in his section.

J. G. Odell, with the Tum-A-Lum lumber company from Walla Walla, was a business visitor in the city Tuesday.

will sell either separately. Frank Shively, Heppner.

For Sale—Two registered Jersey bull calves, 6 mo. old. W. H. Cleveland, Heppner, Phone 8F11. 16-17p.

SHIPS LAMBS EAST. R. A. Thompson shipped 3000 head of choice lambs from the Heppner yards Fourth of July evening under consignment to Chicago. His son, Stephen, and Marion Van Schoiack accompanied the shipment.

JUNIOR GRANGERS TO MEET. All juveniles of Rhea Creek grange are requested to meet at the hall next Sunday, July 13, at 10 o'clock, if possible. There will be a regular grange meeting on the same day.

PIONEER FAMILY REUNITES. Sunday's Oregonian carried a dispatch under Pendleton date line concerning a pioneer family of this section, as follows: Members of the Ayers family, pioneers of Umatilla county, gathered at Emigrant springs over the Fourth from Oregon, Washington, Montana and Idaho in the first annual reunion. The family had much to do with the early development of Heppner. Tom and Bill Ayers crossed the plains in 1862, settling near there. Mrs. Hugh Curran, 71, of Portland, who crossed the plains in a wagon train with her father, was the oldest member present.

She: You have a hole in your stocking.
Second She: I'm not wearing stockings. That's my vaccination.

Insulation will keep out this summer heat as well as it keeps the heat in during winter. Get an estimate from us as to its cost. And there are several types that can be put in any house.

Remember that a screen door keeps out the flies. Only \$3.25 for a dandy.

A quart of Du Kwik enamel for \$1.45 that will transform any surface you care to spread it over. All colors and smaller sizes.

T. G. Denisse was given the contract by the city to make the meter boxes.

The Tower of Piza is leaning 16 1/2 feet out of plumb. It wasn't built of Tum-A-Lum material or it wouldn't be that way.

Is your hot water HOT? If not call Gibb the plumber, Peoples Hardware Co., phone 702, residence phone 1412. No job too big or too small. Prompt attention to all calls.

For Sale—Rhode Island Red eggs for setting, high egg-producing strain, 50c per setting. Ralph Butler, Cecil, Ore. 511.

For Sale—50 tons alfalfa hay. See Art Parker, Heppner, Ore. 451f.

TUM-A-LUM TICKLER

Published in the interests of the people of Heppner and vicinity by THE TUM-A-LUM LUMBER CO., Phone 912

Volume 30 Heppner, Oregon July 10, 1930. No. 27

EDITORIAL It is estimated that a cow moves her jaws 41,000 times a day. Is that all? Say, cow, you ought to see some of our gum chewers if you want to see action.

ALBERT ADKINS, Manager, Editor.

It has been found out that some types of beetles can go for three years without eating. That is longer than most houses can afford to go without repainting.

If you are interested in air brush painting you can see one work on the county sheds or the S. E. Notson residence.

The 4th is all over and if you own your own home you really celebrated an Independence Day.

Tom: I notice that you are wearing your Sox wrong side out.
Bob: Yes, my feet got warm so I turned the hose on them.

T. G. Denisse was awarded the contract to build a service station for the Standard Oil Co. on the corner of Main and Center streets. The work will start at once.

In a recent shooting affair, the cops report read that two of the bullets were fatal but the third and fourth bullets were not so bad.

if you want a cigarette that is milder and of better taste..

Smoke Chesterfield

MILDER, YES—BUT SOMETHING MORE. Chesterfield offers richness, aroma, satisfying flavor.

BETTER TASTE—that's the answer; and that's what smokers get in Chesterfield in fullest measure—the flavor and aroma of mellow tobaccos, exactly blended and cross-blended. Better taste, and milder too!

They Satisfy
