

BOARDMAN

Andy Anderson of the Columbia Creamery company of Portland was a visitor on the project last week. He has a great many customers here. The Roots were called to Pendleton Wednesday because of the serious illness of their niece, Melvora Root, who was forced to undergo a midnight operation at the hospital for gastric ulcer that had broken. Mrs. Nate Macomber was in charge of the postoffice for that day. The Roots went up again Sunday. A baby was born Monday evening, October 9, to Mr. and Mrs. Martin Anderson. Mrs. Anderson is a daughter of Julian Darr who farms the Mulkey place. Mr. Anderson who is working in Idaho was here for a few days. Mrs. A. A. Agee is caring for the new baby and the mother. The Olsons have an apple tree of the Early June variety that apparently was mistaken in the season for it bloomed and is now bearing the second crop of apples this season. Nate Macomber and E. T. Messenger made another trip to the mountains in an effort to seek and slay the elusive deer. Mr. and Mrs. L. E. Marschat motored to Salem for the week end, leaving Thursday. Mr. Marschat attended the meeting of state high school principals at Salem and Mrs. Marschat visited at the Calkins home in Jefferson, and at the S. H. Boardman home in Salem. Jim Montague and family of Wilcox creek were visitors at the Robert Wilson home on Sunday. Mrs. Shane took Wanda to the doctor at Arlington Saturday. Wanda broke her right arm a week ago. C. W. Smith, county agent, took the stock judging team to Pendleton Saturday where they judged several classes of cows and sheep at the state hospital. The team, made up by Clayton Shane, George Graves and Delbert Machan, will leave Sunday for the Pacific International at Portland where they will represent Morrow county in stock judging. The boys will return Tuesday. The Faler entertained at a lovely dinner on Sunday, having Ingaard Skoubo and family and R. Wasmer as guests. Miss Iris Schafer has gone to

Y. P. Rutherford had a car load of coal shipped on Monday which he sold to local farmers.

The Home Economics club will give another "500" party on Saturday night at the home of Mr. and Mrs. Wilkins.

Kennedy motored to Weston Sunday and visited at the home of Mr. Kennedy's parents.

Mr. Slanger who lives on the Calkins place has been ill for some time and on Sunday a number of friends went to the Slanger home and leveled a piece of land for him. The Slangers came from the Tillamook section last year for the benefit of Mr. Slanger's health.

The Home Economics club met Wednesday with Mrs. L. V. Root. Some business was transacted after the excellent lunch.

Paul Hatch was up from Portland for a few days last week.

Mr. and Mrs. D. S. Barlow were visitors from their home over Heppner way on Monday. They were guests at the J. F. Barlow home.

Mrs. J. T. Healey and daughter Doris are here from Portland. Mrs. Healey is convalescing from a long illness, and has been in Portland for several weeks.

F. F. Kiltz came home Saturday after an absence of several months. C. G. Blayden attended the picnic at Lexington Saturday and not only met many old friends but had an opportunity to do some campaigning on his own behalf. He is running for county commissioner on the Democratic ticket, and will doubtless carry the majority of votes from this part of the county, but whether he will be outnumbered at the other end of the county or not is a question. This part of the county feels that it is entitled to a representative; 'twould make for better feeling and understanding.

Mrs. L. E. Marschat was the honor guest at a lovely party on Tuesday, October 14, at the home of Mrs. J. R. Johnson. Fifty-four ladies were present and spent a most delightful afternoon. Several musical selections were given, a dainty lunch was served, with a color scheme of pink and white predominating in both lunch and decorations.

The Home Economics club is planning a Halloween dance to be given a week from Saturday night. Mrs. Edmunds and daughter stopped in Boardman for a short time on Monday. The Edmunds family lived on the project years ago.

Delbert Johnson was home Sunday. He brought his foreman, H. R. Wright home with him for a day. Mrs. O. B. Olson made a business trip to Portland last week end. Mrs. George Spring of Portland visited at the Faler home last week, coming up Tuesday and going back Thursday.

FOOTBALL GAME POSTPONED.

The football game scheduled to be played tomorrow afternoon between Arlington and Heppner high schools on the local field has been postponed till later in the season, according to W. R. Poulson, superintendent. The postponement is made in deference to the memory of Elmer Hake, a recent member of the local team, whose funeral is being held this afternoon.

More Milk

An extra inch of milk in the pail means extra dollars to you, over and above your feed bill.

Nearly every cow owner gets that increase with Cow Chow and Bulky-Las.

It costs about a dollar a month more to feed Checkerboard Chows, but that difference is more than made up in the first week. The rest of the month you get your extra milk for nothing. Feed out of the Checkerboard bag and you will get more milk.

Shake Out Unnecessary Tax Eaters

Many legislators know what is needed to bring about economy and good business in government. They know that some offices should be abolished because there is no longer any need for them; that with improved transportation and communication facilities one official could do the work that formerly required six; but when it comes to doing away with waste and extravagance they are not equal to the task.—Indianapolis News.

Hoss Says Stickers On Windows Taboo

Misunderstanding of the motor vehicle law as it relates to the use of stickers, usually termed "windshield stickers," is undoubtedly responsible for the violation of that portion of the law, believes Hal E. Hoss, secretary of state, who urges that windows and windshields be kept free from such material. Many persons wrongly believe that stickers may be used on rear or side windows, although they are aware that their use on windshields is prohibited.

The cooperation of organizations that have been distributing windshield stickers to the traveling public has been solicited by the secretary of state in recent letters. Although the responsibility rests on the motorist himself, many do not understand the provisions of the law and when stickers are offered for their use they accept them as permissible.

"Definite inclusion of front windshield, side windows, side and rear windows is made in the clause that prohibits the use of any sign, poster or other non-transparent material upon these portions of the automobile," states Mr. Hoss, "and from this it will be seen that such publicity matter as college tags and oil company slogans may not be exhibited on any window in the car."

The law authorized the use of official receipts issued by the state on windshields for that period of time during which they are needed.

but the secretary of state points out that many allow these certificates to remain on their cars long past the date of expiration. Many cars are seen with the old six months' stickers which expired June 30th, and other automobiles continue to carry temporary receipts issued by sheriff's offices after the license plates which take the place of the receipts are attached to the motor vehicle. The law requires that such stickers be removed promptly upon the expiration of the time limit.

"The purpose of the regulation on stickers is to eliminate any possibility of poor visibility for the motorist and in line with our desire to provide greater safety, I urge immediate and continued attention to this detail in motor vehicle operation," concludes Mr. Hoss.

FOR COUNTY COMMISSIONER.

To the Electorate of Morrow County:

I desire to announce that I have filed my petition and have declared my intention of seeking the position of County Commissioner to fill out the term left vacant by the death of L. P. Advises sheep breeders, "cull and cull severely"

In a recent talk to several hundred western sheep breeders, Dr. O. M. Nelson, Oregon State College, advised his hearers to "cull and cull severely." Importance and value of his advice will be fully demonstrated in the Sheep Division of 20th Annual Pacific International Livestock Exposition, Portland, Oregon, Oct. 25-Nov. 1.

Greater than ever, this year's Exposition features 13 complete shows, including 4-H Club, Smith-Hughes and Intercollegiate Junior Agricultural Activities. Millions of dollars worth of America's finest pure-bred Beef and Dairy Cattle, Horses, Sheep, Hogs, Goats, Foxes, Mink, Marten, Poultry and Rabbits will compete for the \$100,000 in premiums.

Whether your interests are in Sheep, Cattle, Hogs, or other farm livestock we here at the First National Bank believe attendance at the Exposition will bring rich rewards in practical information regarding improved farming operations.
