

BOARDMAN

The Barlow service station was entered Saturday night by way of the side window. A small sum of money was taken and the marauder calmly drank three bottles of Pop before leaving.

Another pleasant card party was given Saturday night by the Home Economics club at the Wilkins home. A large crowd attended and at the close of an interesting game it was found that honors were given to Mrs. Sundstand and Marvin Ransier, and consolation to Z. J. Gillespie and Paul Smith who played the part of a lady that night. Refreshments were served by Mrs. Myers, Mrs. Wilkins, Mrs. Machan and Miss Beverness.

A number of changes are being made on the project this fall. The Rowells who have been renting the Delano place are moving to Stanfield and the Delano brothers are moving back to their ranch. The Rose family who have been on the Broyles ranch on the East end have rented a place at Irrigon. A new family by the name of Surface have leased the Broyles place and the Fortier ranch adjoining.

Bert King of Salem and Mr. Campbell were up Sunday for the last of the hunting season and were guests at the King home.

Noel Klitz is home after a long absence. He has been employed by the state highway.

The Home Economics club will have a Hard Times dance Saturday night, Nov. 1. Lunch will be free to those who purchase dance tickets.

The October meeting of the P. T. A. was held Friday night with a good attendance. An unusually good program was given. The third and fourth grades rhythm orchestra played, the upper grade girls sang, and two playlets, "Frances E. Willard" by the fifth and sixth grade boys and "On Board the Santa Maria" by the seventh and eighth grade boys were well received. A clever little doll dance was given by Mrs. Sundstand. A dance by Dave Rose and a reading by Allan Chaffee completed the program.

It was decided to continue the work in character education for another year. A membership contest was started with Peter Farley leader of the West Side and Mrs. Herim of the East Side. At the close of the evening the East Side was slightly ahead. The contest will last two months. Membership fees are 25 cents a year. The losing side is to treat the winners to lunch. A resolution was passed unanimously commending the work of the county nurse. This resolution was to be sent to the county court. The question of whether to serve lunch or not at the close of the meetings was a good natured riot with Geo. Mitchell, a bachelor of epicurean tastes, moving that we continue to serve lunch and every man, tried and true, backed him up with the result that the women were outvoted. A motion was made that the men be forced to serve every other month, and was carried. It does seem a needless amount of work to serve refreshments each month but majority rules and we must admit that the men do their part when placed on the refreshment committees.

Robert Price and family were week-end guests at the home of his brother, W. A. Price. They are from Cove, Ore.

Church services will be held Sunday evening as it is the first Sunday of the month. A choir under the direction of Miss Shellenberger adds much to the services.

A. V. Mowe and Guy Murphy were

overnight visitors at the James Howell home. The Mowes were former residents here, owning the ranch opposite the Mulky place.

R. Ferguson and Thos. Thompson were up Sunday from Hood River for pheasant hunting. They make the Rands home their headquarters when here.

Glen Rutherford is here with his grandparents, Y. P. Rutherford, for the winter. Mrs. Lewis Wetherell of Umatilla was here for a short visit with her grandparents Sunday.

Ed Saunders has built a fine new chicken house at his ranch.

Mr. and Mrs. R. L. Ware stopped for a short visit at the Wm. Strobel home last week. They were on their way to Eugene from their home in Idaho. Mrs. Ware and Mrs. Strobel are sisters.

Mr. Wood and Mrs. Elva Perry were visitors at the Guy Barlow home Sunday. Mrs. Perry is employed at Hood River.

Stanley Campbell and family of Condon were Sunday guests at the Fortier home.

Several of the high school girls entertained at a merry party at the M. Healey home on the West End this week in the nature of a "Girls Night Out," and with the girls doing all the honors; asking the boys to dance, taking them to supper, etc. Nearly all the high school students were present.

A party at which Mrs. Dailey was honor guest was given Friday afternoon at the home of Mrs. F. A. Fortier with a number of other ladies assisting. There were 45 present and all had a most enjoyable afternoon. A dainty lunch was served by the hostesses.

A volume of the New International encyclopedia belonging to the set at the school was lost some time ago and Mr. Marschat has asked that if found it be returned. Someone has borrowed it and forgotten to bring it back.

On Friday, Nov. 7, Dr. Poling will be in Boardman and spend an evening teaching the community games and songs. Boardman has many musical people but when community singing is attempted it is painful to say the least. Dr. Poling will be remembered by all who attended the commencement exercises last year, and doubtless a goodly crowd will attend.

Mrs. Truman Messenger and children are here from Pilot Rock and will be here for the winter. Mr. Messenger will come later.

George Graves, Clayton Shane and Delbert Machan left Sunday for Portland where they will represent Morrow county at the Pacific International in judging.

Mrs. Sundstand has been appointed program chairman for the year. Miss Katherine Brown and Mrs. Glen Hadley are on the November committee for the P. T. A.

Mrs. F. H. Denson entertained at bridge on Tuesday afternoon, having a few ladies who are learning the game and who have already

learned. Decorations were suggestive of Halloween with place cards and refreshments also following this motif. Mrs. Claude Coats received high and Mrs. J. F. Barlow low.

Mrs. Denson organized a bridge club. This club will meet each Monday afternoon and has been named "Helonia" which means "be on time." Members are Mesdames J. F. Barlow, Ray Brown, Porter, Lewis, Coats, Blayden, Rands, Marschat, Rainville, Faler, Denson and Mrs. Shannon who is expected to move here from Hermiston and is an old friend of Mrs. Denson. At the party Tuesday Mrs. Coats won first honors and Mrs. Barlow consolation.

Mrs. H. E. Waite is visiting relatives in California for a time.

Hi Hoffman was pleased to have his cousin here with him for a visit. He has purchased a lot adjoining the community church and plans to build a small house. He has been living in one of the cabins at the Oasis service station since his return from the east.

ALPINE.

The Alpine high school held a pre-Halloween party on Friday evening to entertain the Pine City teachers and high school pupils, as well as other young folks in the neighborhood. The basement was attractively decorated with the season's colors and emblems, as well as with fall flowers. All played games of various kinds from "Miller Boy" to bean races, but the one that created the most excitement was the suit case race, during which Oscar McCarty, Bill McDaid, Art Schmidt,

Willard Hawley, Lawrence Doherty and Alex Lindsay had to put on all the women's apparel found in their suitcases, while Nora McDaid, Lila Bartholomew, Genevieve Bowman, Margaret Neary, Dorothy Doherty and Mildred Howard had to dress in men's clothing. The boys won. Fortunes were also told in an astonishingly accurate way. The refreshments consisted of cider, sandwiches and doughnuts.

Mrs. Dan Lindsay and Alex motored to Pendleton and Echo on business Wednesday.

Willard Hawley motored to Lexington Saturday, taking in Scott Dean. Mr. Dean plays on the football team and went to The Dalles Sunday to play. Next Sunday The Dalles team will come to Lexington.

Mrs. Ed McDaid and W. J. McDaid motored to Stanfield on a business trip Saturday.

Bert Bowker of Heppner is in the community now, seeding on what used to be the Lambirth place.

Dan Lindsay and son Bruce were looking after business interests in Hermiston Saturday.

The Farm Bureau meeting will be held on November 1. It will be decided at this meeting as to whether there will be a basket or pie social for the Christmas funds.

Mrs. G. L. Bennett spent Wednesday afternoon in Heppner taking in the play "Aunt Lucia," given by the

Lions club and reported it a real success. Miss Ruth Bennett took part in the chorus.

Don't forget the carnival at Pine City, October 31.

Mr. and Mrs. Dan Lindsay and son Bruce spent Sunday evening visiting at the home of Mr. and Mrs. Claud Finley.

Gene Senter made a hurried trip to Lexington Monday morning to get Scott Dean who is now working at the Hawley ranch.

The sheep owned by Dan Doherty passed through Alpine Friday on their way to Juniper from the mountains.

Mrs. Bert Michel motored to Lexington on a business and pleasure trip Friday.

Oscar Jarmin has been ill at his home for some time with the flu, but is reported much better now.

Mr. and Mrs. William Campbell were guests at the home of Mr. and Mrs. Dan Lindsay Sunday.

Mrs. Lucy E. Rodgers, the county school superintendent, visited at the Pine City school on Monday of last week.

Last Friday being Francis E. Willard's Day, the Alpine school held a program in the morning. A debate was held with Rosella Doherty and Mildred Howard matched against Alex Lindsay and Gene Senter. No decision was given.

FOR COUNTY COMMISSIONER. To the Electorate of Morrow County:

I desire to announce that I have filed my petition and have declared my intention of seeking the position of County Commissioner to fill out the term left vacant by the death of L. P. Davidson; otherwise designated as the short term; and I shall

appreciate your support at the polls at the coming general election, November 4th 1930.

ERNEST HELIKER Ione Ore. Adv. 28-33.

Worth Looking Into

To increase the face value of your Public Liability Insurance is to do no more than keep step with the increasing amounts of damages juries are awarding.

The cost of twenty to forty thousand dollars' worth of protection is very little more than he cost of five to ten thousand.

Let us show you how little the cost really is.

Advises sheep breeders, "cull and cull severely"

In a recent talk to several hundred western sheep breeders, Dr. O. M. Nelson, Oregon State College, advised his hearers to "cull and cull severely." Importance and value of his advice will be fully demonstrated in the Sheep Division of 20th Annual Pacific International Livestock Exposition, Portland, Oregon, Oct. 25-Nov. 1.

Greater than ever, this year's Exposition features 13 complete shows, including 4-H Club, Smith-Hughes and Intercollegiate Junior Agricultural Activities. Millions of dollars worth of America's finest pure-bred Beef and Dairy Cattle, Horses, Sheep, Hogs, Goats, Foxes, Mink, Marten, Poultry and Rabbits will compete for the \$100,000 in premiums.

Whether your interests are in Sheep, Cattle, Hogs, or other farm livestock we here at the First National Bank believe attendance at the Exposition will bring rich rewards in practical information regarding improved farming operations.

More Milk

An extra inch of milk in the pail means extra dollars to you, over and above your feed bill.

Nearly every cow owner gets that increase with Cow Chow and Bulky-Las.

It costs about a dollar a month more to feed Checkerboard Chows, but that difference is more than made up in the first week. The rest of the month you get your extra milk for nothing. Feed out of the Checkerboard bag and you will get more milk.
