

Local Happenings

Earl Hallock left Tuesday morning for The Dalles where he assumes a position with the First National bank of that city. For the last seven years Mr. Hallock has been identified with the Farmers and Stockgrowers National bank of this city, the latter two years as cashier. Having spent his childhood days in Heppner, he is counted a native son, and while he leaves to join a larger institution, it is with regret that his many friends here look upon his departure, at the same time wishing him success in the broader field. Mr. Hallock's departure leaves a vacancy in many public enterprises that will not be readily filled.

Kenneth (Red) Denman of Corvallis and Miss Margaret Bolt, teacher of French in Pendleton high school, were week-end guests at the home of Mr. and Mrs. J. O. Turner, returning to Pendleton on Sunday evening. Mr. Denman was in the class graduating from Willamette university law department the past summer with Mr. Turner.

Jay Hiatt returned from Portland Tuesday where he took a truck load of turkeys. Jay has about 800 birds this season, and many mighty fine ones. He is somewhat disappointed in the market, however, finding it at 22 cents the pound for number one and 15 cents for number two birds on this trip.

The missionary society of the Methodist church will hold their regular meeting in the church parlors next Tuesday afternoon at the usual hour. A playlet entitled "The Thrill of the Uninteresting" will be given as one number of the afternoon's program.

E. J. Evans of Lexington reports wheat coming along fine at his ranch, the grain being well rooted and an even stand. Showers of this week have also proved beneficial. Mr. Evans was looking after business in Heppner on Saturday.

The Methodist Aid society will have a cooked food sale on Tuesday, Nov. 25, beginning at 2 o'clock p. m., at the corner room in Case apartment building. Needlework will also be on sale at this time.

Giant Bronze Turkeys for Sale—May hatched toms; 17th of Oct. weigh 21 lbs. Also young hens at reasonable prices if taken before Nov. 20. Cora Burroughs, Ione, Ore. 33-36.

For Sale—15 head of Jersey cows and heifers, some fresh now, all fresh by next spring. Will sell one or all. Daisy Butler, Willows, Ore. 35-38p.

Mr. and Mrs. Guy Boyer of Monument were in Heppner for a short time on Tuesday.

Ralph Butler was in the city on Wednesday from the ranch down Cecil way. He reports everything coming along well on lower Willow creek, the fall weather conditions having been ideal.

Oscar Peterson of Ione was among other Ione folks in this city on Saturday, spending a few hours here while attending to matters of business.

Get Your Mammoth Bronze Turkeys—hens and toms for breeding purposes; Ben Hunting strain—from Mrs. W. R. Corley, Ione. 35-38.

Mr. and Mrs. Foster Collins were Hardman folks in the city for a short time on Saturday.

IRRIGON

Mr. Walpole who has been visiting his son at Linn, Wash., for some time arrived home Monday for a short stay.

As a result of the town election F. Leicht was elected constable and Hugh Grimm, justice of the peace.

Roscoe Williams made a trip to Heppner Wednesday to take results of election. Irrigon, the last precinct to report, put Julius Meier ahead in the race in Morrow county. Before its report he was three votes behind.

Christian Marshal from Forest Grove visited over Saturday and Sunday with his cousin, Mrs. Harvey Warner. He was accompanied by a friend, Paul Hatch, who has charge of the power plant at Boardman.

Mr. and Mrs. Rose and family of Boardman have moved to the George Hux place which they have leased for the coming year. One daughter is a freshman in high school and one son is in the seventh grade. We are glad to welcome them into our social and educational activities.

A new family of Browns has taken up their residence on the Bill Barker place.

The county road work came to an end Wednesday with only nineteen days work accomplished by the regular taxpayers. In view of the fact that more than \$1000 was allowed by the special vote last year on taxable property, this came as a surprise that so small an amount was left to be worked out this fall, at the regular road work season.

The board of directors of the West Extension Irrigation district will accept sealed offers for the purchase of certain water right lands within the district, which bids will be opened on Tuesday at the district office. Anyone wishing further particulars may inquire of A. C. Houghton, secretary of the district at Irrigon.

The Home Economics club ladies spent Thursday afternoon at the

home of Mrs. Bert Dexter. There was an unusually large attendance and a pleasant social time was had. Mrs. Dexter has been confined to her bed for the past eight weeks with a broken ankle and is improving very slowly. The visiting members served refreshments at a late hour after which they returned to their homes, wishing their hostess a rapid and complete recovery.

Mr. and Mrs. Vernon Jones were Hermiston visitors Friday.

Mrs. O. Coryell and Mrs. Henry Weir motored to Hermiston Thursday for medical treatment for Mrs. Weir who in some way had sprained her ankle.

Mr. and Mrs. Fred Markham made a business trip to Pendleton Friday.

Mr. and Mrs. Carl Haddox were week-end visitors at the Charles Benefield home.

Mr. Brownell stopped over a short time with his daughter, Mrs. Wilbur Stever, Thursday, on his way from Portland to Imbler.

Dr. Poling from Oregon State college gave a short but interesting talk at the high school Friday afternoon to quite a large crowd. Dr. Poling touched upon the value of community cooperation, both by Grange and school, also taking a few minutes for community singing. Dr. Poling is a wonderful pianist and every moment was profitably spent by those present. The high school band which was in full uniform, gave several selections and was highly complimented by Dr. Poling.

The Grange dance given Friday evening was a real success. A large crowd attended from Boardman, Umatilla and other points. Splendid order was maintained. Music was excellent and the supper served by the Home Economics club was praised very highly. Come again the 28th of October. Everyone welcome.

Mrs. John Smith and sons John and Robert motored to Portland Friday for a short visit with Mrs. Smith's daughter, Mrs. Hazel Norcross.

An enjoyable Christian Endeavor meeting is held every Sunday evening at the community church. All are invited to attend.

Mr. and Mrs. R. Jones of Yakima, Wash., visited several days last week in the home of their nephew, Vernon Jones.

TO THE PARENTS OF CHILDREN:

Since the right of having your children's welfare as to health, certified by your family physician has been questioned in the county court session of November 5th, it should be of interest to all to know that Dr. A. B. Gray was present the next day, Nov. 6th, in open court, and was asked as to his opinion as "County Physician," that should a parent take their child to their family physician, and the physician should sign a request to the school authorities to have the child excused from such games as basketball, baseball, football or other strenu-

ous exercise, should such a request be enforced?"

Dr. Gray, after remarking that he thought he understood the import of the question, and after stating in a clear, forceful, impartial manner, his reasons for such an opinion, said the child should not play or engage in the forbidden exercise prohibited by such written request of the family physician, although another physician should disagree with the diagnosis, "for the welfare of the child should maintain."

This should put an end to all disregard of your family physician and all teachers and superintendents of public instruction should take notice.

(signed) DR. J. PERRY CONDER. (Paid Adv.)
