THE WHEAT LEAGUE COMES.

A PRACTICAL business organization, designed to help wheatmen of eastern Oregon to unite...

Next Thursday the annual three-day conference of the league will open in Heppner. Fortunately, indeed, is this city in drawing the noted array of speaking talent...

As manager of the Farmers National Grain corporation, George S. Minor's every move is being scrutinized with intense interest by buyers and sellers of wheat alike.

the largest single agency in the wheat marketing business in the world today.

Russia, with immense potentialities, is a little known quantity to the outside world, and because of this is alarming wheat growers...

But while Heppner is being placed in a position to receive favorable publicity by the conference here, this is a small benefit compared with the greater returns that should accrue to the entire section.

THE BLUE RIBBON OF COOKING.

SAM H. THOMPSON, President of the American Farm Bureau Federation, has awarded the title of "Culinary Champion" to Mrs. M. L. Friese of Redwood Falls, Minnesota.

Mrs. Friese won the first prize offered by the Federation for the best Thanksgiving dinner menu, in competition with some 500 other farm women in every part of the United States.

Mrs. Friese, we salute you! We've never met you, but we admire you. We admire anybody who can think up, let alone cook, such a dinner as the one for which you won the Farm Bureau prize.

for her money if they had entered the Farm Bureau contest. In fact, we know several ladies who, in our humble judgment, can make a cook-stove perform more miracles than Edison ever dreamed of.

There was turkey, of course. Can't have a real Thanksgiving dinner without turkey—with parsley dressing and giblet sauce. And cranberry ice and glazed sweet potatoes and mince pie and pumpkin pie, besides all the other vegetables and "fixings" that go to make up a genuine old-fashioned Thanksgiving dinner.

What we were starting out to say is that with all the new-fangled notions about balanced meals and reducing diets and vitamins and calories and such-like, we had been wondering whether the art of cooking wasn't becoming a lost art, outside of the homes of those ladies we not, praise be!

FAIRM BOYS AND GIRLS.

THERE is only one thing about the annual gathering of 4-H Club boys and girls at the National Livestock Exposition that ought to be different. That is the fact that all of the city folks in the United States can't go to Chicago this week and see the kind of young folks the farms of America are bringing up today.

If we had our way about running this 4-H club affair, we'd arrange to pull off an exhibit of city youngsters at the same time and place and invite all of the cocktail-drinking city smart-Alecs, cigarette-smoking "society" women and snooty "modern" critics of everything that is sound and wholesome in America to come and compare the two groups.

Our money would be down on the 4-H boys and girls.

Seriously, we feel that there is nothing whatever to worry about concerning the future of the United States, much less the future of American rural life, so long as the farms of the nation continue to produce young men and young women of the types which make up the 4-H clubs.

The country districts of the United States can challenge the cities to no comparable movement in the cities looking toward development of the qualities of Hand, Heart, Head and Health which are the four "H's" of the 4-H clubs.
