**"GO TO CHURCH."**

Church of Christ.  
JOEL R. BENTON, Minister.  
Bible School, 9:45 A. M.  
Morning Worship, 11 o'clock.  
Christian Endeavor, 6:30 P. M.  
Evening Worship, 7:30 o'clock.  
Hear the young people's choir.  
Herewith, the Heppner Church of Christ has the privilege of calling

your attention to "Nine Points on Church Going," by the late Theodore Roosevelt. Read them carefully:

1. In this actual world, a churchless community, a community where men have abandoned and scoffed at their religious needs, is a community on the rapid down grade.

2. Church work and church attendance mean the cultivation of the habit of feeling some responsibility for others.

3. There are enough holidays for most of us. Sundays differ from other holidays in the fact that there are fifty-two of them every year—therefore, on Sundays, GO TO CHURCH!

4. Yes, I know all the excuses. I know that one can worship the Creator in a grove of trees, or by a running brook, or in a man's own house, just as well as in a church. BUT, I also know as a matter of fact, that the average man DOES NOT so worship.

5. He may not hear a good sermon. He will hear a sermon by a good man who, with his good wife, is engaged all the week in making hard lives a little easier.

6. He will listen to and take part in reading some beautiful passages from the Bible. And if he is not familiar with the Bible, he has suffered a distinct loss.

7. He will take part in singing some good hymns.

8. He will meet and nod or speak to, good, quiet neighbors. He will come away feeling a little more charitable toward all the world, even toward those excessively foolish young men who regard church-going as a soft performance.

9. I advocate a man's joining in church work for the sake of showing his faith by his works.

And so, in line with this pronouncement, by one of our greatest Presidents, the Heppner Church of

Christ invites you to COME TO CHURCH, next Sunday and every Sunday!

At the hour of morning worship, the sermon subject will be: "A Plea for Christ." For the evening worship, the sermon subject will be: "What Church Did Jesus Establish?" Come, we invite you! "I was glad when they said unto me: Let us go into the House of the Lord." Ps. 122-1.

thing I ate caused nervous indigestion; my kidneys were over-active; and my ankles would sometimes swell badly. Four bottles of this remarkable Sargon completely overcame my troubles! I have gained six pounds, my color is clear and healthy, and instead of feeling tired and sluggish, I have an abundance of vitality. Sargon Pills had a wonderful effect on my liver and relieved my constipation entirely without the least upsetting effect. Sargon is simply wonderful."
