WATER METER RATES GO INTO USE JUNE 1

Check Shows Leaks Cause Heavy Loss; Patrons to Be Notified.

2 ORDINANCES READ

Enforcement of Stop Signs, Ban on Air Rifles, Aim of Statutes Considered by Council.

Heppner's water will be sold on a meter rate beginning June first. This was the decision of the city council Monday evening, though what the new rates will be was not announced. Gay M. Anderson, D. T. Goodman and Jeff Jones are councilmen on the committee that has been working for several months in an effort to determine the new rates, and their final report will be made and the rates adopted at a meeting of the council May 18.

One certain thing, brought out at the meeting by W. E. Pruyon, watermaster, is that many leaks will need to be fixed if some property holders do not have to pay for much more water than they actually use. Mr. Pruyon has been keeping a check on the reading of the meters since their installation and has found the amounts of water going through the meters to residences to vary all the way from a normal amount, 2000 to 5000 gallons, up to as high as 112,000 gallons. Where the extremely large amount was found an investigation was made and a leaky "stop and waste" valve was uncovered which was responsible for the major portion of the flow.

Notice to be Given.
The watermaster has kept a list of all exceptionally high meter readings which might indicate leaks, and will notify the people served through these meters in time for them to get the leaks stopped before the new rates go into effect.

Handbills to announce the time for changing to the new rate basis were authorized by the council to be distributed to all water users of the city.

The question of how much water might be used in an hour's time if, as in the case of irrigating, the full flow of the service lead were used, was asked, and Mr. Pruyon said that he would try and determine the average for the city. He said that the amount would vary with the varying pressure at different levels, and that naturally there would not be as much water going through the service leads to residences on the higher levels as there would be to those lower down. Normal requirements for the average family for domestic use range from 2500 to 5000 gallons a month, depending on the size of the family. The rate committee was of the opinion some time ago that a liberal amount of water should be allowed for the minimum charge, whatever it might be.

Pay for Fence at Well.
Two ordinances were read in full and passed to second reading by title for final passage or rejection by the council at its next regular meeting. One provides for enforcement of stop signs within the city, and the other would prohibit shooting of air rifles within the city limits. Penalties are provided for the violation of the ordinances.

Bills allowed at the meeting included charges for placing the new fence about the property of the city at the artisan's well. The council expressed satisfaction with the job at the price for which it was done, it being announced that the fence, painted white, lends to the attractiveness of the site. It was also reported that the trees recently planted at the well are making progress with the exception of the mulberry trees, the latter said to have been eaten out by sheep.

The matter of vacating portions of streets, recently applied for by the American Legion, the land to be used in making a public park and playground, will be taken up at the mid-month meeting of the council May 18.

Joint Meeting 4-H Clubs Held at Gooseberry School

Club members and parents totaling 137 gathered at the Gooseberry schoolhouse Sunday for an all-day meeting and picnic. Represented were the Olex Calf club, Ione Calf club, Cecil Calf club, Ione Poultry club, and Ione Sheep club. The meeting was one of the most successful of its kind yet held, reports C. W. Smith, county agent.

An educational program consisting of demonstrations and practice stock judging was given. A picnic lunch and games added enjoyment. Leaders present were Mrs. H. E. Cool and Mrs. Arthur Lundell of Ione, and Frank Childs of Olex. Plans were set for the same clubs to hold a joint meeting at the Cool farm on June 7, and another at the Childs farm on Shutter at a later date.

LAST P. T. A. MEETING SET.
The last meeting of the Heppner Parent-Teachers association for the school year will be held next Thursday afternoon at the school, it is announced. Pupils of the first grade will present the program.

Heavy Rain Storm Hits All Over County Friday

The rain storm Friday evening reached the proportions of a cloudburst on Rhea creek, the heavy downpour striking in the vicinity of the Wright Bros. ranch. In no time at all the creek was out over its banks in many places, but no serious damage resulted, and the ranchers from that point down were furnished with additional irrigation water. As a result of the flooding of Willow and Rhea creeks, the alfalfa fields on lower Willow creek were freshened to a point beyond Cecil. The Garnet Barratt ranch just east of town got the force of the storm that fell in the vicinity of Heppner, and Mr. Barratt reports that the storm also struck heavily at their Sand Hollow place. Hinton creek came up very suddenly, and the shearer at work for Mr. Barratt had their camp washed out. There was also a lot of water got out of bounds and flooded a portion of the lower alfalfa fields which did more good than harm, Mr. Barratt thinks.

The storm was freakish and failed to reach farther up Hinton creek than just beyond the Barratt ranch and missed Butter creek entirely, so the reports say. Here and there some rock was washed over the highway but no serious damage was done roads generally. One very satisfactory feature of the storm was that nearly every portion of the wheat belt enjoyed a steady rain of some two hours duration, thus restoring to the fields some of the moisture blown out by the east wind of the week previous.

LOCAL NEWS

Mr. and Mrs. Paul Marble and family motored to Yakima Sunday, where Mrs. Marble took stage for Seattle to spend a short time visiting with her sister residing there. Mr. Marble and son returned home and are "batching it" during the absence of Mrs. Marble. The recent big wind did a lot of damage to orchards and property in portions of the Yakima valley, Mr. Marble reports.

Mr. and Mrs. Lester Doolittle and children visited at the home of Mrs. Doolittle's brother, Walter Rood, at Hermiston the end of the week. Mr. Rood is on the project down here and suffered a lot of damage to his on-coming garden by the recent big wind.

L. Van Marter and family, Ed Bennett and family and D. A. Wilson and family were Heppner folks who motored to Celilo Sunday. The men enjoyed fishing for salmon over the falls, and some good catches are reported.

BEYOND VICTORY—with Bill Boyd, Star Theater—Sunday-Monday.
Harry Turner and wife of Sand Hollow visited relatives at Condon Sunday. Returning they were accompanied by Mrs. J. C. Sharpe who is visiting this week with relatives and friends in this community.

Miss Ruth Dinges of Lexington visited Heppner for a short while this morning. She will leave today for Portland and then go on to Eugene for the Junior week end festivities at the University of Oregon.

Mr. and Mrs. Edward Chinn are entertaining their numerous friends with an old fashioned party and reception at the Episcopal parish house this evening, being assisted by the ladies of the church.

The Humphreys Drug company store is being brightened this week with some interior decorating in the shape of new paint on walls and ceiling. Frank Roberts is doing the work.

J. T. Ayers, pioneer resident of Pine City, was up to Heppner on Monday, spending a few hours here while attending to business matters.

Mr. and Mrs. A. J. Chaffee visited Pasco Sunday, being called there by the serious illness of E. N. Routh, father of Mrs. Chaffee.

Mr. and Mrs. Eliza Vinson were in the city Tuesday from their home on Little Butter creek.

David Rietmann, farmer of Ione, was transacting business here Monday.

A film achievement—BEYOND VICTORY—Star Theater—Sunday and Monday.

"American Music" Theme Of Woman's Study Club
"American Music" is the topic for discussion by the Woman's Study club at its meeting Monday evening at American Legion hall. The discussion will be conducted in three divisions.

Mrs. W. P. Mahoney will discuss "What is Being Done to Advance Music in America," Mrs. Russell Pratt will tell of "Music and the Radio," and Mrs. T. J. Humphreys will talk on "American Composers." Musical numbers will include a piano duet by Miss Jeanette Turner and Mrs. William Poulson, and music by the American Legion Auxiliary trio.

STATE EXAMS SET.
State eighth grade examinations will be held in the various schools of the county May 14 and 15, announces Lucy E. Rodgers, county school superintendent. Those who fail in not more than one major subject will be given another chance to pass the examinations on June 4 and 5. Those who fail in two major subjects will be required to review the entire eighth grade work.

Bill Boyd in **BEYOND VICTORY** at Star Theater, Sunday-Monday.

CROW-MAGPIE WAR GETS GRANGE AID

Boys Collect 1900 Eggs; Proposal Told Lions of Plan to Divert Cooperative Road Money.

Progress of plans for the annual war on crows and magpies was the main topic for discussion at the Lions club meeting Monday. That the Lions club contest had not been organized, was announced, due to the absence in Portland of Dr. A. D. McMurdo, team captain. Plenty of time yet remains to get the contest under way as birds are still nesting, said E. E. Patterson, chairman of the crow-magpie committee. Nineteen hundred bird eggs have so far been brought in by boys for bounty money, indicating that inroads are being made into the predatory bird population. The number is far ahead of the eggs brought in by the same time last year, Mr. Patterson said.

C. W. Smith, vice-president, in the chair, said that Rhea Creek grange had organized a campaign with Oran Wright and B. O. Anderson as team captains, their campaign to run for two weeks. Lions decided that juvenile grange members participating in the contest might bring their birds and eggs in for the Lions club bounty after they have been counted in the contest. Mr. Smith announced also that the grange was sponsoring an old-time fiddlers' contest, the winner of which will compete in a county-wide contest sponsored later by the Lions in Heppner. It was also said that Wilcox grange had organized in a campaign against crows and magpies.

Birds killed and eggs collected in the north end of the county are being taken into Arlington for the Sportsmen's association, it was said.

Another matter taken into consideration by the club was the proposal to have the county divert funds, budgeted for cooperation with the government in forest road work, to a non-cooperative road, as the government has announced no money is available for cooperative work with counties this year. It was proposed to spend the money on the road leading from the new Barker mill on Rhea creek which, it was said, is preparing to turn out a large amount of lumber. It was also said that the Barker mill people are seriously considering erection of a box factory in Heppner, an enterprise which some of the Lions said should have encouragement. The question was raised, however, as to whether it were possible for the county to divert the funds as proposed. The amount would be insufficient to make a standard county road, but would do enough work to make the road passable, it was believed. It was said that the Barker people had offered to give the lumber for the erection of a needed bridge if the county would do the work.

Mrs. Ed Piercy obliged the club with a song that was well received. Mrs. William Poulson playing the accompaniment.

MRS. J. D. BAUMAN CALLED TO REST

Native of Ohio, Had Lived in This Community 19 Years; Active in Community Affairs.

Mrs. J. D. Bauman passed away at the family home in this city at 6:15 o'clock Wednesday afternoon, May 6, following an illness of several months duration. Funeral services will be held at Masonic temple at 2:00 o'clock p. m., Friday, June 8, under the auspices of Ruth Chapter No. 32, O. E. S., assisted by Rev. Glen P. White, pastor of the Methodist church, and interment following in Masonic cemetery.

Mrs. Bauman was a native of the state of Ohio, born at Galin, June 9, 1865. With her husband she has been a resident of this community for the past 19 years, a greater portion of the time on the Bauman farm six miles northwest of Heppner, and coming to this city some three years ago. She is survived by her husband, two sons and three daughters, these being Harvey Bauman, Clarence Bauman, of Heppner, Mrs. H. L. Writer of Olympia, Wash., Mrs. Helen Christenson of Heppner and Mrs. Edna Lyons of Portland. All members of the family were permitted to be at the bedside of their mother when she passed away. Mrs. Bauman was an active member of Ruth Chapter, and of Heppner Unit American Legion Auxiliary, being president of the latter organization this year. She was a woman greatly beloved by all in this community whose privilege it was to know her.

EDITOR TO SPEAK.
E. B. Aldrich, editor of the Pendleton East Oregonian, has accepted an invitation to address the Heppner Lions club at its meeting next Monday on the "Cook Wheat Plan." Mr. Aldrich and Mr. Dunning, circulation manager, will make the trip over together and while in the county will visit the test hole being drilled for gas and oil at Wells Springs.

The picture with a soul—BEYOND VICTORY—Star Theater—Sunday and Monday.

BAD SIXTH INNING IS LOCALS' UNDOING

Condon Takes Game 19-6; Home Boys Tie Score in Fifth Round.

CIRCUIT CLOUT MADE

Ashenfelter Hits Over Right Field Fence; Bevy of Errors Makes Fray Hectic.

Condon took the lead from the first inning in the hectic baseball game against the locals of Rodeo field Sunday and were never headed, though Heppner tied up the score in the fifth at 5-1 and the affair had the appearance for a time of being a ball game. The final count was 19-6.

Taking off with a run each in the first and second innings, Condon's lead appeared secure when Ashenfelter knocked a circuit clout over the right field fence, scoring J. Baker and Smith ahead of him. Heppner worked in a run in the second, and came through with three more in the third when Wilcox led the way by taking one of Baker's de-liveries in the ribs, succeeded by singles of Harold Gentry and Moore, Turner's high sacrifice fly and a muffed grounder by Hess at short. Wilcox made the tying score in the fourth when he took first on a fielder's choice, and scored on a passed ball after stealing second and third.

Robertson relieved Wilcox on the mound in the fourth, and was faced by only six batsmen in the next two innings. Then the sixth rolled around and Condon's lead was made perfectly secure on the annexation of seven runs. Ashenfelter led off with a clean single. Gentry made a bad throw on Hollen's grounder and the bases were loaded when R. Burns singled. Hess fanned, but Anderson scored Ashenfelter and Hollen on a clean blow. Moore failed to judge S. Baker's fly and Burns scored. J. Baker walked to again fill the bases. Then J. Burns placed a high fly back of second base, and everybody scored, himself included, in the wild throwing melee that followed. Smith walked, and the blow-up was finally ended when Correll caught Ashenfelter's high foul, and Robertson took Hollen's grounder for an easy throw-out at first.

Heppner and Condon each worked across four more runs in the remaining innings, but Condon's seven-run margin was not jeopardized. Next Sunday Heppner journeys to Condon to engage the Wheatland league leaders again, and hope to give a better account of themselves.

Box score and summary:

Heppner	9	AB	R	H	O	A	E
H. Gentry, r	4	2	5	2	2	2	0
Sherr, c	2	0	0	0	0	0	0

Umpires, C. Moore and Boesquet; scorer, F. J. Doherty; earned runs, Condon 8 Heppner 1; first base on balls, off Wilcox 1 off Robertson 2 off Baker 1; left on bases, Condon 5 Heppner 4; first base on errors, Condon 6 Heppner 4; two base errors, Cason, Ashenfelter; home run, Ashenfelter; hit by pitcher, Wilcox by Baker.

Former Heppner Child Hit by Truck and Killed

Word received here Monday by Mr. and Mrs. Adam Knoblock told of the death of Thelma Fuller, 12, years old, adopted daughter of Guy Fuller, who a short time ago went with her mother to Porterville, Cal. The report is that the girl was riding a bicycle on the highway when two heavy trucks with trailers came along. She apparently became confused, and the one truck, to avoid hitting her, left the highway, but the girl plunged into the machine and was instantly killed.

The accident happened Monday morning, and the relatives here were notified at once, these being her brother, Kenneth, and Mr. and Mrs. Adam Knoblock. The girl left Heppner with her mother about a month ago.

J. G. Barratt, exalted ruler, will deliver the "Tribute to Mother," and solos will be sung by Mrs. Ed Pierce, Mrs. R. B. Ferguson, Miss Mary Moore and Miss Lela Hiatt. The public is extended a cordial invitation to attend.

MRS. PETTEYS DIES AT HOME IN IONE

Was Among Early Settlers on Willow Creek; Ione Loses to Arlington; News of the Week.

JENNIE E. McMURRAY.

Mrs. Katie Petteys died at her home on Willow creek at 8:45 a. m., Friday, May 1st. Funeral services were held at the Christian church in Ione Sunday afternoon, May 3rd, and interment was in the Petteys cemetery where four generations of the Petteys family have been laid to rest. The funeral sermon was by Rev. Joel Benton, pastor of the Christian church of Heppner, assisted by Rev. W. W. Head, pastor of the Congregational church of Ione. The singing was by Mr. and Mrs. Frank Turner of Heppner, with Mrs. Cleo Drake of Ione playing the accompaniment. Pall bearers were Walter Roberts, Victor Rietmann, Frank Lundell, Gene Engelmann, Joel Engelmann and Carlton Swanson. Case mortuary of Heppner had charge of the funeral arrangements.

Katie Petteys was born in Missouri April 15, 1855, thus being 76 years and 15 days of age at the time of her death. When a girl of eight years, in company with her parents, Mr. and Mrs. George Ganger, she crossed the plains by wagon on train, under the leadership of Captain Wolfe. The family settled first at Willapa, Washington, later coming to Morrow county in 1874 and making a home in the Willow creek valley just above the present town of Ione. In 1877 Katie Ganger became the wife of Emanuel C. Petteys. Mr. Petteys died in 1919. To this union ten children were born, seven of whom are living—George A., Albert O., Mrs. Frank Engelmann, Mrs. C. W. Swanson and Mrs. Fred Nicholson of Ione, Mrs. James Cossman of Eugene, and Mrs. Ernest Newton of South Bend, Washington. The deceased is also survived by one sister, Mrs. Carrie McConnell of Pendleton, and two brothers, George Ganger of Pendleton, and John Ganger of John Day.

Mrs. Petteys was a true pioneer mother, loved by all who knew her, a loyal friend to everyone, the profusion of beautiful flowers, and the large number of people present at the funeral service bespoke the high regard in which she was held. She was indeed "faithful unto death," and the text around which Rev. Benton built his funeral sermon was a fitting one. "Be thou faithful unto death, and I will give thee a crown of life."

Out of town relatives who were present at the funeral services of Mrs. Katie Petteys were Mrs. Ernest Newton and Mrs. Jalmer Koski of South Bend, Washington, Mrs. James Cossman of Eugene, Mrs. Esper Hanson and Gene Engelmann of Portland, George and Ed Ganger, Mrs. Edna Crum and Mrs. Robert Ganger of John Day, Mr. and Mrs. George Ganger, Sr., Mr. and Mrs. Will Ganger and children, Mrs. Carrie McNeil, Mr. and Mrs. O. L. Sparks and son, Mr. and Mrs. B. Sparks, Jack Sparks, Mrs. John Muir and Arthur Ganger of Pendleton. Following the funeral service at the cemetery the relatives gathered at the old Petteys home for the evening meal. Thirty-nine were present.

Sunday evening Jalmer Koski arrived in Ione, having motored over from his home in South Bend, Wn. He plans on returning the latter part of the week and will be accompanied by Mrs. Newton, and by Mrs. Koski who has been spending some time in Ione.

Mr. and Mrs. Charley Botts have received information of the death of their son-in-law, Charley Collins. Mr. Collins, aged 30 years, died on Wednesday, April 29. His death was caused by pneumonia following an illness of only three days. On April 15 Mr. Collins had been transferred by his company from his home in Oklahoma to Dallas, Texas. He was taken suddenly ill and before Mrs. Collins could reach him he had passed away. Two weeks from the day he left Oklahoma his body was shipped back to Covington for burial. A gentleman friend who accompanied him on the trip, died at the same time, also from pneumonia, and both bodies were shipped back together. Mr. and Mrs. Collins have been living in Oklahoma for the past two years. Prior to that time they made their home in Ione where Mr. Collins had employment with John Bryson. They have many friends here. Bert Botts left Monday for Oklahoma and will return to Ione with his sister, making the trip by auto.

The illustrated address which Miss Lucy Case made, Friday evening was very interesting and instructive. We are sorry that more people were not present to hear her talk and see the films. During her program, Miss Case presented 4-H pins to Miss Hildegarde Williams, leader of the Ione club, and to Annabelle McCabe, Wilona Ritchie, Shirley Larson, Maxine McCurdy, Bertha Akers, Sibyl Howell, Bernice Ring, Genevieve Ball, Vivian Ball, Betty Bergvin, Valjean Clark and Helen Lundell, members of the club.

Charlotte Bottmiller, daughter of Mr. and Mrs. Henry Bottmiller, and Walton Young, son of Mr. and Mrs. Frank Young of Eight Mile, were married at the home of the bride's parents in Gilliam county Saturday, May 2nd, at high noon.

(Continued on Page Six.)

Forest Force for Season, Telephone Service, Cited

By F. F. WEHMEYER, District Ranger.

At elevations of 5,000 feet and up, there still remains considerable snow in the densely timbered north slopes. This snow varies in depth but will average close to two feet and is almost the consistency of ice.

Considerable damage was done to the mountain roads by the violent spring storms, some washing and considerable blow down of timber. It is expected that the telephone lines and most of the roads will be in serviceable condition by the last of May.

The tentative line-up for the forest protective force for this year is as follows:
K. P. Bleakman, Hardman, Tupper ranger station, guard; C. B. Wilcox, Lexington, Tamarack Mt. lookout-fireman; B. P. Bleakman, Hardman, Ditch Creek ranger station, guard; Gerald Swaggart, Heppner, Collins Butte, lookout-fireman; E. A. Hinton, Ukiah, Ellis ranger station, guard, fire truck driver; M. R. Saling, Hardman, Bull Prairie ranger station, lookout, fireman; M. N. Mulligan, Heppner, Arbuckle Mt., lookout; R. W. Flournoy, Windrop, Wn. Madison Butte, lookout; Ethel Bleakman, Hardman, Tupper ranger station, telephone central; C. B. Bisbee, Spray, improvement foreman; Fred B. Ramsay, Ukiah, Ellis ranger station, assistant ranger; Fred F. Wehmyer, Heppner, Opal ranger station, ranger.

The forest telephone lines for the Heppner district, extend from Ukiah to the Notch prairie on the summit of the Lonerock-Winlock road, where they connect with lines going to Fossil, Kinzua and Condon. A state forest patrolman is located at the Notch. Side lines operated by the government lead to the Cow Camp headquarters for the Five Mile Cattle and Horse association range, Arbuckle lookout, Arbuckle corral at Boiler camp, Heppner, Skookum ranger station, Red Hill lookout, Madison Butte lookout, Parkers Mill, where the line connects with private lines to Hardman and where the state maintains another forest patrolman; Opal ranger station, White Tail Butte lookout, Grassy Butte lookout, Tamarack Mt. lookout, Bisbee ranch where the line connects with the Blue Mt. Toll lines which cover the larger part of the John Day country, with lines to Canyon City, Monument, Mitchell, Spray and Fossil, Collins Butte lookout, and Wheeler Point lookout. On the main line are Ellis ranger station, Ditch creek ranger station, Tupper ranger station, Bull Prairie ranger station, Dixon ranger station and Long Prairie ranger station. For the convenience of the public it is expected to maintain a telephone at the Coal Mine hill and one on the Monument road and later there will be one at Fairview campgrounds on the Heppner-Spray highway.

These lines and phones are established primarily for forest protection, but the public is welcome to their use any time for business purposes; they should, however, be concise and brief. In our own organization we have strict orders against rubbering and visiting is confined to hours after 7 p. m. Fire calls and fire protection business take precedence so don't feel hurt if you are asked to give up the line temporarily, should you have it in use. Feel free to call for help or information at any station at any time. You will find the men courteous and anxious to extend every aid possible.

Heppner Elks to Migrate To Arlington on May 16th

Arlington members of Heppner Lodge No. 358, B. P. O. Elks, will be hosts to the home lodge and a number of invited lodges for the annual spring pilgrimage of Heppner lodge on May 16. Extensive preparations for the occasion have been made at Arlington and it is expected the event will be outstanding among lodge pilgrimages, says D. T. Goodman, secretary. Both afternoon and evening meetings will be held with a number of entertainment features including banquet and ball in the evening.

The Walla Walla degree team and orchestra, holding an enviable reputation among Elks lodges of the section, will be on hand. Special invitations were given the lodges at the Dallas and Pendleton and it is expected large delegations will be on hand from each. A special feature of the afternoon will be entertainment for ladies of Elks who attend.

Baccalaureate Service For Graduates Sunday

Dr. Thomas Yarnes, Methodist minister of Salem, will deliver the baccalaureate address to the graduating class of Heppner high school at the school auditorium next Sunday evening. The program for the service follows:
Processional (G. W. Warren), senior class; invocation. Rev. Mr. Yarnes; "Lift Thine Eyes" (Mendelssohn), trio, Lola Hiatt, Jeanette Turner, Nancy Cox; sermon, Rev. Mr. Yarnes; "Unfold Ye Portals" (Gounod), combined glee club; benediction, Rev. G. P. White; recessional (G. W. Warren), senior class.

Commencement exercises, with Dr. Arnold Bennett Hall, president of the University of Oregon, as the speaker, will be held Friday evening, May 15, the closing day of school.

CHILDREN FEATURE HEALTH DAY SHOW

Parade and Athletic Meet Draw Crowd to City. All County Interested.

MAYPOLE IS WOUND

Health Foods, Cleanliness Depicted; Heppner Wins Loving Cup; Other Schools Take Ribbon Awards.

Morrow county's health consciousness was stimulated Saturday by the exercises staged in Heppner in observance of Child Health day. At 1:30 o'clock Main street was lined with an expectant throng, in the bright sunlight of a perfect May afternoon, awaiting the exhibition of school children in parade. The parade, climaxed by winding of varnished ribbons about the Maypole by comely girls clad in frocks corresponding in color to the ribbons held, was followed by the Morrow County Grade School Boys' Athletic meet at Rodeo field.

Florets and children afoot in the parade featured health adjuncts. Leading were a group of youngsters from the Cecil school on foot, using a drum, jews harp and mouth organ as noisemakers and carrying large scrub brushes on strings to advertise tooth-cleansing. Miss Constance Bork, teacher, arranged the skit. Outstanding in color and number of children was the Ione grade school entry, featuring vegetables as health foods and King Milk. Milk was featured also by floats of the Strawberry and Davis schools. The first, under the supervision of Miss Nora McDavid, teacher, displayed a well from which milk was dipped and about which was a group of kiddies drinking, while atop the truck cab a stately father imbued from the white contents of a milk bottle. The Davis float portrayed an immense milk bottle about which the pupils and teacher, Miss Audrey Beymer, were grouped.

Different Schools Have Part.
Cleanliness was the motif of the Rood canyon entry, displaying the little Dutch girl, so familiar in connection with a popular cleanser, Miss Mae Doherty is the Rood canyon teacher. Pleasant Point, in charge of Miss Lansdale, teacher, featured milk, and Liberty school, Miss Evangeline Phillips, teacher, featured cleanliness. Miss Velma Huston, teacher of the Golden West school, led her pupils in setting-up exercises on the bed of a truck.

The Heppner school band furnished music to which the girls danced in winding the Maypole. Miss Juanita Leathers, Heppner grade teacher, was coach for the Maypole dance, and the girls participating were Ethel Hughes, Lydia Ulrich, Edith Barlow, Ella Oehlsgaucher, Olivia Baldwin, Helen Cunningham, Margaret Farley, Roseanna Farley, Naomi Furlong, Jesse French, Pauline Piercey, Francis Rugg, Katherine Healey, Irene Kilkenny and Mary Adkins.

Heppner stores contributed to a fund that was divided equally among the schools entering the parade, the money to be used for something for the school. Among stores contributing were Curran's, Central Market, P. P. & L. Co., J. C. Penney, Patterson & Son, Gonty's, Thomson Bros., Hughes and Hughes, Huston's, Wilson's, Gordon's and Hiatt & Dix.

Examinations Made.
A goodly number of children had dental examinations by Dr. Barr and physical examinations by Dr. Gray. The absence of Dr. McCrady and Dr. McMurdy from the city prevented some examinations.
More than 200 boys participated in the track and field meet, competing in weight classes and being scored on a point system. There were five different weight classes, and winners were determined by the greatest number of points won in a weight class in all events, and not by single events. Events included dashes, high and broad jumps, baseball throw and eight-pound shot-put. Individual ribbons were awarded first, second and third place winners in each weight class, a larger blue ribbon was awarded the school having the best group average in each weight class, and a loving cup was given the school averaging highest in all weight classes.

Winners Are Given.
Heppner, with 97 entrants, won the loving cup and ribbons in the 96-110 pound, and 111-125 pound classes. Lexington won the ribbon in the 60-80 pound class, and Ione claimed the ribbons in the 81-95 pound and unlimited classes. Individual winners were:
60-80 lb. class—Marion Rankin, Ione, first; Jimmy Ferguson, Heppner, second; LaMoyn Cox, Heppner, third.
81-95 lb. class—Jim Driscoll, Heppner, first; Joe Green, Heppner, second; Eugene Normoyle, Ione, third.
96-110 lb. class—Wm. Schwarz, Heppner, first; Billy Coehell, Heppner, second; Cleo Hiatt, Heppner, third.

Unlimited—Johnnie Hanna, Heppner, first; Carl Lindken, Ione, second; Floyd Jones, Heppner, third.
