

IONE

(Continued from First Page.)

Troge family was presented a beautiful photograph album filled with the names and kind wishes of their many Ione friends. Mr. and Mrs. Troge are moving to Clackamas. Their household goods were shipped out Monday.

Edison Morgan is moving this week into the Troge residence in upper Ione.

In the baseball game Sunday on the local field Ione won over Heppner by a score of 6-2. The batteries were, Heppner, Wilcox and Correll; Ione, Ritchie and Everson.

The thermometer in Ione registered 96 Saturday. The farmers report the wheat suffering for lack of moisture. Harvest operations will start much earlier than usual this season. Haying is already on through the valley.

Mr. and Mrs. Arthur Ries and five children of Toppenish, Wash., were Saturday night guests at the home of Mrs. Ries' mother, Mrs. Ella Davidson.

Mrs. Elmer Griffith and George and June visited from Saturday until Tuesday in Portland. Mr. Griffith and Katherine accompanied them as far as Arlington where they took train. Also going to Arlington was Mrs. P. J. Linn who enjoyed a short visit with her son, Thomas Griffith, and with his wife and two children who recently arrived from California.

Mrs. Elaine Blackwell was hostess to the Past Noble Grand club last Friday afternoon. Her guests were Mrs. Emil Swanson, Mrs. C. W. Swanson, Miss Lucille Bristow, Mrs. Alice McNabb, Mrs. Lee Howell and Mrs. Ernest Holiker. Home-made ice cream and cake were served by the genial hostess.

Tuesday evening, May 26, was social night at the Eastern Star meeting. All present report a most enjoyable time. The hostesses were Mrs. Ruth Mason, Mrs. Ruby Roberts and Mrs. Beulah Mankin.

Mr. and Mrs. Fred Buchanan and three sons made a business trip to Hermiston the middle of the week. Enroute they visited at Mr. Buchanan's father's home on Butter creek. Robert Buchanan has been on Butter creek for some time past, assisting his grandfather with the haying.

Mrs. Mary Rood of Portland spent last week in Ione and Heppner, looking after business matters. While in Ione she was the guest of her sister, Mrs. Henry Clark. Weekend guests at the Clark home were Sparks and two sons, Howard and Bobby, and Samuel Pomerantz, all of Portland.

Mr. and Mrs. Chas. Battersby started for Portland Friday evening, but when near Willows, burned out a bearing in their car and were forced to return to Ione. They had their car repaired Saturday and made the trip to the metropolis returning Sunday. On the return trip they were accompanied by Mrs. Battersby's mother, Mrs. Chas. Anderson, who will visit here for a month or more.

Mr. and Mrs. Louis Balsiger were called to Newberg Friday by the illness of Mrs. Balsiger's mother, Mrs. A. T. McNay. Mr. Balsiger came home Sunday and Mrs. Balsiger remained to help care for her mother.

Rev. W. W. Head preached a special sermon at the Congregational church Sunday morning. Two special vocal numbers by Mrs. V. W. Gardner of Hillsboro were greatly appreciated by the congregation.

Mrs. Harvey Ring and three children returned Sunday from Stanfield. They had been spending several weeks at the home of Mrs. Ring's parents, Mr. and Mrs. Mike Rowell.

Mrs. Rosa Jackson is happy to have as guests her daughter, Mrs. Floyd Sargent, and four grandchildren, to Kinzua. They motored over Saturday and will spend a week in Ione.

Mrs. Hal O. Ely and daughter Edith went to Portland Sunday and on Tuesday Miss Edith underwent an operation for the removal of tumor. She is recovering nicely. Mr. Ely joined his wife and daughter in Portland before the operation.

Four car loads of lambs were shipped from this branch Saturday night for the eastern market. Three cars were loaded at Heppner and one at Cecil. Two were owned by

Harlan McCurdy of Ione, one by C. W. McNamer of Heppner and one by Mrs. Margaret Farley of Heppner. Mr. McCurdy went with the stock.

Week-end guests at the Della Cozen home were Mrs. A. E. Reed and daughter, Miss Lorenz, from The Dalles. Mr. Reed who is a brother of Mrs. Cozen has had employment here for some time.

Mr. and Mrs. R. E. Harbison of Morgan have been enjoying a pleasant visit with their daughter, Mrs. V. W. Gardner of Hillsboro.

The regular school election of the Ione district will be held at the school house at 1:30 p. m., June 15. To be elected is one director for three years, one director for two years and a clerk for the term of one year. There will be the discussion of the budget and the vote on the proposition of levying a special district tax.

The Sunday night train out of Ione will be discontinued June 7. Truck service to handle mail and express is being substituted therefore.

W. H. A. Smith has returned to Ione after an absence of several months spent at the home of his son in Pendleton. Mr. Smith Sr. is with his son and daughter-in-law, Mr. and Mrs. Cole Smith.

Experimental Progress

What may prove a very important conference of fruit producers and shippers was held at the Eyerley airport Monday night of this week to consider the establishment of an experimental air-freight transport with headquarters here in Salem.

The plan of operation proposed is the transportation of fruits and vegetables delivering to the small jobbing centers west of the Mississippi river. The capacity of the transport planes will be approximately 3 tons. The probable cost is estimated at 5 cents per ton mile—a rate less than that charged by the American Railway Express company for transportation of similar produce via ten-ton refrigerators.

The required temperature furnished by ice in the refrigerator car is a free and natural element of the atmosphere in the altitude of the air routes. The initial experimental cargo will be limited in volume.

The state department of agriculture through director Max Gehlar called into the conference by its sponsors, took an active part in the consideration of the plans for this unique and progressive experiment in air-freight transportation.

Guernsey "Gaieteers" Celebrate The Oregon Guernsey Gaieteers event including the first tour into the southern part of the state is in progress this week. Among the counties visited are Lane, Douglas and Josephine. The "Gaieteers" will be fittingly entertained on the way by leading Guernsey breeders of the sections visited.

Feeding Grain More and more is heard the advice to market wheat and other grains through feeding it to livestock. Demonstrations have generally shown that in this way better prices may be obtained while soil fertility is increased.

Urgent Appeal "For the market, produce only infertile eggs. Use every possible means to keep their shells clean; gather them often; store in a cool place and pack with care," is the urgent appeal published by the May "Eggsaminer," the official organ of the Pacific Cooperative Poultry Producers.

Artichokes Artichokes are being marketed in Portland as a novelty crop from Lane county.

At Heppner CHURCHES

CHURCH OF CHRIST. "MIDDLE GROUND"

There are many people in these modern days who like to retain at least a semblance of Christianity, while at the same time (apparently) having at heart no use whatever for the things for which Christianity battles and stands; in every community!!

Some of them are affected with a smug self-sufficiency and a complacent self-satisfaction that would be amusing were it not so futile and silly. Others even go so far as to say (even the better than "well-off") that they do not align themselves with the Church because it is "too expensive." A man in a certain community refused to allow his son to become a member of the Church, but he did not hesitate to call on the Church for Christian burial when his son died. That is a very common occurrence.

Then this day in which we now live has developed a great class of folk who are very fond of saying: "No, I do not belong to the Church but neither do I belong to the sinners." As though there were some favored and easy "middle ground" wherein they were privileged to travel.

But it is when it comes time to stand up and be counted on either the side of CHRIST, or the side of SIN, that our self-satisfaction and our self-sufficiency is punctured, as a worn-out tire; and we try to take cover in the mirage of "middle ground."

But there is no "middle ground"; God's Word settles that for us all, for all time. In spite of all our assertions we ARE on one side or the other. None of our opinions or guesses will ever change that! If you have been putting off the time of decision, be sure there is no better time than NOW to decide for Christ and His Church. If you have not a church home, you are invited to come and worship with us. Come and begin the Lord's Day in our Bible school, and be here for the services of worship. The sermon topics for the coming Lord's Day are: for the morning worship, "Riches Thru Poverty," and for the evening worship, "In A Far Country." Come, you are invited. "He that is not with me is against me; and he that gathereth not with me is scattered."—Matt. 12:30.

Meat Consumption Changes

Market statistics show that the consumption of pork, beef and veal are declining in volume while the amount of lamb and mutton consumed is on the increase. Lamb and mutton show the largest gain in production also, the former having increased 50 per cent since 1922.

Livestock Show Scheduled

The twenty-third annual Eastern livestock show is scheduled for next Wednesday, Thursday and Friday, June 10, 11 and 12 at Union. Exhibits of beef cattle, horses, sheep and swine from over eastern Oregon will be shown. More than \$8000 in premiums will be awarded to winning stock.

Jerseydom Honored

The fourteenth annual Oregon Jersey jubilee is on this week. It is the annual "open house" week of the Jersey breeders of this state. The event was opened by the Clackamas County Jersey show at Canby on Monday, followed by the Marion county event at the state fair grounds on Tuesday and the Benton-Linn exhibit at Albany on Wednesday. The last three days will be featured by tours to the famous Jersey herds of Yamhill, Washington and Polk counties. Many of the finest animals of Jerseydom will

MAYOR OF MARK TWAIN'S HOME TOWN COMING TO CHAUTAUQUA

Morris Anderson, who was for three terms mayor of Hannibal, Missouri, Mark Twain's home town,

is one of the high lights of the coming Chautauqua program. Mr. Anderson is a football player who won his letter at the University of Missouri; a lawyer who has been prosecutor and judge in the juvenile court; a speaker who has spoken over two hundred times in his home town and is in demand on all sorts of occasions for miles around, and a citizen who is so much beloved by his fellow townsmen that he has three times been elected mayor.

He has absorbed a good deal of Mark Twain's cheerful philosophy and his lectures have an atmosphere of kindly wit and humor that makes them always interesting to hear. At the same time, he hasn't lost the old football fire that made him a terror to the opponents of the Missouri University team in the days when he played on it.

His two addresses are "Gold Bricks" which he will give in the afternoon, and "Hit That Line," his address at night.

Mr. Anderson speaks both afternoon and evening on the fourth day and to all lovers of the spoken word he will be a real treat.

Youngsters Will Have Big Time at Chautauqua

The coming Chautauqua offers a brand new program of activities for the boys and girls of the community again this year. The Chautauqua will have a lady superintendent who is particularly trained in providing good times for the boys and girls. There will be a parade and picnic and on the last afternoon of Chautauqua, there will be a demonstration of some of the games and stunts that the boys and girls of the community are particularly adept in.

The Junior Town organization will be perfected again this year, with the Mayor and all city officers elected by the boys and girls to run their affairs during the week.

Horses have always been used during the eras of cheap farm products and unless prices advance, unquestionably many farmers will go back to horses. Before the advent of the tractor, the truck and the automobile, one-fourth of our total farm acreage was devoted to the raising of horse feed. Gas motorization is really part of what is wrong with agriculture. Some day we will have a farm tractor or motor that will run with some product that comes from the distillation of our farm surplus or wastes. Unless we have a machine that will render power from what we raise or unless we have a market that will pay us a profit on what we raise, we must go back to a form of farm motor power that will consume our excess products and help us rebalance our agriculture. The horse is capable of doing this.—Dr. W. H. Lytle, veterinarian.
