Picnic at Wineland Lake In Interest Boy Scouts

An invitation has been extended Heppner residents to attend a community picnic at Wineland lake, eight miles from Lone Rock, by the Condon American Legion post. Like invitations have also been extended residents of Kinzua, Fossil, Arling-

ton, Ione, Spray and other neighboring communities through Marvin W. Youngquist, post committee chairman.

Purpose of the picnic is to create a popular interest in the lake with a view to establishing there a summer camp for Boy Scouts of Wheeler, Gilliam and Morrow counties. It is said to be a logical location.

The lake has been talked of as a prospective site for a summer camp and George Fichter, owner of the land has offered it to the boys for a period of five years free of rent. At the end of that time the scouts would have an option to buy.

The lake is said to be centrally located. It is in Wheeler county. Morrow, Wheeler and Gilliam residents have access to it by well traveled roads.

In speaking of the picnic Youngquist said that a number of Condon and Wheeler county residents have shown an interest in the place and a good turnout is expected at the picnic. The road from Lone Rock to the lake has been cleaned of rocks and signs posted.
