The majority of the farmers had worked out their portion of the tax by working on the project roads, but work had been passed around that they would not be given credit for the work done. But at this meeting of the commissioners it was agreed that the tax would be paid by the county from the general road fund and from what has been collected from the special tax. Credit for this will not be given until some time in January. A meeting will be held next week by the irrigation board when the salaries of the employees will be lowered and all expenses cut as low as possible. It is hoped that a cut of about 40c per acre will be made on the maintenance charges.
