**An Invitation to Parents.**  
The fathers and mothers of Heppner are especially invited to be among those present next Sunday morning at eleven o'clock for the sermon hour.

In these days of the multiplicity of problems confronting every parent, it is felt that the sermon topic for the morning hour will be especially helpful to every interested father and mother. Also the sons and daughters are invited to be present for this hour. We of course want to number you all among our constant attendants if you have not now a Church home. Our Bible School is so attuned to the needs of the day that you will find here your own class, where you will feel at home, and where you will be really interested in the program of Jesus Christ for this world.

If you will come and fellowship with us on Thursday evening at 6:30, around the supper table, and remain for the Bible Study hour which follows, you will be agreeably surprised at the helpful break in the midweek which our Church Night affords.

So, you come and be with us this next Sunday SURE; first for the Bible School, then stay for the morning worship; and come again for the evening service at 7:30 o'clock.

The sermon topics for the coming Lord's Day are selected with an eye single to the needs of the hour. As above noted, the fathers and mothers are especially asked to be present, along with the sons and daughters, for the morning and evening worship. The sermon topic for the morning service is, "What Have They Seen in Thine House?" and

7:30 p. m., Song service and gospel message, "The Credentials of Christianity."  
Millions of people are living in peace and security and justice today who never even have dreamed that this is directly due to the life and teachings of Jesus Christ. His influence has spread from country to country, and from generation to generation down through the centuries, and wherever people have accepted Him and lived as He taught them to live, darkness has been turned to dawn, ignorance has given way to enlightenment, superstition has been replaced by education. The nations that have accepted the teaching of this Man of Galilee and been ruled by them have no outstripped the other nations that they have become known as the foremost nations of the earth. Jesus' name is above every other name. Are we beholding the truth today before us and exclaiming, "Thou art the Christ, the Son of the living God"? If we cannot

we ought to be able to. The influence of Christ upon the world will be the Credential of Christianity we will consider Sunday evening, "Left Alone With God" will be the morning topic. This message ought to cause some heart searching.

We invite you to our Sunday services and will try and be a blessing to you.

**Possessing the basic goodness of sound design and fine manufacture**

**CHEVROLET** From the selection of raw materials to the completion of the finished Chevrolet product, each process of building, assembling and checking the Chevrolet Six is marked by extreme care and precision. An exhaustive system of test and inspection makes certain that every part meets specified dimensions exactly. Many of these parts are held to limits of one ten-thousandth of an inch. No manufacturer in the industry uses more care or precision in building and testing than Chevrolet.

Just as every part of the car is soundly built, every feature is soundly designed.

In planning the motor, Chevrolet engineers were not content to offer the public anything less than tried and proved design. They knew that the only satisfactory way to get smooth, flexible power in a car is to use at least six cylinders. So they adopted the six-cylinder engine without compromise. And this is what you get in today's Chevrolet Six.

As a result of this sound designing and sound manufacturing, you can buy a Chevrolet and know you are getting a genuinely good automobile—soundly designed, soundly built, basically and technically right.
