CENTRAL RELIEF BODY ORGANIZED

Churches, Lodges, Social Orders
Represented; Committee of Five
Elected to Handle Details.

Representatives of Heppner fraternal orders, churches and social organizations formed the nucleus for a central unemployment relief agency at a meeting held at the Elks temple Saturday afternoon. The meeting was called by the Morrow county emergency employment committee appointed by Governor Meier in accordance with his suggestion plan.

The new organization when perfected will be used as a clearing house for the searching out and dispensing of relief, as well as helping to administer the emergency employment program, to give assistance to unemployed persons where needed, and to prevent duplication of relief measures.

After discussing what might be the best way to proceed the meeting Saturday voted to elect a committee of five to handle the details of the organization, with an advisory member to be elected from each church or other organization doing benevolent work which might desire to cooperate with the central organization.

Elected on the committee of five were: Garnet Barratt, Mrs. Jeff Beymer, Mrs. Olive Frye, M. L. Case and Mrs. Ed Buckrum.

Reports by different persons indicated that there would be need for considerable relief work in the county this winter, and the sense of those present was that the best way to meet the situation was to prepare for it ahead of time.

Senator Steiwer to Speak At Pomona Grange Meet

Frederick W. Steiwer, United States senator, will be the principal speaker at the afternoon session of Morrow County Pomona grange at Ione Saturday afternoon. In order that everyone may have the privilege of hearing Oregon's junior senator the afternoon meeting will be open to the public. As Mr. Steiwer is in a favorable position to keep in close touch with the chords of national government, it is expected he will have a message of extreme interest to all. Other numbers on the program will include: instrumental selection, Mrs. Hatch, Willows grange; vocal solo, Mrs. Trannie Parker, Lexington; vocal duet, Velma Huston and Ruth Bergstrom, Rhea Creek grange; vocal solo, O. B. Spaulding, Willows grange; vocal solo, Mr. Brooks, Irriagon grange; cornet and piano selection, Donald Isom and Florence Brace, Irriagon.

BRIDAL SHOWER GIVEN.

Miss Fern Engelman of Ione, whose marriage to John Turner will be an event of next Sunday, was honored for a shower given by a group of friends at the home of Mrs. F. W. Turner Saturday evening. Guests included Miss Jaunita Leathers, Miss Charlotte Woods, Miss Rieta Neel, Miss Helen Olsen, Miss Elaine Sigbee, Miss Blanche Hansen, Mrs. Andrew Baldwin, Mrs. R. B. Bridge was played during the evening, and refreshments were served by the hostesses, Mrs. F. W. Turner and Mrs. J. O. Turner.

FIRE ALARM SOUNDED.

Heppner was aroused last night at 9:30 o'clock by sounding of the fire sirens to learn of the conflagration of a pile of used lumber on the school playgrounds below the gymnasium. The fire had gained such headway that it was useless to attempt to save the lumber when the fire truck arrived a few minutes after sounding of the alarm. Weeds had been burned near the lumber pile in the afternoon, and though Wm. Driscoll, janitor, made an inspection at 5:30 in the evening and found that the fire was apparently all out, it was thought that there might have been some smoldering embers beneath which started the pile burning.

ACCIDENTAL SHOT FATAL.

Report reaching Heppner announces the death of Walter H. Hoffstetter, harness maker of Pendleton, from an accidental gunshot wound. Mr. Hoffstetter was the husband of a former Heppner girl, nee Miss Dessa Devin. The accident occurred when he attempted to crawl through a fence to get a shot at a coyote, which he saw while driving on the road to Pendleton. With one hand almost completely shot off and a foot badly injured he drove the six miles into Pendleton unaided. Funeral arrangements had not been announced.

No theatre-goer who is decently grateful for the divine gift of eyesight should fail to see HELL'S ANGELS at the Star Theater Sunday, Monday and Tuesday.

Rural Teachers' Club Holds First Meeting

Members of the Rural Teachers' club spent an enjoyable and worthwhile day-Saturday, September 26, when the first meeting of the year was held at the Morgan school. Many parents and friends in the community were also present and participated in the discussions of the various problems and difficulties which have been confronting the rural teachers. Valuable suggestions and devices were offered and many problems cleared up.

The meeting opened at 10:30 a. m. with Audrey Beymer presiding as president and introducing various competitive work that might be carried on throughout the county. Announcements and helpful explanations of materials were made by Mrs. Lucy E. Rodgers. New officers for the coming year were elected as follows: Mrs. Marie Clary, president; Miss Audrey Beymer, vice-president; Miss Rosella Doherty, secretary-treasurer; Miss Norma McDavid, club historian. Talks which followed proved very interesting and helpful and were made by Mrs. Anna Heiny on "Character Education," Mrs. Lucy Rodgers on "Testing Before Teaching in Spelling," and Miss Alice Palmer on "Introduction of Multiplication and Division of Fractions."

A pot-luck dinner was served by ladies of the community at the Grange hall.

A fine program is being planned for the next meeting of the club to be held November 7 at Golden West school. Members of school boards and parents as well as the teachers are invited to attend.

JUNIOR PATROL GUARDS SAFETY

Organization of School Boys Instituted to Replace Sign for Crossing Street Intersection.

A new safety measure for the protection of Heppner school children was instituted last week with the organization of a Junior Safety Patrol by L. H. McMahon, state policeman. Under the new system the pot sign formerly used at the principal highway crossing for school children at the corner of Main and Baltimore streets is no longer used, and instead the children are conducted across the intersection in groups by the junior patrolmen, who wear badges signifying their authority.

"Henceforth, the greatest danger to the children came when school was dismissed at noons and evenings, and they went helter-skelter in a hurry to get home," said W. R. Poulson, superintendent, in telling of the new plan. "Under the new system they are conducted across the street in an orderly manner, and in groups so that there is little danger of a single child dashing out in front of an approaching automobile. Persons who have occasion to drive across this intersection regularly at noon or in the evening say they like the new system much better than the old one."

Mr. Poulson said that James Furlong is captain of the patrol, and James Driscoll lieutenant. High school patrolmen are Claude Hill, Howard Furlong and Marvin Morgan, and grade school patrolmen are Richard Benton, William Mitchell and La Verne Van Marter.

Boys Honor Old Glory When Usefulness Past

"How many boys would do this?" asks Paul Marble, commander of Heppner post, American Legion. William and Omer McCaleb saw Old Glory, seated and partly burned by the recent fire which devastated part of the city's business section, among the wreckage at the Noble shoe shop. It was not fitting, they thought, for the national emblem to be seen in such dilapidated condition.

Fresh in their minds were thoughts of flag courtesy, recently conveyed to school children by Mr. Marble and Charles W. Smith on behalf of the Legion. They thought it proper to destroy the mutilated emblem but with deference to what it stood for.

Out in an open field William and Omer stood with heads uncovered and bowed while the curling smoke carried evidence of their conviction into the heavens.

FRANK HALE DIES.

Frank Hale, a native son of Morrow county, passed away at the Morrow General Hospital Monday, following an illness of long duration, the result of chronic stomach trouble. Funeral services were held at the Episcopal church Wednesday afternoon at 2:00 o'clock. Joel R. Benton, pastor of the Heppner Church of Christ, officiating, and arrangements being in charge of Phelps Funeral Home. Interment followed in Masonic cemetery. Mr. Hale was aged 67 years, 6 months and 18 days, and all of his life had been spent in Morrow and Grant counties, during the greater portion of which he had engaged in stock-raising and ranching. He is survived by three sons, Lynn, Loren and Vere Hale, besides numerous other relatives residing in this community and elsewhere.

Thos. A. Driekel is ill at the home of his son, Wm. Driskell of La Grande, and Mrs. Elsie Stephenson, daughter of The Dalles, is at his bedside, according to word received by relatives in this city.

STUNT NITE TO BE REAL VARIETY SHOW

Wide Range of Talent by
Home Folks Employed
To Help Library.

PROGRAM ALL FIXED

Low Admission Price, Type of Entertainment and Object of Show Make Attraction Appealing.

Library Stunt Nite next Thursday at the gym-auditorium is going to offer the public a rare treat, indeed, if the low-down-or so much of it as has leaked out-on what the different organizations are up to, can be taken as a criterion. You see, the nature of the stunts is not being revealed, as each organization is not taking the chance of having any of its thunder stolen, so that one person's guess will be as good as another's until after the curtain goes up at 8 o'clock sharp.

In order to prevent duplication, and to assure a variety of entertainment, however, the committee in charge, headed by Paul Menegat, did ask for a wee bit of information concerning the nature of the stunts, in answer to which they received the promise of dancing, singing, athletic, dramatic, and comedy acts, with assurance that the Orpheum circuit offers no broader array-if less appealing-lot of talent in a single evening's program.

With the admission price set at 25 cents straight, and the money to go to a very worthy cause, the committee believes there should be every incentive for everyone to attend and little to deter anyone from attending. Especially, considering the fact that the large seating capacity of the auditorium—with all seats affording a good view of the stage and having equal acoustical advantage—assures everyone will get to hear and see the performance. At least there is not the likelihood of anyone being turned away as was the case back in 1917 when the first such library benefit was staged.

Organizations who are lending their support to the library by preparing stunts include the Lions club, American Legion, American Legion Auxiliary, Elks, Woolgrowers Auxiliary, Bookworms and Woman's Study club. And in addition there will be stunts by the school faculty, and school students.

"The way everything is shaping up, the committee is certain they were not exaggerating in promising a big night next Thursday," said Mr. Menegat this morning. At a meeting last night it was possible to get practically all the final details, even up to arranging the order of appearance of the stunts.

Mrs. Earl Gordon, in charge of the advertising, has her committee hard at work, and "property man" W. R. Poulson assures that everything will be fixed for the smooth running of the show.

The Degree of Honor juveniles will hold a popcorn ball sale during the evening, with proceeds to be turned over to the library.

Fire Prevention Week Proclaimed Oct. 4-10

"The nation's yearly losses from fire amount to nearly \$500,000,000. Thousands of human lives are lost and countless thousands of people are seriously burned each year," declared Governor Julius L. Meier in proclaiming October 4-10 as Fire Prevention Week. "In 1929 the Fire Loss took a toll of 23 lives in Oregon. One hundred and one Oregon citizens were seriously injured or crippled by fire.

"Statistics reveal that fully 90 percent of the conflagrations which wrought this havoc were due to carelessness, neglect and thoughtlessness."

Believing that the people of Oregon should be educated and awakened to the need of exercising greater care in the prevention of fire, in accordance with the proclamation of the President of the United States, Governor Meier earnestly urges the people, the press, and all civic, patriotic, fraternal and industrial organizations of the commonwealth to put forth their united efforts toward the elimination of the loss and suffering which follow in the wake of preventable fires."

TAX MEETING POSTPONED.

The meeting of the Morrow County Tax Equalization and Conservation League, announced last week for next Saturday, has been postponed to Saturday, October 10, according to R. B. Wilcox, secretary. It is expected all outstanding committees will report at that time, and league members as well as others interested are urged to attend.

FOOTBALL GAME FRIDAY.

The first football game of the season to be played on the Heppner field will be played Friday afternoon between Lexington and Heppner high schools. The game is slated as a practice game, as Lexington will play several who have graduated from high school. Another game has been added to the local schedule with arrangements made for a game to be played with Athena at that place October 17.

Wheat League to Meet At The Dalles Dec. 13-14

The annual conference of the Eastern Oregon Wheat League is slated to be held at The Dalles, December 13-14, announces C. W. Smith, secretary, who attended an executive committee meeting at Arlington Saturday, held for the purpose of discussing plans for the coming conference. Frederick Steiwer, junior United States senator from Oregon, will be one of the conference speakers, having already accepted an invitation, Mr. Smith said.

Other speakers who have been invited include Dr. John D. Black, chief economist for the Federal Farm board; Max Gellaher, director of the state department of agriculture; Leslie Scott, of the state tax commission. Men from Oregon State college, the Portland terminals and inspection department, will complete the roster of speakers.

Committees to be out and to report at the conference will include committees on wheat handling, production and feeding, transportation, taxation and legislation, and agricultural marketing. A complete list of all committee appointments will be available in the near future, said the secretary.

Eck, pastor of the English Lutheran church was the officiating clergyman and the ceremony was performed at the pastor's home.

Mr. Eubanks is a graduate of Ione high school class of 1920. Both Mr. and Mrs. Eubanks are popular among the younger set and have the good wishes of their many friends. They will make their home in Lexington.

On Wednesday of last week Mrs. Alice McNabb received information of the death of her brother, George Warfield, at his home at Clarkston, Washington. Funeral services were held at 10 o'clock Friday, September 25, from the Presbyterian church of which Mr. Warfield was a member. Interment was in Vineland cemetery, the Masonic order having charge. Mr. Warfield, a former resident of this section, was born April 23, 1873, at Yaquina Bay, Oregon, and in 1904 was married to Miss Alma Madsen. He moved to Clarkston in 1918. He was a veteran grain buyer and warehouseman of the northwest, and for eleven years represented the Kerr-Gifford company in Lewiston. He is survived by his widow and eight children, all of whom live at Clarkston except one son, Raymond, who is located at Petersburg, Alaska.

Mr. and Mrs. Rex Fisk of Kennebec, Wash., motored to Ione and took Mrs. McNabb to Clarkston to attend the funeral services for her brother.

Last Thursday Mrs. R. E. Harbison of Morgan received the news of the sudden death of her youngest brother, Harvey Vincent Rand, 46, of Portland. Mr. and Mrs. Harbison departed Saturday for the city. Funeral services were Sunday. Mr. Rand was an employee of the Pacific Telephone and Telegraph company. He is survived by his widow and five children.

Mr. and Mrs. R. H. DeShazar were guests the first of the week at the home of Mrs. DeShazar's sister, Mrs. Hal O. Ely. The DeShazar family recently sold their property at Forest Grove and were en route to Idaho Falls, Idaho, where they will make their home.

Mrs. Hal O. Ely was hostess at a family dinner served at her home Tuesday evening, complimenting her brother-in-law and sister, Mr. and Mrs. R. H. DeShazar. LIONS TO ASSIST CENTRAL RELIEF

Means of Raising State Chamber
Quota Cited; Frank Turner
Talks on Insurance.

Heppner Lions voted Monday to assist the central organization, formed Saturday, to administer unemployment relief, and elected Charles Thomson as its representative. Mr. Thomson was president of Associated Charities which did a good work in the city last winter.

Al Rankin reported for the committee appointed the week previous to investigate ways and means of raising the county's \$200 quota to assist the work of the Oregon State Chamber of Commerce. The committee decided to contact the county court to see if at least a part of the sum could not be put in the budget for the coming year, and to raise what might be necessary through individual memberships, if possible. The matter is slated to be presented before the Pomona grange meeting at Ione Saturday, it was stated.

President Smith urged all the Lions who could attend the Pomona grange meeting to hear Senator Steiwer's address, which he believed would be of intense interest.

W. R. Poulson and E. W. Gordon, last year's committeemen in charge of staging the Lions play, "Aunt Lucia," which was accorded a large hearing, were retained by the club to take charge of the play this year to be given the latter part of October, and Jasper Crawford was appointed to assist them.

Mr. Gordon, also in charge of the club's production for Library Stunt Nite, announced that all the details had been arranged and that work was progressing well.

Featured on the program was an insurance talk by Frank W. Turner in which he told the duties of the insurance adjuster and cited accomplishments of the national fire protective work.

The insurance adjuster is supposed to be a man interested in neither the insured or insurer, Mr. Turner said, whose duty it is to arrive as nearly as possible at a fair and equitable basis for adjustment of losses. He believed that in most cases the findings of adjusters have been found so. After the recent fire in Heppner, he said, it appeared that the adjustments made were quite satisfactory to the insured in most every instance.

The national fire protective work is carried on for the purpose of cutting down fire losses, Mr. Turner said. He read from a report showing that in many cities where work has been done savings amounted to at least fifty percent of losses suffered in an equal length of time before the work was started. He read a list of causes of fires which placed carelessness with matches and cigarettes well toward the front, with defective wiring a close runner-up. About 17 percent of fires are caused by defective wiring or carelessness with electrical appliances, the report said.

Among ways stressed by the association as effective in eliminating fire losses was enforcement of fire-proof building rules, and maintenance of an adequate firefighting department.

MRS. PARKER SURPRISED.

Coming as a complete surprise, was the gathering of friends from both the Methodist and Christian churches at the home of Mr. and Mrs. Frank S. Parker on Monday evening, the surprise being of course on Mrs. Parker, who had a birthday on that date. The party had been arranged by Mrs. Sarah Parker, mother of Frank S., in conjunction with the women's class of the church, and gathering just at the supper hour a pot luck luncheon was served as the offering of the guests, and a very pleasant evening was had. Mrs. Parker was remembered by numerous appropriate gifts. Those present were Mr. and Mrs. Joel E. Benton and son Richard, Mr. and Mrs. E. R. Huston, Mr. and Mrs. Glen P. White, Mr. and Mrs. Vawter Crawford, Mr. and Mrs. L. W. Briggs, Mr. and Mrs. M. L. Case, Mr. and Mrs. Gus Jones, Mr. and Mrs. Arthur Parker, Mrs. Carrie Vaughn, Mrs. Chas. MANY 4-H CLUBBERS EXPECTED FOR FAIR

Heppner to Welcome Boys
And Girls in First
All-County Show.

PARADE IS FEATURE

Demonstrations by Nearly All Clubs
Expected; Wool-Grain Show to
be Held at the Same Time.

"Nearly every club in the county will have a demonstration of some phase of its work at the 4-H club fair to be held in Heppner a week from next Saturday," announces C. W. Smith, county agent, who has been busy for several days getting coops, pens and tables arranged at the county pavilion in readiness to receive the many exhibits to be put on display. Included will be all the first prize winning exhibits in each division at the recent North Morrow County fair at Boardman.

A feature of the day will be the Morrow County Wool and Grain show, also to be held at the pavilion.

Reports indicate that there will be a large percentage of members in attendance from all the clubs in the south end of the county as well as many from the north end.

The parade to be held at 1 o'clock Saturday afternoon, in which each club will appear in a group marked by a banner or other distinguishing means, is creating a sense of competition and arousing much interest, Mr. Smith said. The parade will immediately precede the demonstration contest at the pavilion, which, from the promised number of entries, will occupy the larger part of the afternoon.

Judges will be Miss Helen Cowgill and L. J. Allen, leaders in club work from Oregon State college. It is expected that Miss Lucy Case, home demonstration agent from the college, will also be present, as she will be in Heppner Thursday and Friday for teachers' institute, said Mrs. Lucy E. Rodgers, county superintendent, who has charge of the home-making clubs of the county and who is also taking an active part in the preparation of demonstrations.

The clubbers will be given a warm welcome to Heppner in their first county-wide fair since the inception of 4-H club work in the county. From a few straggling clubs five years ago, the work has steadily grown until there are now 30 active clubs located over the entire county with 300 active members.

The Heppner school band will assist in the entertainment, and the clubbers will be addressed by leading men of Heppner.
