A GREAT MAN PASSES Autocaster Service.

FOUR years ago, when President Coolidge appointed Dwight W. Morrow Ambassador to Mexico, his name was all but unknown to the people of the United States. He had been a classmate of Mr. Coolidge's in Amherst College, had be-come a partner in the great inter-national banking house of J. P. come a partner in the great inter-national banking house of J. P. Morgan and Company, and had ser-iberated by the Treaty of Ver-sailes and he became their leader, he surrounded himself with strong, and intelligent men and began to Morgan and Company, and had served as one of the American govestly had he done his work that work out a system whereby every very few people outside of the lim-man in the nation should be indeited circle of his personal acquaintances had ever heard of him.

Everybody wondered what this lations between this country and our neighbor to the south. It did not take long to find out. This country and the Mexicans soon learned that Dwight Morrow had a mind which went directly to the heart of things, and a personality which Czechoslovakian efficiency is fa-things. charmed everyone with whom he came in contact. In a surprisingly short space of time he had estab-lished the relations between the United States and Mexico upon a more friendly basis than they had been for nearly a hundred years. He was chiefly responsible for Lindbergh's good-will flight to Mexico, which culminated in the young airman's romantic courtship of the Ambassador's daughter, and their

subsequent marriage. Mr. Morrow's election as U. S. when it will be the rule throughout Senator from New Jersey was re-garded by political leaders as a step pose is to refuse employment Czechoslovakia. The avowed purtoward the White House. From the moment of his election President any man of family who will not agree to live on one of these tracts. An acre of land means little in America. In Europe, where the Hoover leaned 'upon him heavily for advice and council in internafor advice and council in interna-tional finance. He was one of the few men in American public life of whom it can be truthfully said that he was universally beloved and re-spected. In his all too brief public career he had made himself a na-tional figure of the first import- land to fall back on, and is in no danger of starvation from unem-ployment. And in good times he His death is a loss to the ance. whole world can save and invest a very large
