A. Thompson. The place for the anbe had tonight. Reserved tickets will be available at Gordon's until 6 o'clock this evening, when the plat will be removed to the audiociation in the fall, and it is not torium. probable that it will be brought here next year, due to its being

With 150 local people participating in the play cast, rookie squad, sailors' and girls' choruses and the patriotic pageant, the play revolves around the life of Corporal Eagen, an Irish-American rookie, and Izzy Goldstein, whose nationality need not be mentioned, pal of Eagen. The way Bill Poulson and Earl Gordon perform in the respective roles brings waves of mirth from the audience. Marjorie Clark as Sally, Eagen's sweethcart; Al Ran-kin as Abc, father of Izzy; Rice McHaley as Michael, father of Red Eagen: Juanita Leathers as the willing war worker; Clarence Bauman as the hard-bolled sergeant; Dr. A. D. McMurdo as the captain; P. W. Mahoney as the guard and spy; Mary Patterson and Dorothy Straughan as the attractive Red Cross nurses, and Gay M. Ander-son and Harold Buhman as Kfloozy and McGinnis, all got a big hand as they portrayed their roles last

and y predayed user to be the sailors', soldiers' and girls' choruses and a large group of youngsters singing "My Dream of the Big Parade," with Jack Stewart delivering the song in musical recitation. The with Jack Stewart delivering the song in musical recitation. The scene is in the form of a pageant with many colorful costumes and flags lending to the attractiveness of the scene.

Many prominent business men of the city take parts of rookies and sailors, with high school girls composing the dancing choruses. Dean T. Goodman's singing of "Sailor's Sweetheart" was one of the enjoyable spots of the play last night, with the sailors joining in the chorus, and "The Nurse of No Man's Land" as sung by Miss Charlotte

WOOL INDUSTRY FACES UPGRADE

Oregon Woolgrowers Are Optimistic at Pendleton Convention.

HAGENBARTH TALKS

National Association President Says Readjustment Progressing; **Problems** Discussed.

With an average attendance of 160 persons vitally interested in the welfare of the sheep industry, the annual Oregon Woolgrowers' association convention at Pendleton Monday and Tuesday brought out discussions of various afflictions that have brought the industry face to face with disaster, and remedial

measures characterized by a deter-Last week Carlton Swanson went to Seattle where he enrolled as a their utmost to reestablish the industry on a paying basis.

The keynote address of the entire convention was that of F. J. Hagenbarth, president of the National Woolgrowers association, who spoke yesterday afternoon. His hair grown white in the service of the industry, and for several years heading the destinies of the nation-al association, Mr. Hagenbarth is credited with a fuller knowledge of the problems of the industry than any other man in the United States. His was not a speech of fault-finding, though he blamed transportation companies, commission men and packers for part of the present plight of the woolgrow ers. He believed that the natural law of survival of the fittest had been at play and that the survivors now face an upward trend, though complete recovery was not antici-

pated before 1933. Though many readjustments have taken place the last two years, in-cluding the reaching of rock-bottom economy in many production costs, that have been favorable factors in leading to recovery, other readjustments must yet take place before complete recovery can be hoped for, declared President Hagenbarth. A continued program of nomy is essential to su

Continue Lamb Campaign. A note of optimism was sounded throughout the convention sessions, shown more particularly by the spirit in which the members re-

ceived the proposal to carry on the "Eat More Lamb-Wear More Wool" campaign, last year's results of which were given in detail by Erle M. Rocey, advertising representative While the campaign was al association funds without spec-ial assessment of the members, the Last year Omaha was the only city in which the campagin was carried on, and consumption of lamb there was increased 60 per cent in three months time, Mr. Racey said, The campaign will be carried into other cities this year. Cooperation of all growers is needed to carry on the work, it was brought out, and no better cooperation can be given than by joining the state association, it was believed. Heppner's bid to entertain the 1933 convention of the association was read Tuesday evening and referred to the executive committee, who each year choose the next meeting place at their meeting in the fall. Heppner's was the only invitation extended, but in view of the fact that the national association meets in Portland next year, it was expected the state meeting would be held there at the same time in order to have the largest possible attendance of growers.
