CLEAN WHITE PURE

Even the package invites you

INVITING is the word . . . Chesterfield's attractive white package is certainly the proper introduction to the cigarettes inside it. For it suggests right off . . . they're pure. Examine the paper Chesterfields are rolled in. It's white . . . and pure. Now light up . . . You'll notice there's neither taste nor odor of burning paper. You get the full flavor of fine ripe tobaccos.

To make sure of purity . . . every ingredient and every method used in making Chesterfields . . . is checked by a staff of scientists. You always open that clean white package with confidence. It reminds you of the purity back of that satisfying taste. And remember, they're milder too!
