STRAWBERRY DAY

Experimental Plots to be Open to Visitors June 3; Many Projects Will be Seen.

One of the greatest centers of strawberry experimental work in the west will be open for public inspection at the annual field day for strawberry growers at Oregon State college at Corvallis, Friday, June 3.

Growers will have opportunity that day to view many developments in cultural and varietal experiments as carried on for many Irrigation versus non-irri gation for the Marshall berries will be viewed under field conditions. A four-year-old field and a two-year-old field of the new Corvallis variety will be open for inspection

Topping experiments with the Marshall berry, showing the effect of cutting the tops immediately after harvest compared with later may be viewed, as will an experi-ment with double planting as compared with the usual spacing.

Most interest is expected to be shown in the breeding work where close to 35,000 seedlings and selec-tions will be fruiting. These will include 12,000 seedlings fruiting for the first time, 23,000 of last year's seedlings retained for the second year, 219 selections from the 1930

year, 219 selections from the 1930 seedlings, and 266 selections from the 1931 group.

In addition there will be growing on the experimental farm many of the varieties brought here from other sections for test, such as the Redheart, and several others believed to hold promise for special uses.

Visitors may come to the college farm, one mile west of the Willamette bridge at Corvallis, either at 10 o'clock in the morning or 2 o'clock in the morning or 2 o'clock in the sternoon when many your license be suspended or revoked?

Ans. The secretary of state may immediately suspend the license of any person without hearing and without receiving a record of conviction of such person of crime whenever the secretary of state has reason to believe:

(1) That such person has committed any offense for the conviction of which mandatory revocation of license is provided in section 18;

(2) That such person has by reckless or unlawful operation of a motor vehicle, caused or contributed to an accident resulting in death or injury to any other person or serious property damage; is probable that he will take up the varieties brought here from

10 o'clock in the morning or 2 o'clock in the afternoon when groups open all day, however, from 8 to 5 disoclock. Pest and disease specialists will also be there questions.

It is suggested that visitors come with groups being formed by the county agents as far as practical
