Fear or Security....?

ON THE OPEN ROAD...

DARKNESS FALLS ... you are far from a town ... is that someone moving behind those bushes ...? shall you take a chance and stop at that lonely-looking farmhouse down the road ...? you are alone in a strange place and, if not actually afraid, then very decidedly uneasy.

What has taken the zest out of your long-anticipated motor tour? You had really hoped for adventure such as this; you did everything to insure your car against any emergency—had li overhauled, new tires and two spares. Finally you admit it to yourself. You have neglected to insure the safety of your travel funds!

You are afraid of being robbed! The cash in your pocket is spoil-ing your vacation!

But how easily you can purchase security on your tour. You need merely to step into our bank and change your money into American Express Travelers Cheques. And then, ho for the open road with a mind at ease! Bandits hold-up men, pickpockets hold no fears for you. You have insured the safety of your money, and should your Travelers Cheques be lost or stolen without being signed a second times, their value will be refunded.

This security costs you only 75c for each \$100.
