Many of our townspeople have installed their own pumping plants this summer for the irrigation of their gardens and lawns. The plants are of various models, but to W. E. Ahalt, a young man past eightythree years of age, goes the honor of building a pumping rig entirely different from all the others. With a one-third horse power electric motor Mr. Ahalt operates two pumps with a pumping capacity of 1080 gallons an hour. He is preparing his ground for the planting of a fall garden,

So, while the burdens love imhappiness is found in suffering and bearing burdens for the sake of those we love, and the causes we human life. And we are to remember the type of love which sent Je sus of Nazareth to Calvary for the last one of us. We may shrug off and say: "It means nothing to me. But that will not answer. Jesus' great love caused Him to die for us all, and we should be taking every opportunity to repay in loyal, loving service, through our lives, this great love, which has indeed borne our burdens; burdens of heart and mind and soul.

Do you have a church home? Then come and worship with us. Test the welcome of this friendly church. For the coming Lord's day the sermon topics are: For the morning service, "The Consecrated Hand," And for the evening service, "Where is Zebedee?"
