Local Happenings

izens in general of the Prineville country in the "Eat More Lamb" campaign of the Oregon Woolgrow-ers, also to organize a unit of the auxiliary, Mr. and Mrs. George Rugg of Pilot Rock and Mrs. W. P. Mahoney of Heppner departed for that city on Monday. Mrs. Rugg is the president of the Oregon Woolgrowers auxiliary and Mrs. Mahoney is a former president. A number of other places in the mid-dle Oregon section will be visited including Klamath Falls, Lakeview, John Day, Condon and Arlington.

Dr. Min Hin Li and Dr. K. C. Cheack of Honolulu were visitors on Friday at the home of Mr. and Mrs. Edward Chinn, They came to the States to take in the Legion convention at Portland and being on the way to Pendleton for a day at the Round-Up, made this stop over at Heppner. In former years, Mrs. Chinn and Mrs. Li were schoolmates in the mission at San Francisco and the doctors looked up the Chinns at the request of Mrs. Li. They are both practicing physicians in Honolulu and graduates of American colleges.

A. Beard, state manager, and J. A. Pate, assistant state manager of Pacific Woodmen Life association, are at Hotel Heppner this week, coming up from Portland on Tuesday. These gentlemen are or-ganizing a camp of the association here and we are informed there will be no fee charged charter members. A financial statement of this associ ation appears in another column. Messrs, Beard and Pate are desirous of getting a local man to help Portland while them and they can be consulted at Legion doings.

Rufus Holman, state treasurer, visited Heppner on Friday and called on many of the business men of the city. Having received the republican nomination by the largest vote ever given a candidate on the republican ticket for this office, Mr. Holman naturally feels that he will win in November. He claims much economy has been accomplished during his incumbency and prom-ises further reductions in state departments to the benefit of taxpay-

to Portland the end of the week for a visit at the home of Mr. Barratt's parents, Mr. and Mrs. W. B. Bar-ratt. The elder Mr. Barratt has been ill for some two weeks, hav-ing suffered a partial stroke of paralysis, but reports reaching Hepp-ner friends are to the effect that he is making satisfactory recovery.

A fire starting in the dry grass near the residence of Dean Goodman, Sunday morning created some excitement for a short time. It burned along the hill on the west side of town and ran out when the reservoirs of the city were reached. Some damage was done to the fencing on the F. S. Parker land.

W. E. Moore, cashier of First National bank, is in Portland this week attending the meetings of the national convention of the American Legion. He is accompanied by Mrs. Moore, who as a member of the auxiliary, attended the convention of the national organiza-

Francis Nickerson, son of Mr. and Mrs. F. B. Nickerson, has returned from his summer vacation spent with relatives at Oakland, them, Calif. Mr. and Mrs. H. T. O'Donald, uncle and aunt, brought the lad home and are guests for a time at the Nickerson home.

Mr. and Mrs. C. W. Smith, Mr. and Mrs. Spencer Crawford, Mrs. Harold Cohn and Mrs. Paul Gemmell departed for Portland on Sunday to remain in the city for a few days while taking in the American Legion and Legion Auxiliary national conventions,

and R. M. Rice, Pacific coast manager of the Farmers National Ware-Heppner on Tuesday, remaining in the city for a few hours while attending to business pertaining to culture, no keener stimulus to the the company.

Lester Doolittle has gone to Hot Lake where he will remain for some time while receiving medical treatment. Mr. Doolittle has been a sufferer for the past year or two and hopes to get relief by a course of treatments at the Hot Lake san-

Miss Nancy, departed on Monday for Virginia, Miss Cox will enter Southern Seminary, a girls' school at Buena Vista, Va., for the winter. and Mrs. Cox will enjoy a short visit with relatives in the old home

Mr. and Mrs. Alva Jones departed for Portland on Sunday to be in time for all the various activities of the national convention of Legionnaires. Mr. and Mrs. Arthur Bibby are also enjoying the week in the city for the same purpose.

Mrs. William Johnson, mother of J. O. and Frank Rasmus, returned to her home in Portland on Sunday after spending a week visiting her relatives in Heppner. Mr. and Mrs. J. O. Rasmus accompanied her to

after business here on Wednesday afternoon.

kane and will visit relatives in and about Heppner for a couple of weeks, "Andy," veteran warehouseman of this city, is now employed as clerk in a Spokane hotel,

this way.

Mr. and Mrs. R. B. Rice were in from the Artesian Well ranch on Tuesday afternoon, He is busy now ith the fall seeding which will take chout a month to finish.

Mr. and Mrs. D. E. Gilman of this a tour of the west.

Jimmy Johnson, cattleman of Range Grant county, was a visitor in Heppner the last of the week, looking after business affairs here.

Mr. and Mrs. Earl Gilliam are among Heppner folks in Portland for the American Legion national

lay of the Round-Up.

Frank Fraters was in the city from the Eight Mile farm on Wed-nesday, being called to town by matters of business.

Mr. and Mrs. Harry Tamblyn have been spending the week in Portland while taking in the big

Fundamentals for families

I met an old friend the other day the sheep in, along with the band in a little New England village, belonging to Mr. Scott which he The last time I had seen him he was ould raise as a loan on his life insurance.

her idea for us to get back to the soil and live on next to nothing until things get better.

"We're raising a lot of our food, ber of the most rearing out our old clothes and the community." working from sunup to dark—and the funny part of it is that we like it. The children think it's wonder-ful. Our health is better than ever,

we don't owe a cent, and while

That man has the world by the tail.

Books good friends

A publisher friend sent me the other day, twelve books. "I'm get-ting these out to sell for fifteen cents a copy," he wrote. "I've got an idea that millions of people have never had a chance to read the great works of the great writers, and I'm going to try to supply

Whether he makes a business suc cess or not, he is doing a valuable service. He has shown good judgment in selecting the books to re-print. "The Way of All Flesh" is, I think, the greatest novel ever written in the English language. And the list includes many others which are as interesting the second or the tenth time of reading, such as while taking in the American agion and Legion Auxiliary national conventions.

Walt Lehman, superintendent land" and the New Testament, to name but a few.

Good books were never cheaper house company, were visitors in nor more widely available than they are today. And there is no better companion, no sounder source of imagination than a great book.

"Jimmy" . . still . . popular

Mayor Walker's resignation under fire has not affected his popularity with the average New Yorker. New York people take a cynical view of political graft. The that every public official from the Mrs. Claude Cox and daughter, liss Nancy, departed on Monday or Virginia. Miss Cox will enter outhern Seminary, a girls' school the average voter think that he is a pretty smart guy.

It is probable that Mayor Walker will run for reelection, and my be lief at the present time is that if he does he will be reelected. New York is full of people whose suppressed desire is to be an irresponsible play-boy of Broadway, and they may envy and admire "Jimmy" because he plays that role so successfully. It is all very well to talk about getting rid of undesirable public of nce, but the rank and file of the voting population has to be reck-oned with, and the rank and file is never greatly interested in the re-

COOL CREAM FOR

Bulletin Shows Refrigeration Pays Even With Prices Exceptionally Low.

improvements in these times," is grades of butter justifies paying a ed at the creamery in excellent differential in the price for the dif- sweet-cream condition. true in many cases, IF a dairyman can get cash or credit for certain improvements he can make a far higher percentage return on the investment at low prices than at high. Such at least is the conclusion drawn from figures contained in a recent bulletin on "Cream Refriger-ation and Quality Butter," just pub-

lished by the Oregon Experiment station and giving the results of practical tests of butter making from refrigerated cream from three farms over a period of one year. Reporting on the economic im portance to Oregon of quality but-ter, the authors, F. E. Price, C. J. Hurd and G. H. Wilster, give the

following comparative figures:
"The difference between the wholesale price of butter of 92 score and 90 score at the present time (Early June, 1932) is only 1.5 to 2 cents per pound. This is equiva-lent to from 1.86c to 2.48c per pound of butterfat. On a percentage ba-sis, it will be found that when the price of 90-score butter is 16c and that of 92-score butter 17.5 c to 18c, the 92-score butter sells at a price
