The Thinker!

"Wherefore, gird up the loins of your mind." 1st Peter 1-13. Columbus thought, and a new continent emerged into the horizon of the world's civilization.

Robert Fulton thought, and a network of steamboats covered the great waterways of the world. Benjamin Franklin thought, and the lightning was harnessed to light our cities and bring a new day in power use, and to run railways.

Cyrus Field thought, and cable communication was established on the floor of the ocean between all the nations of the earth.

Carlyle wrote, "In every epoch of the world, the greatest event, parading all others; is not the arrival of a thinker in the world?"

And yet the arrival of a thinker is not always welcomed by the world. The United States Congress was greatly annoyed by Cyrus Field. Comfortable and complacent people do not usually like to be disturbed by a thinker.

Emerson must have had this sort of people in mind when he said: "Beware when the great GOD lets loose a thinker on this planet."

The unthinking are apt to regard the thinker as a tragedy. BUT THE REAL TRAGEDY OF THE WORLD IS THAT THERE ARE SO MANY PEOPLE WHO ARE TOO INDIFFERENT OR TOO LAZY TO THINK!

What the world needs this hour is more thinking on the right sort of things and along the right lines. And there is one inevitable way for us to accomplish the turning of our thoughts into right channels: "Wherefore gird up the loins of your mind." Let us get to reading and studying (handing), the Word of God, which is the Sword of the Spirit, and soon we will find ourselves reading even in secular literature along right lines and THINKING ALONG RIGHT MINDS!

Try this simple, sure method of improving our thinking. Do you have a Church home? If not, we very cordially invite you to come and worship with us. Attend our Bible School and services of worship and test the welcome of this friendly Church. For the coming Lord's Day the sermon topics are: For the morning service, "How to Know God." For the evening service, "The Enemies of Man-kind."
