## ATHENA TROUNCED BY LOCALS, 20-0

## Heppner Turns Breaks Into Touchdowns in Hard Fought Game.

## PENDLETON IS NEXT

## Tough Game Expected With "Buck- aroos" Saturday; Hermiston, Ione Games Stated.

## REMAINING GAMES

**H. H. S. Football Schedule**  
Oct. 15—Pendleton at Pendleton.  
Oct. 21—Hermiston at Heppner.  
Oct. 28—Pilot Rock at Pilot Rock.  
Nov. 4—Ione at Heppner.  
Nov. 11—Hermiston at Hermiston.

## Results of Games Played

Condon 6, Heppner 13.  
Pilot Rock 12, Heppner 0.  
Athena 0, Heppner 20.

Taking advantage of scoring opportunities on three occasions Heppner high's football warriors put across as many touchdowns and converted the extra point on two of them, to defeat the heavier visiting Athena high team, 20-0, on Rodeo field Saturday afternoon, the first defeat sustained by the Athenians this season.

Heppner scored first in the second quarter when Curtis Thomson took Roy Gentry's short pass over the left side of the line from shortly behind the 20-yard line and raced the few remaining steps over the goal line. Jimmy Furlong bucked the ball across for the extra point.

Again in the third quarter, after the ball had been worked deep into Athena territory by a succession of line bucks and end runs in which each of the backfield men made good gains, Thomson, on a delayed reverse buck, stepped off ten yards for another touchdown. The try for extra point failed and the score was 13-0.

**Intercepts Pass.**  
Then late in the fourth quarter when Athena attempted a pass deep in their own territory as a final scoring effort, Jimmy Furlong, running at top speed, grabbed the ball and raced twenty yards to the goal. He again bucked the ball across for the extra point, and the final score of 20-0.

But Heppner had to fight every inch of their way to the victory. In the first quarter an Athena score seemed almost inevitable as they took the ball clear to the Heppner ten yard marker on a succession of sweeping end runs and line bucks. At this point the Heppner line stiffened and held them for downs. And on several occasions it looked like "Speed" Jenkins, Athena safety, was away for a touchdown on beautiful returns of Heppner punts, to give the spectators the prettiest exhibition of broken field running of the game. Twice he was stopped only by Gentry. Heppner safety, after evading all other Heppner tacklers.

Both teams fought hard and clean. The few penalties called being for off-side plays or two incomplete passes in the same series of downs. Edwin Ingles of Lexington refereed, Gay M. Anderson was umpire and Harold Buhman head linesman.

**Hard Game Saturday.**  
Next Saturday Coach Mabey's boys go to Pendleton to play what is considered the toughest game of the season against the Pendleton high aggregation. Having a much larger school to draw from, Pendleton always has a heavy team and lots of reserves. They got a jolt last year when they came to Heppner and were able to win only by a slight margin. Though the local boys have gone through three tough games in the last three weeks, they are ready to extend themselves against Pendleton and hope to return with a bunch of "Buck" scalps.

The following Friday the boys will meet Hermiston on the local gridiron. This is another game that promises to be fought with peril, as Hermiston last week defeated the Pilot Rock team that the week before trounced Heppner, 12-0. Heppner gets a chance to retaliate this defeat when the boys go back to Pilot Rock to play on the 28th. The next Friday, November 4, they play at home again, meeting Ione who so far have had a successful season. The wind-up game of the season will be played at Hermiston on the 11th, Armistice day, an annual classic that always makes a strong bid for spectator interest.

The line-up against Athena: Wrex Langdon, Claire Phelan, ends; Don Cowdrey, Harold Ayers, tackles; Ted McMurdo, Reese Burkenbine, guards; Lyle Cowdrey, center; Billy Schwarz, quarterback; Roy Gentry, Louis Gilliam, halves; Jimmy Furlong, fullback. Substitutions: Curtis Thomson, John Hanna, Marvin Morgan, Herman Green and Raymond Reid.

## STUNT NITE PLANS PROGRESSING WELL

## Fourteen Organizations Signify Intention of Participating; Good Array of Entertainment Set.

Everything's well in hand for Stunt Night, Heppner library benefit entertainment to be presented at the school gym-auditorium the night of Wednesday, October 26, reports the committee in charge, headed by Ted Lumley. Fourteen organizations of the city have already signified their intention of having a stunt ready, and more are expected.

Those responding so far are Business and Professional Women's club, Boy Scouts, American Legion, Christian Church, American Legion Auxiliary, Book Worms, Rebekahs, Womans club, Lions, high school, Woolgrowers auxiliary, Degree of Honor, D. of H. juveniles and B. P. O. Elks.

The auditorium will be open Monday night, the 24th, for practice, and all wishing to take advantage of this opportunity for rehearsal may do so, the committee says. On Tuesday night, the 25th, however, a full dress rehearsal is scheduled when everyone expecting to participate in the entertainment is expected to be on hand.

So far the nature of the stunts is not being revealed, but the committee is getting a line on everything, and it is assured there will be a fine variety of entertainment with the comedy element prevailing throughout. Full particulars, so far as they may be revealed, including the price of admission, will be given next week.

In the meantime, remember the library is open for two hours three times a week, on Tuesdays and Saturdays from 3 to 5 p. m., and on Thursdays from 7 to 9 p. m. Beginning in this week's issue of the Gazette Times is a column headed "In the Heppner Library." It is intended to bring to the public in this space what the library offers in the way of reading material.

## STUDY CLUB ENJOYS MEETING

Members of the Woman's Study club enjoyed a steamer voyage to Hawaii, the first part of call on their projected year of "Leaving Through the Pacific," when they met at the W. O. Dix home Monday evening. The house was decorated in a very shipshape manner, with signs pointing out the various parts of the ship into which it had been converted for the evening. Virginia Dix and Adele Nickerson, dressed in sailor costumes, greeted the guests at the door and presented them with small ukeleles which contained their programs for the evening.

Miss Jessie Palmeter, who was chairman of the committee for the evening's program, presided in true nautical form, with all parts of the study outline worked out in the best seafaring traditions. Following the business meeting, "Jack Tar" Dix played a piano solo reminiscent of the sea. "Helmsman" Lumley gave an introduction to the Pacific Islands, which was followed by a conversation conducted between Mrs. Lucy Rodgers and Mrs. Lester White as they lounged in their deck chairs aboard the "U. S. Pacific." Mrs. J. F. Lucas talked on "The Hawaiian Islands"; Mrs. Arthur McAtee on "Legends of Hawaii" and experiences of members of the excursion were related by Miss Letta Humphreys, Mrs. Frank Turner, Mrs. Jeff Beymer, Mrs. A. D. McMurdo, Mrs. W. O. Dix and Mrs. Gene Gentry. Mrs. E. F. Bloom and Mrs. J. T. Lumley sang a Hawaiian song to ukelele accompaniment. As a parting number the whole club joined in singing "Aloha Oe." Baskets of candy, purported to come from admirers left behind on shore were passed during the evening.

Mrs. Earl Gilliam, Mrs. A. D. McMurdo and Mrs. Ray Kinne were appointed members of the stunt committee, to prepare a number for the library benefit.

## RELIEF DRIVE ON TOMORROW

Bills announcing the relief drive have been distributed over the city, and all our people are urged to have whatever they can spare in the way of articles of clothing, canned goods or cash ready for the workers who will call on them. In this connection the attention of all those to take part in the drive is called to the matter of their gathering promptly at 9:00 at relief headquarters in the Case building, to receive complete instructions as to their work.

Help will gladly be accepted by the general relief committee from anyone residing in the country in the vicinity of Heppner. If you have anything to donate, bring it in; your gifts will be very much appreciated by the committee.
