

# Local Happenings

Marcellus Morgan was spending Wednesday in town from the ranch of R. A. Thompson, where he has been for the past six years. Raised in this country and having spent all his life here, Mr. Morgan remembers but few seasons that have been drier than this fall. For the benefit of range conditions he is hoping the rains will not be longer delayed.

N. A. Leach of the Kerr, Gifford company of Portland passed thru Heppner Thursday afternoon last, being on his way to Walla Walla to attend to business matters for his company. Mr. Leach had been visiting for a day with friends and relatives at Lexington, his former home, and looked up a number of old time friends during a short stop here.

Roy Neill and L. D. Neill of Pine City were visitors here Wednesday. While still dry on Butter creek, these gentlemen are looking for some rain, probably soon, as Jupiter Pluvius has never yet failed to remember the good people of eastern Oregon regardless of the fact that his blessings arrive a little late some seasons.

Among Heppner people who attended the Oregon-Washington football game in Portland Saturday were Gay M. Anderson, P. W. Mahoney, Miss Patricia Mahoney, Mr. and Mrs. Raymond Ferguson, Mr. and Mrs. Edward F. Bloom, Jasper Crawford and Claude Graham.

Mr. and Mrs. Dean T. Goodman and Mrs. D. A. Wilson departed Tuesday morning for Portland, expecting to go on to Longview, Wn., for the northwest conference of Elks lodges there, where they were to be joined by Mr. Wilson who left yesterday afternoon.

The regular meeting of the Women's Foreign Missionary society of the Methodist church will be held next Tuesday at the L. W. Briggs home on Center street at 2:30 p. m., with a cordial invitation extended to any women interested to attend.

DR. J. P. STEWART, EYE-SIGHT SPECIALIST of Pendleton, will be at the Heppner Hotel on WEDNESDAY, OCTOBER 19th, Hours 10:00 a. m. to 5:30 P. M.

Lost—Food chopper, on Willow creek road. Mrs. Albert Rea, call 464, city.

Mr. and Mrs. Crockett Sprouls returned from Spokane this week where Mr. Sprouls attended a school for Standard Oil company employees for ten days. He is now employed at the local service station of the company.

Mr. and Mrs. R. H. Zinter, farmers of Gooseberry, were in Heppner Wednesday afternoon. They came to town to attend to some legal business at the court house but found it to be a legal holiday with the offices closed.

Henry Blahn spent Friday and Saturday at Heppner while attending to business matters. He reports the Walla Walla country just as dry as here, though they had received a pretty fair shower of rain just recently.

Jason Biddle, in town Monday, reports some progress in the line of fall work, but would like mighty well to have a big rain or two to help the sown grain come along to a good start before freezing weather sets in.

Ted Stevens of near Salem, and his mother, sister of Joseph J. Nys of this city, were visitors at the home of Mr. and Mrs. Nys over the week end. They returned to their home in the Willamette valley Monday.

E. Nordyke, pioneer Lexington resident, was in the city Wednesday transacting business. Mr. Nordyke gets about slowly with the use of a cane these days, and his visits to the county seat are not frequent.

D. A. Wilson who left yesterday for Portland and Longview, Wash., was accompanied as far as Portland by Art Bibby, Dave McAtee and Miss Caroline Gardner, each of whom had business in the city.

Cole Madsen, manager of the Heppner-Pendleton-Arlington stage line, returned Sunday evening from a week's business trip in Portland. During his absence "Red" Hiatt took care of his run.

Clifford Sims was visiting relatives and old time friends here Wednesday while looking after business interests, coming over from his home at Milton where he is receiver for a bank.

Mr. and Mrs. Chas. Dykstra drove up from their home near Oregon City Monday and have been spending the week here while looking after their interests in this county.

## HEPPNER HIGH WINS

The Heppner high school football team defeated the unbeaten Athena squad last Friday afternoon 20-0.

The first quarter of the game was played entirely in Heppner's territory but Athena was stopped in their tracks on the ten to twenty yard line.

In the second quarter, however, conditions were reversed; Heppner marched down to the twenty yard line, tossed a pass to Thomson, making the first touchdown.

In the third quarter another game by end runs and line bucks. In the fourth Furlong intercepted Athena's pass in a clear field, sprinting twenty yards to the goal for the final score.

The line-up for Heppner was as follows: Lyle Cowdrey, center; Ted McMurdo, Reese Burkenbine, tackles; Bill Schwarz, quarterback; Jimmy Furlong, fullback; Louis Gilliam, Roy Gentry, halfbacks; Wrex Langdon, Claire Pheasant, ends. Substitutes were Curtis Thomson, John Hanna, Marvin Morgan, Herman Green and Raymond Reid.

## Tournaments Prove Exciting

Grade school gymnasium classes from the fifth grade up have been divided into clubs as in the high school. The members of the clubs were picked by Coach Mabee according to height, weight, and age so as to assure fair and even competition.

Tournaments are being held by various club teams in playground ball. The games are scored on the following basis: winners three points and ties two points.

The present standings for the various clubs are: Shamrock 12, Red Devils 8, Wild Cats 3, Shooting Stars 5. High school boys: Beavers 3, Yanks 8, Cougars 0, Trojans 0. Fifth and sixth grade school boys: Lions 9, Elks 9, Beavers 0, Bulldogs 0.

Seventh and eighth grade school boys: Cougars 15, Wild Cats 9, Trojans 9, Broncs 3.

## Seniors Hold First Party

A weiner roast following the football game last Friday was held above Kelley's spring by the senior class. A huge bonfire was made on which weiners and marshmallows were burned or toasted and around which games were played.

Five cars accommodated the whole class which was chaperoned by Miss Straughan and Miss Palmer.

## Announcements Are Considered

Seniors held a meeting last Friday morning concerning their graduation announcements. The announcements discussed were samples from the Master Engraving company of Portland. No definite conclusion was made as to whether the announcements were to be purchased from this company.

## Chemistry

The Benzine club met Monday night and elected a program committee. Interesting experiments on magnetism were carried on during the meeting.

## English

The English students are holding their conferences this week over

the books they read this summer and over the required books.

## Cards Will Soon Be Out

Six weeks examinations are being given by the teachers this week. The exam grades count about one third of the grade appearing on the report cards which are to be issued next Wednesday. The daily grades count the remaining two-thirds.

## Mr. Bleakman Is Speaker

A student assembly is to be held Friday afternoon. Mr. George Bleakman is to be the main speaker. He will talk about respect for law. The boys' quartette and the girls' chorus are also on the program, and there will be group singing.

## Grade News

The Indian sand table has been completed by the pupils of the first grade. They are making a booklet of "Our Pets" now.

The pupils of the second grade brought flowers from home in order to have a flower show last Tuesday. They had thirty varieties and are learning the different kinds of flowers. They made a miniature rock garden in the sand table.

The students of the third grade have been doing soap carving at home and bringing it to school. This work will be done later in the school room. They have been bringing saws and boards to cut out wooden toys.

# NOT CONSOLIDATION . . . but a COSTLY EXPANSION!

The ZORN-MACPHERSON SCHOOL "JUGGLING" BILL AT TAXPAYERS' EXPENSE — ESTABLISHES 4 NEW SCHOOLS, CREATES 2 NEW TYPES OF SCHOOLS — BOTH UNTRIED and UNNEEDED.

Under the guise of economy, unknown interests propose this extravagant building and wrecking program, which claims to be a consolidation of Oregon's higher educational system. There are five campuses now, and if this bill is approved, there will still be five campuses—after a raid has been made on the taxpayers' money! The following facts will enable every taxpayer to prevent this experiment which endangers our higher educational system, and results in a tremendous financial outlay by taxpayers.

## 4 New Schools Established

This bill actually creates 4 NEW schools—a junior college at La Grande and Ashland; a law school at Salem; and a teachers' college at Eugene. In addition, it "junks" the Monmouth Normal School, valued at \$700,000, and uses but one-third of the facilities of the University at Eugene. This disarrangement will result in a tremendous financial outlay by taxpayers for additional NEW schools, NEW departments, NEW courses and NEW equipment. There are five campuses now. If this bill is approved there will still be five campuses—but, in addition, the taxpayers will be forced to erect new housing facilities for the University law school and library at Salem; provide NEW buildings and dormitories to accommodate the greatly increased student body poured onto the Corvallis campus; and equip two NEW junior colleges and a teachers' college with new and costly facilities for conducting a NEW and untried system.

## 2 New Types of Schools Proposed

Two NEW TYPES of schools are created by this bill—two junior colleges and a teachers' college—both untried and unneeded in Oregon. To educate students for junior standing in technical and scientific college courses, requires expensive laboratories and equipment, thus duplicating the same facilities now maintained at the University and State College. The passing of this bill establishes the principle of STATE SUPPORT TAX for all or any junior colleges. Every town in the State of Oregon will then have the right to demand a junior college! Every legislature session will invite log-rolling bills for appropriations for new junior colleges in ambitious localities. Taxpayers of this state are asked to vote on this costly junior and teachers' college experiment, with every expenditure made at their expense.

In addition, this bill claims a saving of \$1,000,000 per year in taxes BUT DOES NOT ACTUALLY REDUCE OREGON'S BASIC STATE TAX for higher education by a SINGLE PENNY. You will pay the same tax for state schools as you do now if this bill is approved.

# VOTE 317 x NO!

PAID ADV.

The pupils of the seventh grade geography class are making booklets of Oregon. They have written to the chambers of commerce of the various cities for information and pictures for their booklets.

The sixth grade geography class had a debate: "Resolved that Britain's greatness is due more to the people than the land in which they live." Three boys from the seventh grade, Paul McCarty, James Mitchell and Scott McMurdo, judged the debate. They gave the decision to the negative side. The members of the team were, negative: Alice Latourell, Betty Happold, Nalbro Cox and Billy Barratt; affirmative, John Crawford, Betty Robinson, Zelma Eskelson and Omer McCaleb.

## Editorial

The high school students should conscientiously fulfill the trust placed in them. They should realize that they should be dependable. When a teacher steps from her room for a few minutes, students, please don't start talking, laughing and cutting up in general. When passing down the halls, don't push and shove. In assembly periods, don't talk and laugh just to aggravate the teacher, because you are also hindering the ones who are

working. Students don't realize how rough and noisy they are. Fellow students, let us be polite and trustworthy.

"Come on, gang, let's get going," will be quite a prevalent phrase Saturday by 2:30, when Heppner plays the one big game of the season at Pendleton. According to comparative scores Heppner stands a 50-50 chance with Pendleton. Although the boys keenly feel the loss of Curtis Thomson, halfback, their spirits are high, and with a lot of expected sideline support, expect to win. Coach Mabee states that with the exception of Curtis whose arm is hurt the boys are in fine condition. Come on, folks, come back your boys at the Heppner-Pendleton game held at the Round-Up grounds Saturday at 2:30.
