On November 14, 1932, at 4:20 o'clock the beautiful and sincere life of Heppner's beloved Virginia Cleveland passed away.

For the past two months Virginia has been constantly in the minds and hearts of a wide circle of devoted friends who now mourn the passing of this schoolmate and friend.

Virginia passed her entire school life in Heppner Public school and during these twelve years gained many true friends and companions.

The Heppner schoolmates of Virginia are in an hour of great bereavement and they feel that no tribute paid to her is high enough for the love Virginia merited during her short life with us.

Some of us go along in this world without realizing the value of the education we are receiving.

Education also increases your chance of becoming great, but the real reward of education is that it gives one a broader understanding and appreciation of the interesting things about us.

Education teaches us to use our leisure time wisely, for it helps us in our choice of good reading.

Let us all realize the value of education and what it means to our success.

Heppner Trounces Hermiston 26-6
The fighting Irish of Heppner won over the Hermiston gridsters in the annual Armistice Day battle at Hermiston to the tune of 21-6.

A large American Legion crowd watched the Heppner eleven score its second victory over the Bulldogs this season.

Heppner received and after bucking the line to its 45 yard line skirted right end for a 45-yard gain.

Furlong crossed the goal line after three plays. An attempted pass was incomplete and the try for point failed.

PROMISE BOYS RARE THRILLS

AMERICAN BOY-YOUTH'S COMPANION readers are due for a rare adventure thrill in 1933, according to word just received from America's favorite boy's magazine.

Boys will welcome the news that a modern Robinson Crusoe story, in which two boys and a man battle with savages and build a civilization with their bare hands, is on the way!

In this story the three heroes escape into the depths of the Amazon jungles; there they are stripped and left to die by hostile natives; and there, from the natural abundance of the jungle, they build their fortress. From advance notices, it's a story readers will never forget!

Other good things, we learn, are on the way in THE AMERICAN BOY-YOUTH'S COMPANION for 1933. Adventures in all parts of the world; stories of the professions; sports interviews with famous coaches and players; vivid articles on travel and science.

We suggest THE AMERICAN BOY-YOUTH'S COMPANION as an ideal present for that son, nephew, cousin, and neighbor. It's a character-building, imagination-stirring present that renews itself every month in the year.

An attractive gift card bearing your name will be sent to the boy if you request it. Subscription prices are only \$2.00 for one year or \$3.00 for three years. At the latter rate the magazine costs only a dollar a year. Mail your order direct to THE AMERICAN BOY-YOUTH'S COMPANION, 550 W. Lafayette Blvd., Detroit, Mich. Service on your subscription will start with the issue you specify.
