questions plague many men today. ship her high wines to America. They won't down. In view of what France, mind you, in default of war has befallen, this is natural. But it is not logical. If you were the only person whose income has diminished, if yours were the only business that has become unprofitable, you would be justified in concluding that something had gone wrong with you, with your brains, with your brains, with your capacity. Hood the country with French has befallen, this is natural. But it debts to the United States, wants your judgment, with your capacity. flood the country with French The truth is however, that not one wines. It is a fact that French man in a thousand, that not one wine producers are all ready for business in a thousand, has esthe invasion. If that ain't rubbing caped the devastating effects of it into the American, then our sense events since 1929.

Ponder these facts: The total income of the people of this country is estimatetd to have fallen from approximately \$90,000,000,000 to less than \$50,000,000,000. One-fourth of all who were gainfully employed are now completely idle, and a still has been drastically reduced; the policemen who ran the force lost income of every investor has been all sense of decency and justice. stocks. Examine the quarterly or were losing courage and hope. other earnings' statements published day-by-day and you discover

have gone along as if nothing out of only enforcing honestly a law that the ordinary had happened? How had hitherto been enforced dishonthe ordinary had happened? How could we in reason have hoped to receive a special dispensation? If we still have a job—any kind of a violating the Sunday law. Indeed, veloped.

The Italian people give every evigence of the receive and the receive a special dispensation? If we still have a job—any kind of a violating the Sunday law. Indeed, there were weeks when the number

Golden Text: Mark 1:3.

of 1933 are taken from the earliest gospel, that of Mark, the cousin of ary journey. He also knew receint in the tenement district, seeing for intimately, absorbing the apostle's counsel and knowledge so well that counsel and knowledge so well that counsel and knowledge so well that counsel and knowledge of the law were tried, and its salient characteristics,

read at one sitting. Moreover it is the gospel of action. Mark is mainly interested in telling a story, and does so with simple ease. There is one pretzel made a meal—after only one long discourse, and but which decision joy again became four parables. But there are eigh-unconfined in at least some of the four parables. But there are eighteen miracles, one-half of the whole number recorded in all four gospels.

gospel is its rapidity. The action is quick, urgent, described in the vivid, pictorial language of an eyely occurs eleven times in the first

in a rising tide." Mark also, be it noted, is the gospel for the Roman world. de omits all Hebrew genealogies, does not emphasize the obligation of the law, inserts fewer references to the Old Testament than any of the other three evangelists, and employs more words of Latin origin than are to be found in any other New Tes-tament book. Mark, like Paul, carried Rome in his heart. Indeed, there is reason to believe that he wrote his gospel in that ancient

What sort of a picture of Jesus does he paint? He presents the Master as the strong Son of God, the lion of the tribe of Judah.

In the lesson for this Sunday, New Years' Day, we read Mark's brief but graphic account of that brief but graphic account of that unconventional prophet, John the Baptist, whose desert education front teeth.

O'Flaherty—Now, you've been fighting again. You've lost two front teeth. and striking sermons paved the way for our Lords' ministry.

son for self-congratulation. Even those who have lost out completely, financially, workwise, businesswise, must not conclude that they have outlived their usefulness. Whatever befalls, we must hold on to our self-respect. We must indulge overmuch in neither self-blame nor self-pity. We must not surrender abectly to fear, but lay fast hold on faith. Our heads may be battered and bloody, but they must not become bowed. We must fight, not faint. Remember that no man is defeated until he himself admits efeat.

Don't admit defeat! STUMPED.

Blue Mountain Eagle.

CONGRESS is stumped. It has made an open and pathetic con-fession that the great economic problems that confront a stagnant ousiness world are too big for them. They are stumped. And so, since December 5th they have done nothng, thought of nothing, and talked of nothing but beer. Its awful Whether 12 million idle men shall continue to eat from the hand of charity does not concern them, for that is too big a problem for them and so they confine their legislative hocus-pocus to beer. This beer is to enrich a handful of German "AM I SLIPPING?" "Is my abil-brewers and to add insult to injury, we now have before congress a strong delegation of French wine makers insisting that the Volstead act be modified so that France can support the strong place when both her high wines to America.

Italy rich in work

I have just got back from a rapid

One of the biggest things the ods, were summarily removed by Italian government has done is to the fascist organization. housing conditions for workers in the cities. which is the New York of Italy, the industrial and financial center and the largest city, I saw literally thousands of new apartments houses, built by private capital with government aid, modern and sanitary in every respect, where workers can rent four-room apartments for \$3 a month. On the outskirts of Rome, along the famous Appian Way and just over the caves known as the in the tenement district, seeing for lions of Christian martyrs lie, I saw catacombs, where the bones of milwhere the government had provided housing for sixty thousand workers who were moved from the slums or new highways.

taken is the reclaiming of all the waste lands. I saw the great drain-What to do? Well, here is an inage works which have reclaimed the swamps along the Adriatic, laid don't know." Relief from this tance and Jesus walked on alone out in small holdings. Here again thing cannot come in a day—nor in private capital and the government cooperated, the reclaimed ability. The fangs of the thing land is sown to crops, stocked with have penetrated our very nation's cattle, sheep and poultry, each with leart. It is the great mass of its modern farm-house and outbuildings, and sold on easy terms to new farmers, while the National Institute of Agriculture, organized much like the American system of county agents, gives intensive ascounty agents, gives intensive assistance in helping the people get a living from the land.

Ten years ago Italy was importng five-sixths of its wheat. Today it is growing five-sixths of its own wheat. This is a result of what Mussolini has dramatically named the "Battaglia del' Grano," the Bat- "The Master Executive"

This is something for American wheat growers to think about, One of our big export markets, which formerly took millions of bushels of grain annually, is no longer a mar-ket for the United States wheat

Something of the same sort is appening with tobacco. In Italy the government is the only manu facturer of cigars and cigarettes.

Discipline . honest dealing

All Italy is regimented. Every business, industry and occupation is organized. The Italian Parliament tricts, they represent occupations.

These occupational guilds of synwe still have a job—any kind of a job—we should realize that we are were weeks when the number of arrests went down. The immediate effect was wholly good.

"I had been told that it was not gosling, even at a loss, we have realize that it could not succeed. The warden of Bellevue Hospital reported, two or three weeks after we had beginned by the form of the work of the weeks after we had beginned by the first of the sevent deeped. The latalian people give every evidence of being the happiest people anywhere in the world today. Measured in Dollars, they don't handle much money as he can, provided much money, but measured in the does it honestly. But there is plenty of governmental supervision to see that the public interest is plenty of governmental supervision to see that the public interest is plenty of governmental supervision to see that the public interest is plenty of governmental supervision to see that the public interest is plenty of governmental supervision to see that the public interest is plenty of governmental supervision to see that the public interest is plenty of governmental supervision to see that the public interest is served.

A Man, Sure of Himself

Jesus grew tremendously sure of himself as his ministry progressed. No passages in all literature are more scathing than his denunciation of the cheerless, self-righteous Pharise All achieving characters have a

sublime disregard of criticism. 'Never explain! never retract; never apologize; get it done and let them howl,' was the motto of a great Englishman. It might well have been the motto of Jesus. "No man can expect to accomplish any-thing if he stands in terror of public opinion," he said in substance.
"People will talk against you no matter how you live or what you do. Look at John the Baptist. He dicates have absolute freedom to came neither eating nor drinking and they said he had a devil. I

the literal mindedness of his chroniclers.

How about that incident, for example, at the pool of Bethesda? Hundreds of sick people were left along the edges to wait for the moment when the waters would be stirred by the visit of an angel from Heaven; whoever managed to get into the water first, after the stirring, was healed.

Passing by it one afternoon Jesus heard the whining voice of an old fellow who had been lying there for thirty-eight years. Every time the pool stirred, he made a half-hearted effort to jump in, but there was always some one with more determination, or more helpful friends. He was bemoaning it on this day when Jesus stooped and looked at him with a whimsical smile.

"Wilt thou be made whole?" Jesus demanded. The old man was instantly resentful. What an ab-
