Official Paper for Morrow County

VOLUME 50 BEGINS.

WITH this issue the Gazette Times begins Volume 50. It was in March, 1883, that the first issue of the Heppner Gazette was put forth and the paper launched upon a rather uncertain course...

Under the present management, which has been in charge since the early winter of 1910, there is no thought of lessening the efforts of the paper to bring about every needed improvement in its news and mechanical makeup...

One doesn't have to be a scholar in order to carry a sheepskin in Heppner. Scrip is being printed on sheepskin in denominations as small as twenty-five cents. More than ever this business of making money is getting to be a "skin game."

The man who keeps hammering away has mighty little time to be a knocker.

learned that the publishing of a county newspaper was no Sunday picnic, and prevailed upon Otis Patterson, then engaged in the hardware business in Heppner, to take the paper off his hands.

In the meantime rivals to the Heppner newspaper field have sprung up and flourished for a time, and some of these have been absorbed by the Gazette, as the present name of the paper would suggest.

This, to be sure, is a brief history, having to do entirely with the paper. What a history could be written of Heppner and her people and the happy as well as the tragic events that have taken place during the past fifty years...

Now - CHEVROLET presents

THE WORLD'S LOWEST-PRICED FULL-SIZE SIX-CYLINDER ENCLOSED CARS

A NEW AND ADDITIONAL LINE OF CHEVROLET SIXES

Another great new line of cars from the leader! Chevrolet introduces, as an addition to its present Master Six, the new Standard Six line. Big, full-size, full-length automobiles. Built to Chevrolet standards of quality... performance... dependability... and economy. And selling at the lowest prices ever placed on six-cylinder enclosed motor cars.

COUPE \$405.00 COACH \$455.00 COUPE with rumble seat \$475.00

mission has an easy, clashless shift and a silent second gear. The engine is a smooth, fast, responsive six. And Chevrolet engineers have made economy an outstanding feature! Engineering tests show that the Standard Six goes more miles on a gallon of gas, more on a filling of oil, than will any other full-size car on the road. As for reliability—remember, it's a Chevrolet.
