Mother Love and Loyalty

"And the man called his wife's name Eve, because she was the Mother of all living." Gen. 3-20. Let us, as Mother's Day approach es, give thought to the encircling love and loyalty of Mother:

It is a magic name, Mother. No word in Anglo-Saxon has such power of suggestion; none is so packed with divine emotion. It is not at all strange that the name, Mother, is associated with the Bible.

Your own Mother may have been an humble housewife in a bit of a cottage; while you may now occu py a place of influence, or be dwell ing in a mansion. It matters not-her power and influence remain Why did Lincoln say, "All that I am and all that I hope to be, I owe to my angel Mother"? Why are her words still ringing in our ears, as clearly as if spoken but yesterday Why do we compare all woman

kind to that early model? It is because she possessed the eternal qualities of the lasting universe-Love and Goodness, She embodied elements that never die. When others scorned and aban-doned us, Mother remained loyal; 0; first base on balls off Massey 0. Mother covered our mistakes with off Hollen 4; left on bases, Heppner 11, Condon 9; wild pitch, Hollen; long-suffering garments of love and patience. She taught us that to be truly great is to be simply kind.

And he who has known such unfailing affection and love and ten-der sympathy, as Mother so freely gives finds it easier to understand what Jesus meant when He said. Greater love hath no man than this, that a man lay down his life

MOTHER'S DAY will be especially observed on this coming Lord's Day in this church, at the eleven o'clock hour. You are invited to come and worship with us. The sermon topic for this hour will be, "Mother and the Home."

The minister is called to deliver the baccalaurente sermon to the
