Frosh Assembly
Last Tuesday the student body was entertained by the talent of the frosh class. The program included a piano solo by Doris Ailstott; a skit, "Dumb Dora," by Andrew Shown, Irene Beamer and Margaret Sprinkel; two selections on the accordion accompanied by a guitar played by Boyd Redding and Mr. Lumley; a one-act play by Boyd Redding, Howard Bryant, Katherine Healy and Ernest Clark.

Class Notes
The domestic I and II classes are finishing their projects for the year. As a semester project in sociology, some of the pupils read books and reported on them, while the others made books which contained clippings out of newspapers and magazines.

The beginning shorthand class is now taking dictation at the rate of 50 and 60 words per minute. All of the shorthand students look down the student body meeting in shorthand last Friday. They also took down parts of Dr. Elwood Smith's lecture. They transcribed these in class and did very well. The students have also taken down reports in shorthand that were given in other classes and they are now working to increase their speed.

The girls chorus is now working hard on numbers they will present at the baccalaureate service next Sunday. There will be just one more laboratory day in chemistry this semester.

HARDMAN
By MRS. J. W. STEVENS.
Joe Howell visited Monday of last week with his aged mother, Mrs. Adeline Howell.

Mrs. Hattie Bleakman and daughter Neva left Sunday for the camp where Mr. Bleakman is cutting wood.

Mrs. Retta Knight left early Tuesday for Eight Mile to join Mrs. Joe Batty and son, Kenneth.

At the close of school Thursday the 8th grade exercises were enjoyed by a large audience.

The auditorium was tastefully decorated with evergreens and apple blossoms, with streamers of old rose and silver crepe paper.

The new curtains purchased by the Hardman Dramatic club are quite an improvement and added much to the appearance of the stage.

The program was opened by piano solo by Alma Neill, followed by a song by the 5th and 6th grade girls, "My Oregon."

Poem, "The House by the Side of the Road," by Nellie Bleakman. Song by the grade boys, "Who Threw the Overalls in Mrs. Murphy's Chowder?" Address to the class, S. E. Notson. Reading of the class prophecy by the class. Song, "Juanita," by the 5th and 6th grade girls. Presentation of diplomas, Mrs. Rodgers. Reading, "It," given to the class by Mrs. Knighten, which was very appropriate. Piano solo, Alma Neill.

The closing of school was also followed by a community dinner Friday which was planned for a picnic on Rock creek but owing to the damp weather was given at the school house, and was very much enjoyed by all.

The neighborhood dance given Friday night at the I. O. O. F. hall was a very enjoyable affair, there being about fifty in attendance.

The local Odd Fellows and Rebekahs were honored Saturday night by the presence of Grand Master E. H. Jones, who gave a very interesting talk. Visitors coming out from Heppner were Mr. and Mrs. John Wightman, Mr. and Mrs. Emmet Ayers and Mrs. Alice Rasmus.

A delicious supper was served followed by a dance, there being about fifty persons present, consisting of Odd Fellows and their families.

Juniors still have two frogs, a little black one and a large white one, that were loaned for use at the banquet.

Junior Banquet
On the evening of May 13th, the juniors conducted the senior class, and members of the faculty and board of education, into a beautiful garden. The garden was an old-fashioned garden. Upon entering the garden, they were delighted with the fragrance over the garden fences, entwining the arbor, and growing luxuriantly about the murmuring spring which was covered with moss. A sly crescent moon peeked from behind a tall fir to add romance and to see all that happened.

The guests were served in the garden at bridge tables placed about under the trees by six charming gardeners from the sophomore class in red and white crepe dresses and organza blouses. The color scheme used throughout the banquet was lavender and yellow. Little old-fashioned bouquets were the centerpieces on the tables. Favors for the girls were corsages made of tiny colored candies, and buttonnieres of yellow rosebuds and lavender ageratum were presented to the boys.

The banquet was planned by the following committee with the advice of Miss Palmer, the class advisor: Frank Anderson, Alton Bleakman, Anabel Turner, Beth Wright, Armin Whilom and Anson Rugg.

Frank Anderson, the junior president and toastmaster, gave the address of welcome which was answered by Hazel Beymer, senior class president. Toasts were given by Mr. Bloom on the topic, "Just a Garden Gate," Mr. Garrett Barratt on "Over the Garden Wall," by June Anderson on "My Garden of Memories," and by Mr. Vawter Crawford, Mrs. Lucy Rodgers, Mr. Chas. Thomson, Miss Straughan, Mr. W. C. Cox, Mr. Mabey, and Mr. Lumley. A solo, "In a Little Old Garden" was sung by Anabel Turner. The sophomore girls gave a stunt which consisted of "raking up the dirt" on all the juniors, seniors and faculty.

The banquet ended with everyone singing the high school farewell song written to the tune of "Memories" by Hazel Beymer and Winifred Case.

Report Received
A complete report of this school from Mr. Burgess, high school inspector of Oregon, and representative of the Northwestern Accrediting association, was received by Mr. Bloom recently. The report, a result of Mr. Burgess' recent visit here, was favorable in all respects including the classrooms, furniture room, gymnasium, the teaching and administration, and general appearance.

Thursday's Assembly
Thursday morning a very interesting and entertaining student body meeting was held. The two new amendments were passed. Committees for the student body picnic were appointed; Entertainment, Mr. Mabey, Paul Phelan, Roy Gentry, Miss Straughan, Hazel

tiny tots who gave recitations. We were disappointed that Paul Brown, who was to have entertained with his Hawaiian guitar, was seriously ill and could not be present. The "Dwarf From Patagonia" (Clifford Carlson) entertained royally, leading the audience in singing; whistling tunes, playing a horn, dancing a jig and best of all, reading the minds of several prominent people in the audience, answering their unspoken questions.

After the program games and contests were enjoyed. The men got their supper partners by buying the ladies' feet. Mr. Baker, acting as auctioneer, and beans being used for money. The party ended sometime after midnight, everyone saying he had a grand time.

Next Sunday the Junior Mission band meets at the Lutheran church. Donald White has returned from Vancouver to stay indefinitely. He is now at the L. Carlson home.

New Type 4-H Clubs Give Youth Forestry Training

Oregon 4-H club boys and girls have a "head start" on Uncle Sam's reforestation army in becoming acquainted with and helping to solve the state's forestry problems.

Forestry, which began its 4-H club career in a small way some five years ago, is entering its second year as a standard club project in

Oregon on a par with the various branches of agriculture and home economics. The work consists essentially of reforestation, tree identification, use of simple forestry instruments, forest trips, wild life study, wood utilization, and the planning and making of an exhibit.

Club boys—and girls too—have taken up the new project with great enthusiasm, planting thousands of trees obtained from the state forestry nursery at Corvallis, clearing land, building trails, camp grounds and cabins, and becoming proficient in tree identification. In Tillamook county the county court last year turned an 80-acre tract over to the 4-H foresters for a laboratory, and this year these youngsters are observing the results of their previous efforts, while preparing for another season's activities.

In Lane county the 135 clubbers who completed the forestry project last year prepared two public forest camp sites in the national forests as a part of their work.

In many other sections of the state, too, forestry is one of the most popular projects.

"Bringing the practical lessons of

forestry to the 4-H club boys and girls is one of the most helpful movements along forestry lines in recent years," says George W. Peavy, dean of the school of forestry at Oregon State college.

Dean Peavy, and other prominent forestry men in Oregon and the Northwest, are giving the boys and girls and the state club department valuable assistance with the new project.

Henry Ford
Dearborn, Mich.

May 9, 1933

A great thing has occurred amongst us. We have made a complete turn-around, and at last America's face is toward the future.

Three years---1929 to 1932---we Americans looked backward. All our old financial and political machinery was geared to pull us out of the depression by the same door through which we entered. We thought it simply a case of going back the way we came. It failed. We now realize that the way out is forward---through it.

Thanks for that belongs to President Roosevelt. Inauguration Day he turned the Ship of State around. Having observed the failure of sincere efforts to haul us back the way we came, he designed a new method---new political and financial machinery---to pull us out the way we are going---forward. He is clearing international obstacles out of the way; he does not stand in awe of tariffs. The people begin to feel that he does not take advice from the "interests"; that he has courage and loyalty to work for one supreme interest only---the welfare of the American people. That is a big achievement for two months in office.

And now we all look to what is coming; we grow less and less concerned with what is behind. We are looking for a hand-hold on the haul rope. Every man wants to do what he can, and all he can.

The best thing I can do for the Country is to create industry by building good motor cars. If I knew anything better to do, I would do it. Industry must be my contribution. Motor cars must face ahead to the future, like everything else. They are so much a part of the Nation's daily life that if they lag behind they hold the Country back.

Henry Ford
