Local MacMarr Store Wins Coffee Prize

John Anglin, manager, and Harold Devin, salesman, in the local MacMarr store are very happy over their success in the last large coffee contest, held during the last two weeks in March in the Safeway organization. They won a \$17.50 cash prize as a reward for their efforts. They took first place in the local district of 14 stores, and 10th place in the Portland division, which consists of 424 stores, thus winning over 414 stores. The local boys are naturally very proud over the achievement and heartily thank the scores of customers and friends who made this possible for Heppner.
