

Unemployed Women and Girls to Camp

Three middle-aged women were the first applicants for entrance to the Experimental Camp for unemployed women and girls which has been established in the Bear Mountain district of New York state under the orders of Miss Frances Perkins, Secretary of Labor, and sponsored by Mrs. Franklin D. Roosevelt. Photos show first three applicants registering at the Welfare Council in New York City. Insert is of Miss Frances Perkins, Secretary of Labor.

Progress Being Made In Applying New Farm Act

While nothing definite had yet been announced in the second week in June as to the proposed state organization under the federal farm act, nationally the "machinery" was getting about set up and progress was reported daily in getting the provision of the act into effect, says the Oregon Extension service in its weekly review.

A summary of the accomplishments to date would include appointment of administrative heads under the act, holding of preliminary conferences dealing with most basic commodities, preliminary work toward formation of scores of marketing agreements as provided by the law, the holding of at least one final hearing on one such agreement, and the rapid application of the farm credit features of the new act.

Here in Oregon producers and distributors of farm products are already taking steps to find out what the opportunities will be under the trade agreements section of the farm act. This section permits producers and distributors to set up definite agreements intended to stabilize any given industry, which agreements may be enforced for the first time by the "big stick" of the licensing power of the federal department of agriculture.

Large national groups, particularly in the milk production and distribution field, have been moving swiftly in all parts of the country in preparing preliminary agreements for consideration by the secretary of agriculture. The first of these to come to formal hearing stage was that for the Chicago milkshed. Use of this section of the law in the dairy industry and in those enterprises not included under the "basic commodities" section of the law is considered a means of extending real advantages of the new farm policy to all sections of agriculture.

Meanwhile plans for acreage adjustment among the strictly basic commodities are going forward. In order to hurry these up so as to apply to this year's cotton crop, Senator Bankhead has sponsored an amendment to the National Recovery act which would appropriate a fund for taking cotton land out of production yet this season. He believes the resultant rise in cotton prices would more than repay the government through increase in the value of the government cotton holdings.

IRRIGON

MRS. W. C. ISOM

Miss Minnie Hunting of Silver Creek, Wn., is here for an extended visit with her brother, Forest Hunting.

Ellen Goodwin of The Dalles is visiting with Mr. and Mrs. O. Coryell. Miss Goodwin is a niece of Mrs. Coryell.

Mr. and Mrs. O. R. Barnes were Hermiston visitors Saturday.

Mr. and Mrs. A. C. Houghton motored to Corvallis Wednesday, returning Thursday morning. Their son Edwin returned with them.

Ernest Bedwell and two sons of Union were business visitors here Wednesday.

Wayne and Kent Fagerstrom accompanied the Bedwells home for a short visit.

Mrs. Nora Wilson made a trip to Gresham Wednesday where she rented a small place and will move her family to Gresham by truck Wednesday.

Mr. and Mrs. Robert Smith, John Smith and Kathryn Olday were Pine City visitors recently.

Will Franke was a Sunday guest of Mr. and Mrs. Roscoe Williams.

Mr. and Mrs. Frank Wright motored to Pendleton Sunday night.

Mr. and Mrs. Vern Jones were shopping in Pendleton Saturday.

ON OREGON FARMS

Morrow Grows White Federation White Federation wheat, a variety which seems to be considerably earlier than Federation, is being grown by several Morrow county farmers this year in cooperation with County Agent C. W. Smith. Considerable interest is being shown in the plantings in the north end of the county, which are located on the farms of B. H. Peck, O. W. Cutsforth and A. H. Nelson, Lexington; Ed Ditty, Sand Hollow, and Timm Brothers, Lone. A good stand was obtained in each case and all growers are high in their praise of White Federation, Mr. Smith says.

Alfalfa Stand Depends on Lime Dallas-Limerock seems to make all the difference between good stands of alfalfa and none at all on the Orren McElmurry farm in the Highland community south of Independence. When J. R. Beck, county agent, visited the farm recently he found that where limerock had been applied the stand was good, with reasonably good growth, but on the adjoining strip where no limerock had been applied many spots were bare and the growth was thin and weak.

MUST GET IN CLAIMS. Those having deposits at either of the local banks, who have not yet done so, are instructed by J. L. Gault, receiver, that they must file their claims before June 22, next Thursday, in order to receive their share of the dividends.

CARD OF THANKS. For the kindly help given us at the time of the fire, we extend our sincere thanks. Mr. and Mrs. H. Stout.

COURT PROCEEDINGS FOR THE APRIL TERM

County Court met in regular session April 5, 1933, with all officers present, when the following proceedings were had:

Engineer was instructed to prepare maps for School Superintendent.

Permit for power line in road district No. 2 was granted if adequate installation is provided.

Right of way deed from Lenora Padberg was accepted by the court.

Sheriff instructed to collect and remit grazing fees to Grant County.

Certain lands being secured thru tax foreclosures were ordered advertised for sale.

Secondary market roads were ordered turned to State Highway Commission effective April 30, 1933.

Balance of 1932 market road secondary funds were ordered spent on Hoskins canyon improvement.

Work on the McMurray road was ordered.

Care of poor as far as hospitalization is concerned was contracted with Dr. A. D. McMurdo at \$50.00 per month.

The following claims were ordered paid:
