The man who won't work at any-thing unless he can get his old scale of union wages is entitled to no lieve in them. sympathy and certainly not to any contributions from charity or relief funds. But there are a lot of them.

A friend told me of one typical instance. One of his tenants had paid no rent for several months. He called at the house and was told the man, a carpenter, had been out of work for nearly a year. He was a healthy, able-bodied young man, and my friend spoke to the owners of a large garage about him. The garage man needed someone and offered to employ the man at \$20 My friend sent word to his tenant that the job was waiting for him.

A month later he thought it was and was told the man was still out another, and so much the more as

of work.
"But I got him a job," my friend protested. The man and his wife were indignant. "Call that a job,
