fits which are to be derived from sport. Another big benefit of athletics is that it encourages many boys to increase their scholastic efforts for it is necessary that to be a representative athlete a boy must be passing in at least three subjects.

Nearly every boy who is a leader in student activities is also a regular participant in some form of athletics. This in itself should be an indication of the value and importance of athletics to most students. Athletics make for leadership.

At seven o'clock Thursday night the students of Heppner high school met in front of the postoffice for a pep rally to create enthusiasm among themselves and townspeople for the Hermiston-Heppner football game. The pep band, followed by a large "H" formed by selected pupils of the high school, led the rally. The students who were not in the H marched behind it in lines. From the postoffice the formation marched to the corner of Humphreys Drug store where they grouped about the band for songs and yells which were led by Francis Rugg and Dick Bent. After this they marched to the corner of the First National bank building where more yells were given. The parade then went up to the hill behind the school where songs and yells were given around a large bonfire. Mr. Mabey and Armin Whilson gave pep talks.

Heppner defeated Hermiston high school's "Fighting Irish" football team met its first defeat of this season at the hands of its bitterest rival, Hermiston, who swamped the Irish 12-0 on the Heppner gridiron last Friday.

Hermiston scored in the first and third quarters but failed each time to make their try for point.

The Irish got as far as the Hermiston eight-yard line but lost all of their gains by penalties. The Irish put up a good defensive fight when they held Hermiston from scoring after the visitors had blocked a punt and got the ball, first and ten, on the Irish one-yard line. The game officials were Harry Tamblin and Harold Bahman.

Heppner's starting line-up was as follows:

Ends, Phelan and D. Drake; tackles, Burkenbine and Dick; guards, Kenny and Furlong; center, Ayres; halfbacks, Gilman and Gilliam; fullback, Hiatt; quarter, Morgan; substitutes, Jones, C. Thomson, Reid and Schwarz.

This week the "Irish" will train for their biggest game of the season which will be played with the Pendleton high "Buckaroos" on the Round-Up grounds in Pendleton Saturday. The humiliation of the Hermiston defeat seemed to have inspired the Irish because at the practice Monday afternoon the boys showed lots of pep and fight and are out to make up for the last week's defeat.

Last week eleven poems were handed into the English V class by various students within the class. Some of these poems showed talent, and with a little work they could be made into some good lyrics. The writers have managed to keep their identity unknown. Extra credit has been granted by Mr. Mabey for poetry written by members of the class. The class has hopes of having a fair sized book of poems by the end of the term.

Basketball will start next week for the high school boys' gym class. The class will be divided into four or five teams each of which will compete for the school championship.

The high school girls' gym class played their last game of baseball last week and started basketball Monday. Juanita Morgan's team won the baseball series with 15 points. The other teams' standings are: Naomi Furlong's, 9 points; Jessie French's, 6, and Alice Bleakman's, 6.

Seventh and eighth grade boys' gym standings: Trojans 25, Cougars 23, Lions 17, Broncs 13.
