date with county machinery.

Route Change Made.

On upper Rhea creek, beginning at the bridge at the Groshens place, another road project is under way with a crew engaged so far in clear ing the right-of-way for a new alignment which will put the road entirely on the north side of the creek up to the forks of the creek. This change will eliminate many curves and jogs in the road and give a much straighter and evener grade

On lower Rhea creek the county has been busy for some time ex-tending the surfacing on the former grade of the Jordan market road, and in addition a CWA crew is busy farther up, a short way south of the Hoskins place, making im-

Heppner lodge 358, B, P, O, Elks announces a public dance to be held at its hall the evening of Tuesday, January 30, in honor of the 52nd birthday anniversary of President Roosevelt, the proceeds above expenses of which will go to the Warm Springs Foundation for the aid of infantile paralysis sufferers. The dance is given in accordance with the desire of the grand exalttion. ed ruler, Walter F. Meier, Tickets will be 50 cents.

The foundation sponsored by President Roosevet is situated at Warm Springs, Ga., where the pres-ident has his summer home, and where he received much benefit for the affliction which he hopes to help sufferers generally to combat. The movement to endow the memorial through dances to be given on the president's birth anniversary is nation-wide in scope and is not cofined to the sponsorship of any particular fraternal organization, though it is receiving the coopera-tion of many and different lodges and other organizations, while in places the dances are being staged as commuity enterprises under the sponsorship of the chambers of
