#### FORESHADOWING THE MAY.

ANOTHER election year is at hand. And even though much time remains for filing before the primaries, candidates are beginning to buzz about not unlike prolonged by the mild winter.

In the national limelight will be

the race for U. S. senator, with Chas. L. McNary, incumbent, already being brought strongly into the glare. The governorship will hold the spotlight of state interest, while in this congressional district there will be the choice of a representative in congress, and in the state legislative district two representatives to the legislature are to be named.

So far, Chas. H. Martin, democrat, is the only announced gubernatorial candidate. It is expected Walter M. Pierce will again hold forth for the congressional post he now holds, while Jay H. Upton, state senator from Deschutes county, is being approached by numerous friends to make the race. There yet no indication as to how the state representative races will line

In the county the offices of assessor, treasurer and one commissioner will be open, with no announced candidates as yet.

#### Well Worn Advice

Well, well, here I am speaking on advice which I personally recom-mend sometimes. Now as I might as well begin now as any other time here goes. Ladies and gentlemen, and friends, if you are, this world of ours is really pneumatic. It's just like the tires on a car, and speaking of a car, never go anywhere without first looking at the water and oil, also the gas. Oh, yes, it is also bad to drink water with your soup. It doesn't make too much difference whether it is chicken or raspberry soup. And as long as we're talking about chickthere's the little matter of dressing chicking. Or dressing yourself; personally, I like red ties which reminds me that that's the danger color-my girl wears a Francis Nickerson crimson dress. Danger brings to by mind auto accidents. I ran over ports Bill Cochell a horned toad and punctured a tire. Thus I quote, "Blow your Kenny, Clifford Yarnell, Owen horn on nearing a curve." She may be crossing the road. And speak-ing of roads, never take a bad looking one take the best.
Well, I see my time has about evaporated so I'll toddle along un-
