

BOARDMAN

The high school boys won the baseball game from Umatilla last Wednesday afternoon, which was played on the home diamond, the score being 5-4. On Thursday they motored to Ione where they lost by a large score. The line-up is: catcher, Swan Lubbes; pitcher, Marvin Ransier; 1st, Willard Baker; 2nd, Allan Chaffee; 3rd, John Partlow; s.s., Ed Compton; r.f., Edward Skoubo; l.f., Philip Jones, c.f., Lawrence Smith. Allan Chaffee is substitute pitcher.

W. A. Baker's father of Baker was a visitor during last week at the Baker home here. Miss Lucia Jenkins, Miss Elizabeth Marshall and Harvey Adams spent the week end in Portland. Mr. and Mrs. J. F. Barlow motored to Pasco last Friday to visit at the Jay Cox home and to attend an operetta in which their grandson, Dale, took part.

Remember the White Elephant and Miscellaneous and food sale to be held in the Murchie building on Friday and Saturday, April 27 and 28. Mr. and Mrs. Al Macomber and family were guests Saturday and Sunday at the Nate Macomber home.

Mr. and Mrs. Truman Messenger and family of Condon came to Boardman Thursday for a visit with relatives, returning home Sunday. On Friday they, with Mrs. E. T. Messenger motored to The Dalles to see E. T. Messenger who is in the hospital there because of serious burns he received last week when a gasoline truck exploded. Mr. Messenger is slowly improving and hopes to be able to leave the hospital next week.

A large crowd attended the Senior Frolic last Saturday evening, which was given by the juniors of the high school. The hall was prettily decorated with blue and silver crepe paper which are the senior class colors. A large number of former graduates returned home for the week end to attend the dance.

Miss Katherine Brown of Woodland, Wash., and Miss Mabel Brown of Alderdale spent the week end here with their parents, Mr. and Mrs. Ray Brown. Miss Gladys Wilson of John Day is visiting at her home here for the week.

Young People on the March A great convention of young people has just come to a close at Salem, Oregon, where the Golden Jubilee, or Fiftieth Anniversary of the life of the Oregon Christian Endeavor Society was held. It was a most inspiring sight to see upwards of two thousand young people packed into the big Convention hall, to listen to thrilling addresses; to take their part in the business sessions of the convention; to go about the business of being what the slogan of the convention heralded: "I WILL BE CHRISTIAN." And then to see on every hand the earnest and purposeful attitude of the hundreds upon hundreds of young people enlisted for life under the banner of Jesus Christ, having as their watchword the theme of the convention, "Looking unto Jesus, let us run with patience the Race that is set before us."

How about you? Will you answer this challenge here in Heppner? If you have not a Church home we invite you to come and worship with us in all the services of this Church. For this coming Lord's Day the sermon topics are: Morning service, "The Task of the Church." For the evening service "The Soul of Man." Come and test the welcome of this friendly Church.

H. L. Hoffman, Expert, former associate of C. F. Redlich, Minneapolis, Minn., will demonstrate without charge his "Perfect Retention Shields" in PENDLETON TUESDAY, MAY 1 at the Dorion Hotel. From 10 A. M. to 4 P. M. Please come early. Evenings by appointment. Any rupture allowed to protrude is dangerous, weakening the whole system. It often causes stomach trouble, gas and backpains. My "Perfect Retention Shields" will hold rupture under any condition of work and contract the opening in a short time. Do not submit to avoidable operations and wear trusses that will enlarge the opening. Many satisfied clients in this community. No mail order. HOME OFFICE: 305 Lincoln Bldg., Minneapolis, Minn.

TALES OF OLD TIMES

(Continued from First Page) son, and the little settlement lost a good man. I asked Indian Jim why one of his young ladies was named Snake, as she was a fine-looking girl, with no snaky ways about her, and Jim explained that when a lady-papoose was born, her father went out of the lodge, and the first object he saw had its name inflicted onto the new baby. Thus, when this girl's father went out, the first thing he saw was a snake, and the poor baby had to stand for the name of Snake. If he had had a few inches of fire-water under his buckskin belt, he might have seen double, and then the baby would have been named Two Snakes.

LOCAL STORE WINS AGAIN. Safeway Stores in this district have been competing the past month in sales on coffee, and the local store is winner again, so we are informed by John Anglin, manager. The contest closed last week, and taking first place is no easy task, when the competition the local store has is taken into consideration. Mr. Anglin feels that it was through the cooperation and support of the many friends and customers that made this possible, and he and his aides in the store express their appreciation for this support. The local store has held this distinction for the past several years.

CARD OF THANKS. We wish to express our sincere thanks and appreciation to our many friends and relatives for the gifts received and kindness shown us in our recent loss of our home by fire. Mr. and Mrs. Carl F. Bergstrom and Family.

ENGINEERS WIN AWARDS. Three O. S. C. engineering students have been given outstanding awards for their technical accomplishments in national competition within the last few weeks. Two of these students, Don Finlay of Portland and Ray Schwartz, Myrtle Point, took first and second prizes in a national technical essay contest sponsored by the Boeing School of Aeronautics at Oakland, Cal. Finlay, a student in aeronautical engineering at Corvallis, submitted a paper on aircraft performance calculations for which he will receive a year's course for a master pilot, valued at \$5200. Schwartz' award is for more limited instruction, valued at \$1020. This is the first time two of the four national awards have been won by students in the same college.

Waldemar Schmidt, Portland, a senior in chemical engineering, has been awarded a \$250 scholarship at Massachusetts Institute of Technology to continue his studies.

Oregon Mutual Fire Insurance Company Celebrates 40th Anniversary

Oregon Mutual Fire Insurance Company was founded at McMinnville, Oregon, in 1894 in the building shown on the left. The company had desk space in the Opposition store indicated by the arrow. (Right) Present home of Oregon Mutual. (Over) W. C. Hagerly, President of Oregon Mutual Fire Insurance Company, who has been with the company since 1905. At the end of its first year the company had \$147,000 of insurance in force. Today, it has in force \$125,077,434. The Oregon Mutual Fire Insurance Company of McMinnville is celebrating its 40th year of activity in this State, it having been organized in 1894. It will be host to its agents at a two-day convention at the Home Office, April 26 and 27. B. F. Irvine of the Oregon Journal and Palmer Hoyt of the Morning Oregonian will broadcast radio talks by special leased wire. Mr. Hoyt will broadcast at 12:30 P. M. over KGW and Mr. Irvine will talk from 8:30 to 9:00 P. M. over KOIN, on Thursday, April 26. An outstanding feature of the observance is the fact that W. C. Hagerly, President of the company, is still at the helm after 29 consecutive years, serving since 1927 in his present capacity. He declares the organization is sounder than ever, with a surplus on the books of \$264,120.11 and a total non-assessable insurance on the books of \$125,077,434. Since its organization in 1894, it has paid out to members for fire losses a total of \$4,813,692.39. It has adjusted and paid all claims promptly. The Oregon mutual is the only mutual fire insurance company organized in Oregon which is legally able to write non-assessable policies which to the layman means that in no case can he be taxed or assessed more than the premium which he pays for his policy. Oregon Mutual years ago inaugurated a rigid inspection service, which has resulted in a very large saving to its members through reduction of fire losses. All risks are investigated by experts. Oregon Mutual members are still further protected, Mr. Hagerly points out, by means of reinsurance contracts with several of the largest fire insurance companies in the United States, guaranteeing against conflagration loss too great for any one company easily to bear at any one time. Oregon Mutual operates in Oregon, Washington, Idaho, Utah and California. Its business during 1934 has rapidly increased and Mr. Hagerly declares the upturn is steady, indicating continuous improvement. (Paid Adv.)

Only CHEVROLET can afford to put FULLY ENCLOSED KNEE-ACTION with SHOCK-PROOF STEERING on a low-priced car. Drive it only 5 miles and you'll never be satisfied with any other low-priced car. When you pay the price of a Knee-Action car, you naturally want genuine Knee-Action—the new gliding ride—the huskiest, sturdiest front-end you can buy—and shock-proof steering. You get them all, in the low-price field, only from Chevrolet. The reason is simple. Fully-enclosed Knee-Action wheels are costly to build—so costly that only Chevrolet, world's largest builder of cars, has the resources and the assured volume of sales that permit this extra production cost. Chevrolet does it because Chevrolet believes that, to KEEP ON SELLING THE MOST CARS, YOU MUST KEEP ON BUILDING THE BEST. Compare Chevrolet's low delivered prices and easy G.M.A.C. terms.
