Saturday, May 19th, to rehearse the work. The Greenfield grange ladies are putting on the tableaux work at Condon.

Willows grange will hold their business meeting on May 12th, and will give a public dance at their hall in Cecil on May 19th.—Correspondent.

THE Hehisch

Published by the Journalism Class of HEPPNER HIGH SCHOOL

Editor: Cleo Hiatt. Reporters: Irene Kilkenny, Francis Rugg, Cliff Yarnell, Owen Bleakman, Ervin Periberg and Jennie Swendig.

Our Present High School Administration

At the beginning of the school year 1933-34, the newly installed student body officials faced the trying task of rallying the school spirit. Upon taking office, the new administration immediately made a known its authority and announced its intention to return the control of student functions to the students themselves.

This administration fanned the dying embers of school spirit into blazing life. It created a new interest among the students, and enforced all the old traditions of the school.

The student body is now controlled by a new democratic government of the students, by the students, and for the students.

This administration has set a good example for the rest of the students to follow, and as Abraham Lincoln said, "the success of the Nation depends on the coming generations." So if the coming generation of students will recognize and follow the example set by our present student body officials, we need have no fear for the success of our school so far as spirit and democracy are concerned.

'H' Club Presents Program

The 'H' club entertained at the Friday assembly. Marvin Morgan held the student body spellbound when he took Howard Furlong for a "spin" in his imaginary "flivver." After the ride, Coach Mabee presented letters to the following students: football: Roy Gentry, Claire Phelan, Harold Ayers, Marvin Morgan, Reese Burkenbine, Matt Kenney, Owen Bleakman, Don Drake, Howard Bryant, Howard Furlong, Ray Drake, Floyd Jones, Louis Gilliam, Cleo Hiatt, Curtis Thompson and Ed Dick; basketball: Roy Gentry, Claire Phelan, Harold Ayers, Floyd Jones and Joe Green; girls' gym: Ethyl Hughes, Lorena Wilson, Juanita Morgan and Jennie Swendig. These girls earned 120 points for doing various exercises, hiking, running, jumping, throwing and bicycle riding.

The program was closed with a short skit in which Claire Phelan played the "boogie man" and scared Paul Phelan, Mrs. Ayers' son. Mrs. Ayers, Marvin Morgan, hid the so-called boogie man, her lover, in a closet, and Mr. Ayers, Harold Ayers, came and found him.

Harold Ayers, Claire Phelan, Marvin Morgan and Roy Gentry, graduating seniors, were presented sweaters for having earned three or more letters in one sport.

Students Enter Contest

Last Friday, three members of the chemistry class entered the State Chemical Trophy contest by taking an examination which covered all the main branches of chemistry. The school with the highest team average on the examination will receive the trophy. The contest consists of applicants from all the major high schools of the state.

Class News

The junior-senior banquet will be held Saturday evening in the Christian church. Elaborate preparations are under way and the juniors predict a very enjoyable time for everyone.

Campaign Started With Better Cream as Object

A statewide campaign to improve the quality of cream for butter making in Oregon was launched the first week in May by four cooperating agencies interested in furthering the butter quality of the state. A series of 10 meetings were held first at which four leaders of the industry contacted creamerymen and others in most sections of the state, explaining the desirability of the program and means of accomplishing the results sought.

The National Creamery Butter-makers' association is sponsoring a national campaign for cream betterment, following more strict regulation by the federal authorities on butter quality. This movement reached Oregon just at the time the new butter code made some cream grading with higher payment for top quality mandatory on the industry.

Agencies cooperating in the movement are the Oregon Dairy Products Improvement association, the state department of agriculture, the Oregon butter committee created by the new code, and the dairy department at the state college.

Have you ever seen— Steve Wehmeyer's new car? Mr. Pevey at a dance at Ione? Bill Schwarz sitting in a dark stairway? Coach Mabee with a black eye? Cliff Yarnell getting parts for his Ford? Ray Drake in town at night? Ray Reid with only one light?

RESOLUTIONS OF RESPECT.

In memory of Mary J. Sperry who died April 29, 1934, at Heppner, Oregon. The Angels of Death have entered our midst and we are called to mourn the loss of a faithful friend and co-worker. Our tears are mingled with yours, your sorrows are ours. May the gloom of the sorrowing ones be dispelled by the promise: "I am the Resurrection and the Life, sayeth the Lord; he that believeth in Me, though he were dead, yet shall he live, and he that liveth and believeth in me shall never die."

Resolved that the charter of Sans Souci Rebekah Lodge No. 33, I. O. O. F. of Heppner, Oregon, in testimony of our loss be draped for the allotted time and that we tender the family our deepest sympathy in their affliction, and that a copy of these resolutions be sent the family.

ELLA BERGE, SADIE SIGSBEE, EMMA JONES, Committee.

Baker—R. N. Daniel of Haines, who last year made a gross income of \$84 an acre from his 10-acre alkali clover seed crop, this year is planting 42 acres of his 80-acre tract to seed crops. He will have 8 acres of Ladak alfalfa, 8 acres of red clover, 8 acres meadow fescue, 15 acres alkali clover, and 3 acres of meadow foxtail. Mr. Daniel's success last year has also stimulated the interest of other farmers of this district in seed crops, reports County Agent P. T. Fortner.

Six sets harness to trade for cows. F. L. Brown, Boardman, Ore.

Science says Today use a LIQUID Laxative

If you want to GET RID of Constipation worries—

The unwise use of harsh laxatives may drain the system, weaken the bowel muscles, and in some cases even affect the liver and kidneys.

A doctor will tell you that the wrong choice of laxatives often does more harm than good.

Fortunately, the public is fast returning to the use of laxatives in liquid form.

A properly prepared liquid laxative brings a perfect movement. There is no discomfort at the time and no weakness after. You don't have to take "a double dose" a day or two later.

In buying any laxative, always read the label. Not the claims, but the contents. If it contains one doubtful drug, don't take it.

Dr. Caldwell's Syrup Pepsin is a prescription preparation in which there are no mineral drugs. Its ingredients are on the label. By using it, you avoid danger of bowel strain.

You can keep the bowels regular and comfortable.

The liquid test:

This test has proved to many men and women that their trouble was not "weak bowels," but strong cathartics:

First: select a good liquid laxative. Second: take the dose you find is suited to your system. Third: gradually reduce the dose until bowels are moving regularly without any need of stimulation.

Dr. Caldwell's Syrup Pepsin has the highest standing among liquid laxatives, and is the one generally used. It contains senna, a natural laxative which is perfectly safe for the youngest child. Your druggist has Dr. Caldwell's Syrup Pepsin.
