ere to help ariht their business, the biggest business in America. The effects of the stimulus thus afforded have been largely felt in Morrow county. Maybe the principle is wrong, morally. But it is working.

AN EXPLANATION.

To the Editor: In the auditor's report recently published, there was a rather ambiguous clause for which the public is entitled to an explanation.

During the time there were no banks in Morrow County, for the convenience of the school district clerks and also the general public, I shipped in considerable money, paying called school warrants, county warrants, and cashing checks, a service for which the school clerks and the public expressed great appreciation.

As this was not county business I tried, as far as possible, to avoid mixing it with county business while making my reports of receipts and disbursements of county funds, but some mixing was unavoidable.

The "Cash and Cash Items" in my reports, constituted but a small part, if any, of county funds, and the memoranda of these items I did not preserve as they did not constitute any part of the public records.

However, the detailed figures of the audit disclose that all the county funds were properly accounted for.

\$79,000,000 Loaned by Spokane Credit Unit

Approximately \$79,500,000 has been loaned in the four Pacific northwest states by the four institutions under the Farm Credit administration of Spokane from May 12, 1933, to April 13, 1934, according to a recent survey made by the administration.

At the same time comes the news that about \$1,100,000,000 has been loaned by all the institutions of the Farm Credit administration throughout the United States in that same period.

The Farm Credit system serving the States of Washington, Montana, Oregon and Idaho has Spokane as a center and is only one of 12 regional districts making up the entire Farm Credit administration.

The institutions making up the F. C. A. are the Federal Land bank, the Federal Intermediate Credit bank, the Production Credit corporation, and the Bank of Cooperatives.

Of the total amount loaned by the Spokane unit, the Federal Land bank disbursed \$23,845,338 in loans, making first mortgage loans on their own account and first or second mortgage loans on behalf of the Land Bank Commissioner.

The 3 1/2 percent bonds of the new Federal Farm Mortgage Corporation set up by the Government to provide the Federal land banks and the Commissioner with adequate means to continue their refinancing program are meeting with a highly favorable reception by farmers, their creditors and also investment houses in all parts of the country.

Mr. Ehrhardt, president of the Federal Land bank of Spokane, said:

The first issue of the new bonds, which are guaranteed both as to principal and interest by the United States, is not being sold directly to investors but is being used by the land banks in making long-term loans to farmers.

RHEA CREEK GRANGE. Rhea Creek grange was host to the Morrow County Pomona council held May 6. All enjoyed the meeting very much and plans for the year were well started.

SCRIP STILL CALLED FOR. Calls for Heppner's Sheepskin scrip, which has been retired as a circulating medium of exchange for several months, still continue, averaging ten dollars a week, announces Dean T. Goodman, chairman of the scrip trustees.

CALL FOR WARRANTS. All outstanding warrants of School District No. 31, Morrow County, Oregon, up to and including warrant No. 52, will be paid upon presentation to me. Interest on these warrants ceases May 12, 1934.

CALL FOR WARRANTS. All General Fund Warrants of Morrow County, Oregon, registered on or before May 7th, 1934, will be paid on presentation at the office of the County Treasurer on or after May 24th, 1934, on which date interest on said warrants will cease.
