summer. The third and fourth grades' number was a cowboy song by a group of boys and girls. Miss Pope gave two readings and the second grade sang a song. Group singing rounded out the entertainment. Much interest has been taken by patrons of the school in the assembly programs this fall. About thirty or more attended last Friday morning.

Mr. and Mrs. H. D. McCurdy visited with Mrs. McCurdy's sister, Mrs. Ray Beasley and family at Fossil Sunday.

Misses Mable, Opal and Maude Cool returned Wednesday from Portland where they attended the Pacific International Livestock Exposition as representatives of Morrow county 4-H clubs. They report a very delightful time, spending their mornings in stock judging and their afternoons in sight seeing.

Miss Hazel Padberg and Miss Cora Mae Milson of Pendleton were hostesses at a delightful surprise party given Monday evening at the home of Mr. and Mrs. E. C. Heliker in honor of the eighteenth birthday of Miss Harriet Heliker. Those present beside the hostesses and honor guest were Misses Helen Grabbill, Nola Keithley, Ross Belle and Mignonette Perry, Hattie Van Scholack and Messrs. Bryce Keene, Francis Bryson, Everett Keithley, Charles Christenson, Anton Lindstrom, Donald Heliker and Floyd Long of Pendleton. The evening was spent in playing games after which refreshments of cake, jello and coffee were served. The guests departed at the end of a pleasant evening wishing Miss Heliker many happy returns of the day.

The Ione Sheep and Jersey Dairy clubs held meetings recently at the Lee Beckner ranch. Officers elected for the sheep club were: president, Harry Normoy; vice-president, Robert Davidson; secretary-treasurer, Opal Cool; news reporter, Mable Cool. Fourteen members are enrolled in the club. Harry Normoy, Charles, Robert, William and Andy Davidson, Mable, Opal, Maude and Jimmie Cool, Bobby Crowell and Mansel and Marion Krebs. The Jersey Cattle club elected Joyce Carlson, president; Maude Cool, vice-president; Opal Cool, secretary-treasurer and Mable and Jimmie Cool as news reporters. The next meeting of the clubs will be held on Nov. 7th in the Legion hall. The calf club will be hosts to the sheep club at this meeting.

Mr. and Mrs. Ralph Harris were Heppner visitors Monday.

Miss Cora Mae Milson and Floyd Long of Pendleton were week-end guests at the home of Mr. and Mrs. E. C. Heliker.

Mrs. Janet Perry of Portland arrived on Sunday morning's train for a visit of a few days at the home of R. B. Perry.

the subsequent warm weather. Mr. and Mrs. J. H. Helms and Hobart Helms made a business trip to Pendleton Monday.

School Notes

The high school wishes to thank the city of Lexington for the use of the fire hose and the Lexington water company for the water to sprinkle the football field Friday. They also wish to thank the Beach Hardware company for the use of their truck.

The girls glee club is practicing songs now that they plan to use for programs for the coming year.

A general assembly was held in the auditorium October 11th. Several songs were sung, led by Mr. Beach. A Palmer Method writing certificate was presented to Henry Rauch who was the only member of the seventh grade to receive one of these last year.

A football game was played on the local field Friday afternoon between Lexington and Echo, the Echo team winning with a score of 54-0. The next game will be with Heppner on Pioneers' Reunion day. The game will be played on the local field and will begin at ten a. m. The admission is 25c for adults, 15c for high school students who have their student body tickets, and 10c for grade school students.

Fern Luttrell and Edward Hunt were absent from school last week.

A short pep rally was called Friday morning, Oct. 12, by the yell

leader, Doris Burchell. This was to create interest for the game with Echo that was played Friday afternoon.

Mr. Campbell spent the week end in Beaverton with Mrs. Campbell. Miss Smith was in Hillsboro over the week end.

Work is soon to start on the student body play, "Mamma's Baby Boy." This play will be given some time before Thanksgiving.

Lester McMillan, Lavern Wright, Kenneth Peck, Edward Burchell, Edna Rauch and Grace and Doris Burchell attended the high school dance at Boardman Friday night.

BOARDMAN

By RACHEL J. BARLOW

Mrs. Lucy Rodgers and Mrs. Thomson of Heppner were visitors in Boardman last Wednesday and Thursday.

Mr. and Mrs. Haven of Seaside came to town last Saturday and have rented a cabin at the Oasis camp park. This is the seventh year that they have been coming to the project during pheasant and duck season.

Miss Margaret Smith who is attending business college at Hood River spent the week end here with her parents, Mr. and Mrs. Paul Smith.

Mr. and Mrs. Al Macomber and family of Heppner were business visitors in Boardman over the week end.

Glen Hadley, Harry Jayne and Elmer Tyler left Monday for Long Creek where they will hunt deer.

The pheasant season opened here Monday with a large crowd of hunters ready to get their limit. Mrs. Erickson left last Tuesday for Portland after visiting here with her son, W. A. Baker and family for several weeks.

A good sized crowd attended the first high school dance of this year in the gymnasium last Saturday evening. This was the first of many dances scheduled on the high school calendar for the year.

George Wicklander and Harlan Lundell left the first of the week on a hunting trip in the mountains.

Mr. and Mrs. C. M. Brown, parents of Mrs. Floyd Surface, left last week for Monmouth after visiting here at the Surface home for some time.

Rev. H. B. Thomas and family motored to Pendleton Sunday afternoon.

Fifteen members were present at the Home Economics club last Wednesday afternoon which was held at the home of Mrs. Nick Falser. A lovely potluck dinner was enjoyed after which the business meeting was held. A H. E. C. contest is going to be held and sides will be chosen at the next meeting.

Hunters from Portland who were registered at the Highway Inn last Monday and Tuesday were J. B. Watson, C. M. Carlson, E. Shepherd, S. Earnstein, Leo Goetsch, Geo. Bondmant, E. Erickson, A. B. Morrison, M. E. Nelson, J. W. Smith, and Paul Schaefferberg.

Mr. and Mrs. Aaron Agee returned the first of the week from McMinnville where they attended the funeral of the former's sister, Miss Lilly Agee from near Arlington who died in The Dalles hospital last week of pneumonia.

Mr. and Mrs. E. T. Ingles, Mrs. Inderbitzen, Miss Harney and Miss Henderson and Mr. and Mrs. Carl Nelson spent the week end in Portland where they attended the Oregon-Washington football game on Saturday.

Wm. Baker returned to his home in Baker after spending several weeks here with his son, W. A. Baker.

Miss Clara Ruff, high school teacher who was taken to her home near Portland two weeks ago after being ill here for several days with

a high fever, has typhoid fever. Last year there were several cases of typhoid fever among the teachers and students in the local school, but the source of infection could not be determined.

Mr. and Mrs. C. O. Blaine and two children of Portland spent several days the first of the week at the Y. P. Rutherford home.

A number of farmers are busy this week filling their silos. A large number of acres of land on the project was planted to corn this year.

A buyer from the Hansett Bros. broom factory of Portland was a Boardman visitor last week and purchased the broom corn from Reese Byram and Glen Carpenter which they grew on the Carpenter ranch near town.

A state grange conference will be held in Lexington at the grange hall on Thursday afternoon and evening of October 25. The Greenfield grange plans to attend.

Mr. and Mrs. Eck Warren of Condon visited last Thursday at the Claud Meyers home.

HELP KIDNEYS

If your kidneys function badly and you have a lame, aching back, with attacks of dizziness, burning, scanty or too frequent urination, getting up at night, swollen feet and ankles, rheumatic pains... use Doan's Pills.

Doan's are especially for poorly functioning kidneys. Millions of boxes are used every year. They are recommended the country over. Ask your neighbor!

DOAN'S PILLS

Hospitals and doctors have always used liquid laxatives. And the public is fast returning to laxatives in liquid form. Do you know the reason?

The dose of a liquid laxative can be measured. The action can thus be regulated to suit individual need. It forms no habit, you need not take a "double dose" a day or two later. Nor will a mild liquid laxative irritate the kidneys.

The right dose of a liquid laxative brings a more natural movement, and there is no discomfort at the time, or after.

The wrong cathartic may often do more harm than good.

A properly prepared liquid laxative like Dr. Caldwell's Syrup Pepsin brings safe relief from constipation. It gently helps the average person's bowels until nature restores them to regularity. Dr. Caldwell's Syrup Pepsin is an approved liquid laxative which all druggists keep ready for use. It makes an ideal family laxative; effective for all ages, and may be given the youngest child.

P. P. & L. C. Declares Payment of Dividends

The board of directors of the Pacific Power & Light company, at its meeting October 11, declared a dividend of \$1.75 a share on the 7 per cent preferred stock and of \$1.50 a share on the \$6.00 preferred stock. The dividends will be paid November 1 to stockholders of record at the close of the company's books October 18.

Some 5700 preferred stockholders will receive a total of \$114,620 as a result of the action of the directors. A large number of these live in the territory served by the company.

The last preferred dividend to be paid by Pacific Power & Light company was August 1, 1933, when it was necessary to dip into surplus to pay half of the regular dividend. After payment of the dividends just declared, the amount of cumulative and unpaid dividends on the 7 per cent stock will be \$8.75 a share, and on the \$6.00 preferred, \$7.50 a share.

Revenues of the company showed marked improvement in the past few months, it was reported to the directors, and this improvement, combined with the loyal, determined effort on the part of all members of the organization to hold down expenses, made possible the favorable dividend action.

Commenting on the action of the directors, Paul E. McKee, president of the company, said: "For the nine months ended September 30, 1934, the company's net divisible income was \$108,312. October earnings will be more than sufficient to cover the difference between this amount and the \$114,620 required for the November 1 dividend payments."

"A dividend was voted at this time in keeping with the promise of the officers and directors to resume payments to the preferred stockholders as soon as earnings and conditions might justify such

action. We do want to make it clear, however, that declaration of a dividend now does not mean that the company is definitely back on a regular dividend basis. Future dividends must depend entirely upon a continuation of adequate earnings."

Until the depression sharply reduced the company's revenues, Pacific Power & Light company had an unbroken record of preferred stock dividend payments over a period of more than 20 years. First break in this record came May 1, 1933, when half of the regular dividend was paid. There have been no common stock dividends since 1931.

4-H CLUBS INSPIRE OREGON GIRLS AND BOYS

Last week members of Oregon's 4-H Clubs exhibited their livestock and farm products at the Pacific International Livestock Exposition in Portland. Nearly a million American boys and girls in other states are learning about modern farming methods through the work of these clubs.

For more than a half century The First National Bank of Portland has witnessed the improvement and development of Oregon farm lands. We note with pleasure the enthusiasm of this youngest generation of farmers and their zealous promotion of pure bred livestock and improved farming methods. These boys and girls will be the Oregon farmers of tomorrow and by their newly learned scientific methods will bring Oregon farm products to even higher standards.

AMERICA SWINGS to the FORD V-8

THE ONLY V-8 UNDER \$2500

Gives you the power and smoothness of expensive cars—yet is the most economical Ford has ever built.

TODAY a V-8 is no longer the privilege of the wealthy alone. But only in one car priced under \$2500 will you find a V-8 engine and the smoothness of V-8 performance. That car is the Ford V-8.

And the thousands upon thousands of people who drive the Ford V-8 are getting a real driving thrill. Acceleration that whisks them out of any traffic pinch. Power that seems absolutely endless. More speed than is probably ever needed.

More than that, Ford engineers were not satisfied until

they had made the Ford V-8 the most economical car that Ford has ever built—actually more economical than a four.

See your Ford dealer and look this car over at close range. Notice its many features from the safety of an all steel body to the comfort of sun visors for your eyes. From the strength of a Torque-tube Drive to the convenience of a dashboard package compartment.

Then drive it—and find out in a few exciting moments why all America is swinging to the Ford V-8!
