School Notes

The boys are practicing volleyball this week with high hopes of

defeating the girls. A game is to be played Friday afternoon between the boys and girls.

A general assembly was held last Thursday, October 25. The meeting was presided over by Mr. Beach as Mr. Campbell was gone. The girls' glee club sang two numbers. Mr. Campbell is back at school after having spent part of last week in Portland.

The girls were out to the bus Friday to give the boys a good send-off to the game at Echo.

The juniors held a class meeting Wednesday for the purpose of electing a class sponsor. Mr. Campbell was elected. They also discussed the plan of having a dance or program to raise money for the junior-senior banquet.

The last football game of the season was played at Echo last Friday with Echo victorious, 38-6. The game was exciting throughout with the Lexington team threatening the Echo goal several times. The only touchdown came in the first quarter when Lester Cox intercepted an Echo pass and ran 55 yards to score. The outstanding players were Cox, Hunt and Van Winkle, who all have played their last football game for Lexington.

Have you ever seen Rose Thornburg and Fern Luttrell communicating in terms of "Humph"?

Four girls from Ione visited school here Thursday. They were

Dot and Dimple Crabtree, Harriet Heller and Harriet Van Schoaick. Doris Burchell and Alma Van Winkle attended the football game at Heppner Friday afternoon.

Fern Luttrell and Rose Thornburg spent Sunday in Walla Walla. Basketball will start Monday night and a large turnout is expected with lots of good material to choose from.

The Parent-Teacher association held a meeting in the high school auditorium Wednesday evening. J. O. Turner talked on the "Twenty Mill Tax Limitation" amendment and Mrs. Lucy Rodgers gave a talk on "How Tax Limitation Will Affect Our Schools." Should this amendment pass it would create a chaotic condition that would paralyze governmental functions and practically every unit of government would suffer. It would be necessary to cut school terms to five or six months. Voters should do some serious thinking before voting for an amendment that will jeopardize the educational opportunities of our children.

WE RECOMMEND

JAY H. UPTON FOR ELECTION TO Congress

His record is excellent as a State Senator.

He is just the right age to stand up under a lot of hard work.

He is a Veteran of the Spanish-American War.

He will ably and efficiently look after the farming, livestock and mining interests of Eastern Oregon.

For the best good of the people of the District, we urge voting for Upton regardless of political affiliations.

Have You Appreciated Reading The Heppner Gazette Times

WE HOPE YOU HAVE. It has been our endeavor to keep the paper as readable and interesting as possible through the past months of trying financial stringency. The condition of the times has made it impossible to keep the paper up to the standard to which we would have liked to keep it. The paper has not reflected all the business and social life of the community—but it has attempted at all times to keep before its readers those things of vital local interest and importance which it was possible for it to present.

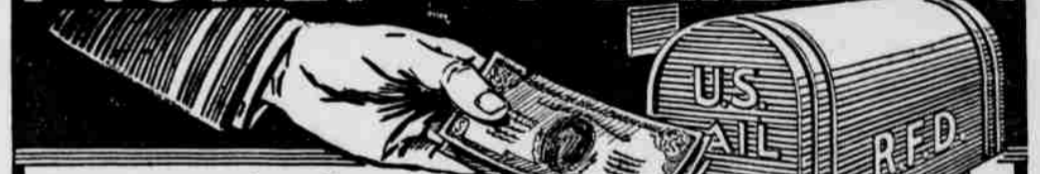

In these trying months we have shared with our readers the necessity of curtailing expenses to a minimum in an attempt to keep things going. We have been called upon to extend credit in so many instances that we practically have been forced from a "pay-in-advance" basis for payment of subscriptions. We have been glad to comply with the request to "keep the paper going," although to do so has strained our own credit.

It would be greatly appreciated if those who can now do so, would take care of their subscription arrearage and make their desires known as to receiving the paper in the future. We have no desire to "force" the paper upon anyone, but continued acceptance can only mean to us recognition by the subscriber of his obligation.
