### Heppner-Hermiston Game

The Heppner Fighting Irish lost their last game of the season Friday to the Hermiston Bulldogs with a score of 18-0. Hermiston scored their first touchdown on a long pass in the first quarter. They failed to make the extra point. The second touchdown came a few minutes later when Hermiston, after working the ball past midfield, completed a long pass. Although the receiver was dragged down on the six-yard line, Hermiston went over on the next play, a long end run. They failed to make the conversion. In the second quarter the Hermiston end intercepted a lateral pass behind the line of scrimmage and ran unhindered sixty yards for the third touchdown.

Heppner did not play as well as in former games. The sandy field probably had something to do with the home team's poor showing but in the last half Heppner did much better by stopping all the scoring threats of the Hermiston eleven.

### Club News

The Benzine Ring roasted marshmallows upon the hill behind the schoolhouse last Thursday night. They also took barometer readings at the foot and top of the hill.

### Have you ever seen—

Raymond Kelly taking pictures on the school grounds?  
Erna Van Schoalick's ring?  
James Farley coming to hand practice?  
Joe Green at Rhea Creek?  
Don Turner taking letter off of the spring?  
Richard Robison's new girl friend?

### Armistice Assembly

An Armistice Day assembly was held at the gym on Friday afternoon at 3:00 o'clock. The program opened with the singing of "The Star Spangled Banner" and "Keep the Home Fires Burning." Readings were given by Billy Barratt and Kathryn Thompson. The grade school girls sang and the program closed with the singing of "Battle Hymn of the Republic" and "America." The announcer was Donald Fell.

### Sports

With four victories, a scoreless tie and three defeats in the record books, twenty-one letter men from a squad of over thirty members, and no serious injuries during the ten weeks of strenuous play, the 1934 edition of the Heppner high school "Fighting Irish" checked their football togs in to managers Phelan and McCarty early this week.

Despite a scarcity of lettermen, adequate reserve material, and a difficult schedule offering no open dates for recuperation of injuries, the team members played hard football every minute of the season and are proud of their showing.

Perhaps the best game played by the team was its 13-0 win at Condon. Played in a blinding sand storm, players of both sides blocking and tackling like men possessed, the game was a spectacular sight to witness.

Men lost by graduation this year are Dick, Furlong, Kenny, Don and Ray Drake, Green, Jones, Schwarz, Cochell and Gilliam.

Following is a list of players who finished the season and the number of quarters played by each:

- Bryant 32, Dick 32, Gilman 31, Furlong 30, Kenny 29, Drake, R. 28, Green 28, Jones 28, Schwarz 28, Driscoll 26, Benton 24, Munkers 23, Allott 23, Van Marter 20, Redding 18, Brown 16, Cochell 16, Farley 16, Drake, D. 16, Coblantz 15, Pettyjohn, A. 8, Pettyjohn, R. 7, Batty 7, Baker 6, Gilliam 5, McRoberts 5, Browning 3.

Spinning balls, flicking nets and the reverberations of dribbling practice announced the opening of basketball season at the high school gym as over thirty anxious, hard-working candidates answered the call of the maple court game last Tuesday.

Minus "stars" the squad is capa-

ble of some fine work this year and enthusiasm is running high at the ing red building on the hill. The first few weeks of practice will be spent entirely upon fundamentals of basketball conditioning work. Announcement of the team's schedule will be made at an early date. Students and school patrons are urged to attend the games. At a nominal price you may sit in a comfortable seat secure from windy blasts and thrill to what is, with the possible exceptions of handball and ice-hockey, the world's most thrilling indoor sports offering.

Work of repairs to the basement of the Methodist church, which was so badly damaged during the May flood, is about completed, so we are informed by the pastor, Joseph Pope. A new fuel oil burner is also being installed to take the place of the old wood burner in the heating plant of the church.

### PINE CITY

By LENNA NEILL

Mrs. W. J. Wattenburger spent Sunday afternoon visiting Mrs. Peter Carlson.

Ray W. Hardman spent the week end at his home in Eugene.

Mrs. Roy Omohundro and Miss Iris spent Saturday evening at the Ollie Neill home.

Miss Cecelia Brennan spent the week end at her home in Portland.

W. J. Wattenburger and H. E. Young were business visitors in Heppner Sunday.

Mr. and Mrs. Frank Ayers spent Sunday at the Roy Coxen home near Westland.

Mrs. Jim Omohundro visited her daughter, Frankie Neal, Saturday.

**DEVELOPING INDUSTRIAL OREGON**

Low cost electric power has helped make it possible for many Oregon Industries to manufacture products which are sold successfully in competition with those from other states. Successful manufacturing companies mean steady payrolls and economic stability. This is advantageous to every family in the state and we are glad to do our part consistently, for the industrial development of Oregon.
