Official Paper for Morrow County

Let's Make the Best of It.

HEPPNER is accorded a signal opportunity in the meeting of the 38th annual Oregon Wool Growers' convention next Monday and Tuesday.

The sheep industry first made a trading post at Heppner possible, and livestock, with sheep predominating in later years, has contributed largely to the Heppner of today.

Of recent years there have been reverses in the sheep industry which have been reflected in the business life of our little city.

But in its downs, as well as its ups, the sheep industry has contributed to the welfare of Heppner and its people.

tunity for the city to show appreciation of this fact should not be passed by lightly.
