CRITICIZES PUBLIC REACTION

Heppner citizens were very backward in showing appreciation of the efforts of the school band and director when they appeared on Main street Saturday afternoon. Believes B. E. Roddin, Pasco sheepman who witnessed the demonstration while in the city on business. The appearance and conduct of the band and leadership reflected a lot of hard work, and the music was of high caliber, deserving of a big hand from the community, said Mr. Roddin. He did not accuse the community of not being appreciative, but merely criticized the lukewarm applause which came from the audience. The performance should have drawn a much larger crowd and a lot more enthusiasm, he said.

MAR. PROCEEDINGS OF COUNTY COURT

The Court met in regular session at the Court House in Heppner, on Wednesday the 6th day of March, 1935, when were present: Wm. T. Campbell, Judge; George N. Peck, Commissioner; Frank S. Parker, Commissioner, and C. W. Barlow, Clerk.

Minutes of the previous meeting were read and approved. The Court approved, continued or disallowed the various claims presented against the county and ordered approved claims paid by proper warrant from the proper funds.

Court decided that the Road Vacation Petition of C. D. Huston et al for the vacation of a certain road be continued until the April term and the County Engineer ordered to report on same.

Court passed resolution to vacate road from Blackhorse schoolhouse North to New Road and also from New Road to Duran place North and West for two miles.

March 11—Court decided to let the Watermaster use his own judgment to get the water to Lower Willow Creek.

March 26.—In the matter of distribution of interest and the apportionment of discount, the Court having been advised that other counties in the state, including Multnomah County, are distributing the interest and discount to the various tax levying bodies, on the basis of the amount of taxes collected for each of said bodies, and it appearing to the Court that this is the most practical method for distributing the said interest and discount and that each tax levying body will receive substantially its proportionate share of said interest and will pay its proportionate share of the discount, under this method.

It is ordered that the Tax Collector be authorized to use this method for distribution, effective as of January 1, 1935.

It having been brought to the attention of the Court by the auditors, Wells & DeLap, that the practice which has been followed for many years by the Court and the Clerk, of issuing warrants for monthly salaries of county officials and deputies, and for payment of mothers' pensions, and for payment of certain rentals, and other monthly allowances, without claims having been presented to the Court each month and passed upon by the Court, has resulted in loose methods of accounting and record keeping, and does not conform to sound business practice.

It is therefore ordered that the Clerk present a list of all salaries payable; and a claim for each amount payable for rent, or other monthly expenditures, and that warrants in payment of salaries, mothers' pensions, and other monthly claims be issued by the clerk only after the same have been approved by the county court.

The order of the County Court as of the date of February 7, 1934, regarding the mileage fees collected by the Sheriff is hereby rescinded and the Sheriff is hereby ordered to turn all mileage collected to the County Treasurer and to bill the County Court each month for the amount of the same.

The order of the County Court as of the date of February 7, 1934, allowing the Deputy Sheriff at Boardman to keep the money collected for the sale of temporary motor licenses as pay for his services is hereby rescinded and said deputy is hereby ordered to turn to the County Sher-

iff all monies collected for this and payment for his services will be arranged by the County Court. Court ordered Sheriff to advertise and sell at public auction as provided by law the following described parcel of land, and at not less than the minimum price as set out, to-wit: Lots 4 and 5, Block 17 of the town of Lexington, and for the minimum price of \$200.00; \$50.00 down and three equal annual payments, with interest at the rate of 6 per cent. All taxes to be paid by the purchaser.

March 30.—Whereas, Morrow County has effected a settlement with the Bonding Company in the matter of the balance of county funds in the Bank of Ione, defunct, and

Whereas, the balance of said account is carried on the books of the County Treasurer in the amount of \$6,894.07, the sum of \$5,000.00 having been received from the bonding company in settlement thereof. Now, therefore, it is hereby ordered that the County Treasurer charge general fund in the amount of \$1,894.07, representing the net loss on the account with the said Bank of Ione.

The Court accepted bid of Morrow County Grain Growers, Inc., Ione, Ore., for forty tons No. 1 slack coal for Court House at \$7.10 per ton, if coal is loaded on or before March 31, 1935, or if freight is raised, at \$7.60 per ton f. o. b. Heppner.
