**On With the Band.**  
WHAT disappointment there may have been because Heppner's school band did not place first in their division at the state contest is more than compensated for by the inspiration received by the boys and girls who made the trip to Eugene. Not only those who made the trip, but those who did not get to go have been given new impetus to strive harder in the future. Those who made the trip enjoyed the contacts with college life, and from listening to the more accomplished bands perceived the possibilities of improving themselves; and their glowing reports naturally created a desire in the others to enjoy the next trip.

There are lots of folks, among them some who made the trip with the band, who feel that Heppner has the best little band in the state. The feeling is laudable. It should not be discouraged. But the judges at Eugene were men qualified for their work. They should not be accused of ulterior motives. That the band was rated excellent by these men is recompense for the many months of hard work expended in preparation.

The band has given a good account of itself. Mr. Buhman and the members are entitled to the gratitude of the community whose good name they helped to spread farther over the state.

**A Good Choice.**  
THE county courts of Morrow, Umatilla and Union counties made an apt selection for successor to Jack E. Allen as state senator. The appointment of J. G. Barratt not only reflects their good judgment, but assures that not only Morrow county but the entire district will be amply represented in the position should Mr. Barratt be permitted to serve at Salem.

**BOARDMAN**  
By RACHEL J. BARLOW  
Mrs. Nelson's Home Economics class at high school gave a tea last Friday afternoon honoring Maxine Macken, one of the class members, who is leaving this community.

**FEEL TIRED, ACHY— "ALL WORN OUT?"**  
Get Rid of Poisons That Make You Ill  
IS a constant backache keeping you miserable? Do you suffer burning, scanty or too frequent urination; attacks of dizziness, rheumatic pains, swollen feet and ankles? Do you feel tired, nervous—all unstrung?  
Then give some thought to your kidneys. Be sure they function properly, for functional kidney disorder permits poisons to stay in the blood and upset the whole system.  
Use **DOAN'S PILLS**. Doan's are for the kidneys only. They help the kidneys cleanse the blood of health destroying poisonous waste. Doan's Pills are used and recommended the world over. Get them from any druggist.
