SOPHRONA THOMPSON,

**Receives Relief From** 

Clerk

Salem .- The report of Governor Martin's planning board has caused Salemites to bestir themselves in Mor a search for "a suitable site" for ning." the new capitol building.

While residents of the capital city would prefer to see the new struc-ture located on the site of the old With God." building there are plenty of other sites available if the capitol plan-

ners insist on moving it. The Bush pasture, a large un-The Bush pasture, a large un-platted tract in the heart of south Salem, would be an ideal location. A serious obstacle is confronted this "Christian Nation." On that here, however, in the reluctance day the complete gospel was first of the owners to dispose of the tract preached. The plan of salvation was of the owners to dispose of the tract for sentimental reasons. A number the new sentimental reasons. A number of sightly locations are available in the hills of south Salem, some of the hills of south Salem, some of the name of the Father, the Son, and the Holy Spirit. The Holy Willamette river but any of these would take the capitol a long dis-lievers on that day for the first time. tance from the other state buildings. It appears that we need more of the

It has been suggested that the state take over the campus of Wil-we rally to the cause of Christ tolamette university for capitol pur-poses, paying that institution church in a way that will be creditenough to permit rebuilding on a able in comparison with the activ-new and more suitable location but ities of the church in the beginning. the investment involved, it is feared, During the coming summer months loyalty is needed more than ever would be prohibitive. before. To let down on our pro-

suggestion involves pur-Another gram will necessitate greater exchase of a block of ground directly across Court street from the capitol pense and effort to get back to nor-site, and the closing of the inter- mal this fall. Let each one do his mal this fall. Let each one do his part and the load will not be heavy vening section of Court street. This, in many respects, seems to be the most feasible proposal so far advanced, since it would avoid separation of state buildings.

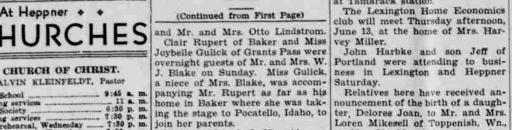

Legislators passing through Sa-lem since the fire have expressed Public worship 11 a. m. Spec ial music by the choir. Sermon themselves as favorable to retention of the capitol building on the old site, designing the new building to fit the site rather than acquiring a new site to fit the building.

The state department of agriculture will continue to enforce the agricultural marketing agreement act until it is set aside by the courts, according to Solon T. White, direct-or of agriculture. It is not believed that upset of the National Recovery act had any effect upon the state act

Chas. T. Stricklin, state engineer, reports a great deal of interest throughout the state in the proposed rural electrification program. At least 20 districts have signified in-At tention of forming Peoples Power districts in order to reap the bene-fits of rural electrification.

Seasonal employment will greatly relieve the unemployment relief fund during the few months in the opinion of Elmer Goudy, state relief administrator, who conferred with Governor Martin here this week.
