**HELP GET IT BACK**  
Don't Let Avoidable Stomach, Liver, or Kidney Disorders Rob You of the Joy of Living.  
Your "pep" is the measure of your physical condition. Upon it depends much of your success and enjoyment of life. Thousands are finding wonderful help in the return of that glorious feeling of health and vigor by use of Williams S.L.K. Formula. This remarkable prescription was selected by a druggist from literally thousands written by physicians. It was one which he noted was re-filled year after year. So remarkable were the results reported by sufferers that he gained permission from the physician to have this formula compounded for the use of the public generally.  
Many of the most enthusiastic in their praise of Williams S.L.K. Formula had been to hospitals and specialists without satisfactory results. C. E. Jeffries, Neosho, Mo., writes: "I spent \$1,100 trying to get relief from my indigestion and stomach trouble but had to live on a liquid diet. After three bottles of Williams S.L.K. Formula I felt like a new man and could eat anything I wanted."  
Williams S.L.K. Formula is recommended widely for stomach, liver and kidney disorders as are associated with dyspepsia, biliousness, gassy stomach, distress after eating, heartburn, sour stomach, constipation, neuralgia, rheumatism, lame back and general weakness. Ask your druggist about this wonderful preparation today. Williams S.L.K. Formula is sold by Patterson & Son Drug Store and they will refund your money if you are not delighted with the results.

board—Governor Martin, Secretary of State Snell and himself—would start on a tour of the state this week to make a first-hand investigation of conditions in all sections. A plan Mr. Holman has favored ever since he has been on the board. Tentative plans at the time included a home-coming meeting for Mr. Snell at Arlington Wednesday noon. If the itinerary could be so arranged, Mr. Holman desired that the entire board should visit Heppner on this trip. He emphasized that the present board is working in complete harmony.

The board expects to visit all state institutions together, and has adopted the policy of consolidating management on state farms so that the best practices of any one shall become the common practice for all.
